## PREFACE.

---

VOLUME V. of the Reprint of the Minutes begins with the meeting of June 17, 1822 and ends with the last meeting of the year 1827.

It was during this period that the Grand Holy Royal Arch Chapter of Pennsylvania was allowed by a resolution adopted by the Grand Lodge, to make their own rules and regulations for the government of Royal Arch Masonry in Pennsylvania and receive fees for granting warrants to subordinate Chapters under their jurisdiction. The legislation whereby this important change was effected extends over a period of years. A Grand Lecturer was appointed and paid for visiting the Lodges throughout the State, and the report of his visitations as well as the general report in regard to minutes, elections, initiations, rejections, etc., is a very interesting paper. The visit of General La Fayette to the Grand Lodge, his being constituted a member, the addresses delivered on that occasion, and the banquet, all make a meeting of more than ordinary interest.

It was also during this period that a number of country Lodges rebelled to a certain extent against the power of the Grand Lodge and the warrants of several Lodges were taken up on this account. A full account of how the differences existing were finally settled is given, together with the action of a number of subordinate Lodges on the question. The organization of a General Grand Lodge came up frequently in the reports of other Grand Lodges.

This volume will be found fully as interesting to the brethren as the preceding volumes.

Which report was adopted.

The Committee on Land Marks to whom was referred the Letter from Bro. Henry Shippen, S. Warden of Lodge N<sup>o</sup>. 178, held at Huntingdon, made report which was read and is as follows:

To the R. W. the Grand Lodge of Pennsylvania:

The Committee on Land Marks, to whom was referred the Communication from Lodge N<sup>o</sup>. 178, held at Huntingdon, relative to the initiation of D<sup>r</sup>. Proctor Cadwallader, beg leave to report,

That it appears D<sup>r</sup>. Cadwallader is a Man of good Moral Character, but that he is subjected to a natural infirmity, the precise extent of which is not stated, nor its consequences so far as they relate to the subject matter now under consideration. Your Committee therefore can only lay down well

known and established rules, leaving Lodge N<sup>o</sup>. 178 to make the proper Application. The possession of a good moral Character and the physical and Moral ability to hold fellowship and communion in the universal Language of Masonry with the Craft are indispensable requisites to a participation in its rights and privileges. It therefore follows that if an absolute incapacity to unite in performing and communicating our forms and ceremonies exist, it is a bar to admission into the order.

There are no doubt many instances in which these regulations may operate severely upon candidates who have sustained in life a good reputation and who might become useful and zealous Members of the order, but these regulations are coeval with the existence of the Institution and cannot be dispensed with by the exercise of any authority vested either in the Grand Master or the Grand Lodge.

Without a more intimate knowledge of the case than could be with propriety communicated in writing, the Committee are unable to decide upon the point submitted; they have however full confidence in the intelligence and prudence of Lodge N<sup>o</sup>. 178, and would therefore offer the following resolution for the adoption of the Grand Lodge.

Resolved, that the Case of D<sup>r</sup>. Proctor Cadwallader be referred back to Lodge N<sup>o</sup>. 178, to be determined by them on the principles laid down in the foregoing report.

The Committee to whom was referred sundry Communications relative to David Vinton, made report which was read and is as follows:

To the R. Worshipful the Grand Lodge of the State of Pennsylvania:

The Committee to whom was referred the Communications from the Grand Lodge of North Carolina and Washington Lodge, N<sup>o</sup> 15, held at Washington, in the State of Georgia, beg leave to report:

That it appears a certain David Vinton of the State of Rhode Island left his residence and travelled to the Southward for the purpose of delivering lectures on the principles, forms and Ceremonies of Free Masonry. That the said Vinton visited the Lodges in North Carolina and professed to give them Masonic instruction. Certain reports having reached the Grand Lodge of North Carolina, at the suggestion of the Grand Master a Committee was appointed by that Grand Lodge to enquire into the Character and Conduct of the said Vinton, who having collected and reported to the Grand Lodge a Mass of information, that body prohibited the Lodges under its Jurisdiction from holding intercourse with or extending their patronage towards the said Vinton. At the time this measure was adopted Vinton was delivering Lectures to the said Lodge N<sup>o</sup> 15, in Georgia, who immediately published in print and communicated to this Grand Lodge an address to their Masonic Brethren within the U. States, vindicating the Character and principles of the said Vinton, and denouncing the proceedings of the Grand Lodge of North Carolina, as unjust and contrary to the Ancient usages of the Order.

Your Committee do not mean to enter into any examination of the Merits of Vinton, tho' they are fully impressed with the opinion that the Grand Lodge of North Carolina were justified in the View they had taken of him, and that he was undeserving of the patronage or pecuniary aid of the Craft.

The Grand Lodge of North Carolina possessed the undoubted right of prohibiting the Lodges under its Jurisdiction from holding intercourse with any Individual who they supposed was practising deception upon the Craft. The exercise of this power was the undoubted attribute of their sovereignty and Independence. If the Individual were injured he might

apply to the Grand Lodge who would doubtlessly grant him relief if he were worthy of it, and this Grand Lodge have such confidence in the intelligence of the Grand Lodge of North Carolina as to believe that if Vinton were an innocent Man, they would have instantly restored him to fellowship and Communion among the Lodges.

Should however the Grand Lodge of North Carolina or any other Grand Lodge have taken this measure unadvisedly, it might become a Matter of friendly and brotherly confidence and remonstrance between the Grand Lodge from which the Individual hailed and the body excluding him. But most certainly it was not within the scope of the power of a subordinate Lodge, where the said Vinton happened to be a transient itinerant and with whom he had no legitimate connection, to take up his cause and publish to the world a protest against the proceedings of an Independent and foreign Grand Lodge, who appear to have acted with the utmost care and circumspection. If Lodge N<sup>o</sup>. 15 in Georgia were so deeply impressed with the wrongs of Vinton, they might have instructed their representatives to have brought his case before the Grand Lodge of Georgia, who would have done whatever was right and proper in the premisses.

Your Committee believe that the precedent set by the said Lodge N<sup>o</sup>. 15 is most extraordinary, and if followed will be most pernicious in its consequences. The evils need not be depicted of having the proceedings of Our different Grand Lodges reviewed, examined, denounced and protested against by the different subordinate Lodges in other States. The utmost confusion and disorder must ensue, and the harmony and social intercourse with the different Grand and Subordinate Lodges would be destroyed. Your Committee would however add, that they believe Lodge N<sup>o</sup>. 15 were actuated by correct motives in their interference on this occasion, and they are pleased to observe that Lodge N<sup>o</sup>. 15 recognize the general respectability of that body, against whose proceedings in the particular case they have so bitterly inveighed.

Your Committee therefore offer the following resolutions:

Resolved, that in the opinion of this Grand Lodge the

Grand Lodge of North Carolina had the undoubted right to prohibit the Lodges under its Jurisdiction from holding intercourse with the said David Vinton, and that for so doing they were not amenable to any other authority, but more particularly a subordinate Lodge under another Jurisdiction.

Resolved, that the Grand Secretary be requested to transmit Copies of the foregoing report and resolution to the Grand Lodge of North Carolina and Georgia.

JOSIAH RANDALL,  
JOSEPH R. HOPKINS, } Committee.  
JOHN DARRAGH,

Which report and resolutions were adopted.

The Committee to whom was referred the Complaint against the Gas Establishment, made report which was read and is as follows :

The Committee to whom was referred a Memorial of sundry of Our fellow Citizens residing in the neighbourhood of the Masonic Hall, on the subject of the Gas House, respectfully report,

That they have made it a duty to see and converse with several of the most prominent of the above mentioned memorialists, since the last meeting of the Grand Lodge.

That the smell issuing from the Gas House heretofore has been, from the representations made to your Committee, greater than it will probably be hereafter, and was, no doubt, extremely annoying and offensive to those immediately in the neighbourhood. This is ascribable to the cleansing given to a part of the structure during last fall.

That the present and pressing subject of alarm with the Memorialists appears to be the intention supposed to exist in this Grand Lodge of converting the Gas establishment into an instrument of profit, of enlarging its dimensions, and of course increasing its noxious exhalations. The Memorialists do not seem to your Committee very much averse to the continuance of the manufactory upon its present scale ; provided some additional efforts be made to keep it clean and to confine the Gas as much as possible.

The Committee therefore recommend the adoption of the following Resolution :

Resolved, that the said Committee be discharged from any further consideration of the subject.

G. M. DALLAS,  
RICH<sup>d</sup>. POVALL.

Which report and resolution were adopted.

The Committee to whom was recommitted the report on the Complaint of Lodge N<sup>o</sup>. 177 against Brother Daniel W. Dingman, together with the Petition from said Lodge, requesting a rehearing of the Case, made report which was read and is as follows, to wit :

The Committee appointed at the Adjourned Grand Quarterly Communication, April 6, 1822, and to whom was re-committed the Report of the Committee on the Complaint of Lodge N<sup>o</sup>. 177 against Brother Daniel W. Dingman, together with the Petition of the Worshipful Master of said Lodge N<sup>o</sup>. 177, praying for a rehearing in this Case, report,

That they have taken the same into serious consideration, and have examined with attention the voluminous testimony and documents relative to the first investigation. They have also sent for and examined personally Brother Joseph Brooks, who was not present on the enquiry before the first Committee, and whose testimony was deemed of much importance by Lodge N<sup>o</sup>. 177.

In taking a review of this case it appears that Delaware Lodge, N<sup>o</sup>. 177, preferred a Complaint against Brother Daniel W. Dingman, for using reproachful language and charging the Members of said Lodge with sundry illegal and immoral transactions, unworthy the Character of honest Men, and most disreputable in a Masonic point of view.

To investigate the cause of complaint by Delaware Lodge, N<sup>o</sup>. 177, against Brother Dingman, the Grand Lodge appointed Brothers I. C. Baum, C. J. Hutter and John Dolby, a majority of whom attended at the Lodge room in M<sup>r</sup>. Hornbeck's House, Pike County, on Saturday the 3<sup>rd</sup> of November last.

When, having heard at great length the testimony of the Complainants as well as of the accused, transcripts of which has been furnished this Grand Lodge, they reported in substance, "That they believe Bro. Dingman to be censurable for "not bringing a formal complaint against Delaware Lodge No. "177, having had full knowledge of the Character of its leading Members, but they are of opinion judging from the testimony given before them, that Brother Dingman was not "actuated by personal malice against the individual Members "of Delaware Lodge, nor by any disrespect against the "Masonic order, and that Delaware Lodge had no reason to "complain against him."

From this decision Delaware Lodge, No. 177, has appealed, and is desirous that the case may be again opened to investigation and a rehearing granted.

Your Committee taking into consideration the testimony adduced by both parties, with the additional examination of Brother Brooks, are of opinion that there is not sufficient ground for setting aside the report of the first Committee or granting a rehearing in this case, for although there appears from subsequent documents sufficient evidence to prove that some of the charges made by Brother Dingman against this Lodge were without foundation; yet as it does not appear that he was the Author of these false reports, or propagated them with a malicious or unmasonic intention, Your Committee believe that by again having this subject discussed in the vicinity of the complainants and the accused, it would only tend to keep alive those angry feelings which all good Men, and more particularly good Masons, should endeavour to repress.

Your Committee while investigating the subject referred to them have been painfully impressed by the very serious charges made against many of the Members of Lodge No. 177, by Brother Dingman in extenuation of the opinion he had expressed relative to several of these Brethren, one of whom, Thomas P. Gustin, it appears had been indicted for perjury. It is with much pleasure the Committee now state that in a competent judicial tribunal Bro<sup>r</sup> Thomas P. Gustin was ac-

quitted of this most heinous charge, and it is hoped that other Members implicated by the testimony in the former examination might make explanations that would in some degree remove the odium which their conduct as represented by the testimony reflects upon the Masonic Society.

Under these circumstances, and after having maturely weighed the testimony of Brother Brooks, and having taken down the answers in writing made by Bro. Brooks to certain interrogations proposed to him, which answers are herewith submitted, and it appearing that the communication made by Brother Dingman to Brother Brooks was made in masonic confidence, Your Committee recommend to Grand Lodge the adoption of the following resolution :

Resolved, that it is inexpedient to grant a rehearing on the complaint of Delaware Lodge, N<sup>o</sup>. 177, against Brother Daniel W. Dingman.

On Motion of Brother King and Seconded,

Resolved, that a Committee of three Members of the Grand Lodge of which the R. W. Grand Master shall be one, be appointed to digest and report on Ahiman Rezon for the Government of this Grand Lodge.

The R. W. Grand Master appointed Brothers Randall and Dahlgren to be the remainder of the said Committee. This appointment was made by Grand Master Gibson in 1824.

Brother Nisbet on behalf of a Committee of the Grand Chapter made the following Communication, that on the 20<sup>th</sup> of May last sundry resolutions for the reorganization of the Grand Chapter were presented and read, when it was "Resolved, that the resolutions now presented for the Government of this Grand Chapter be referred to a Committee of

“five Members to examine and report thereon and that the R. W. Grand Lodge be respectfully invited to appoint a like Committee to confer on the same with the Committee appointed by this Grand Chapter,” and that Brothers McAlpin, Bradford, Russel, Erringer and himself were appointed a Committee for the purpose.

Whereupon, on Motion and Seconded,

The resolution laid on the table on the 7<sup>th</sup> January last by Bro. Dahlgren relative to the appointment of a Committee to enquire into the expediency of changing the existing Government of R. A. Masonry, amended by the Grand Lodge on the 1<sup>st</sup> April last, was taken up for consideration and adopted as amended.

The Minutes of the last Grand Quarterly Communication and of the Meetings held since were read and approved.

A Petition was received and read from divers Ancient York

Master Masons praying for a warrant to hold a Lodge at the General Jackson Inn, in the Township of Tredyffring, in the County of Chester, to be called "Farmer's Lodge, N<sup>o</sup>. Which Petition being in due form and recommended agreeably to the rules and regulations of the Grand Lodge, it was

Which was referred to the Committee of Finance to inquire and make report.

A Petition was received and read from the Officers of Hermans Lodge, N<sup>o</sup> 125, held at Philadelphia, stating that at the Meeting of said Lodge on the 23<sup>rd</sup> August last, Michael Bayer a Candidate for Initiation into the Mysteries of Masonry after being reported favourably of, was ballotted for, when upon examining the Ballots there appeared one negative Vote against

him. That the Brother who Voted in the Negative had since acknowledged that he did it from erroneous impressions respecting the Character of the said Candidate, that he is now perfectly satisfied that the Candidate is a Man of good Character and is desirous that he should be initiated by said Lodge. They therefore prayed on behalf of the Lodge for permission to go into another ballot for the said Michael Bayer and if found worthy to initiate him into the Mysteries of Our Order and admit him to Membership.

Whereupon, On Motion and Seconded,

Resolved, that Herman's Lodge, N<sup>o</sup>. 125, be and hereby is authorized to go into a new ballot for Michael Bayer and if found worthy to initiate him into the Mysteries of Masonry and admit him to Membership.

A Petition was received and read from Brother C. R. Bowen, Senior Warden of Lodge N<sup>o</sup>. 139, and a Member of the Grand Lodge, complaining against Lodge N<sup>o</sup>. 52 for refusing to admit him as a Visitor in said Lodge on the 7<sup>th</sup> August last. Whereupon,

On Motion and Seconded, said Petition was referred to Brothers Thomas Kittera, Bernard Dahlgren and Robert Toland to enquire and make report.

Brother Robert Toland, Proxy of Lodge N<sup>o</sup>. 106, held at Williamsport, Lycoming County, laid before Grand Lodge a Letter he had received from said Lodge stating that on the 17<sup>th</sup> April, 1821, Edward Culvert applied to said Lodge for initiation, upon which a Committee was appointed to inquire into his Character who made an unfavourable report. That on the 6<sup>th</sup> May, 1822, he applied again and a Committee of enquiry was appointed who made a favourable report, whereupon he was ballotted for, approved of and received the first and second degrees. That by a reference to the resolution of Grand Lodge of the 7<sup>th</sup> March, 1814, forwarded to them by Bro. Toland, it was evident they had acted irregularly, a Copy of which resolution was not to be found in the Archives of the Lodge since they had the honor of becoming Members. They therefore requested the Grand Lodge to confirm what they had already done and to permit them to confer the other degree. Whereupon,

On Motion and Seconded,

The Committee to whom was referred the Complaint of Bro. William Creth against Bro. Joseph Williamson, W. Master of Lodge N<sup>o</sup>. 9, made report which was read and is as follows:

To the Right Worshipful the Grand Master of the Grand Lodge of Pennsylvania:

The Committee appointed to enquire into and make report on the Complaint of Brother William Creth against Brother Joseph Williamson, Worshipful Master of Lodge N<sup>o</sup>. 9,

Respectfully Report:

That in pursuance of the duties of their appointment they summoned the parties before them and proceeded into the investigation of the charge referred to them. That after having attentively considered the testimony they are of opinion the charge of inventing the injurious reports that have for some time circulated against Brother Creth has not been substantiated against Bro. Williamson nor is he in the opinion of the Committee guilty of circulating them through malicious motives, but simply appears to have given a ready ear to an idle tale destitute of truth and probability.

While the Committee feel gratified in pronouncing Brother

Williamson guiltless of the more serious charge of inventing and maliciously circulating reports derogatory to Brother Creth's Masonic Character they feel it their duty to declare that Brother Williamson would have acted more in accordance with his Masonic duties if he had evinced as great a disposition to repress the slander as he did credulity in believing it. No point of Masonic duty is more obvious than this; that a Mason should receive an Accusation against the Moral standing of his brother with caution and distrust; that the proofs on which it is predicted ought to be direct and conclusive and that even if they are so far so as to satisfy his mind of the fault of the brother charged he ought rather by private admonition and friendly remonstrance to conduct him back to the path of propriety than to give publicity to his offence.

Had this principle regulated Brother Williamson the necessity of this enquiry would never have arisen and much private bitterness and irritability which has been created between the parties and their friends would never have existed.

Your Committee respectfully in conclusion offer the following resolution to the Grand Lodge.

Resolved, that the Committee on the complaint of Brother Creth against Brother Williamson, W. Master of Lodge N<sup>o</sup> 9, be and are hereby discharged.

(Sign'd)

H. BENNER,  
EDWARD KING,  
ISAAC P. COLE.

Which report was adopted.

The following Resolution laid on the Table by Brother Dahlgren on the 1<sup>st</sup> August last was taken up for consideration and adopted.

Resolved, that the Grand Treasurer be authorized to pay to the Committee appointed to repair the Gas Manufactory the sum of Forty Dollars, subscribed by Caleb North in the Year 1820, towards rebuilding the Gas Manufactory.

Grand Lodge proceeded to the consideration of the resolution laid on the table by Bro. Dahlgren on the 1<sup>st</sup> August last, to reconsider the report of the Committee appointed to prepare a

plan to procure a sum of Money sufficient to pay for the repairs of the Gas Apparatus. When the question being taken, shall the report of the Committee be reconsidered? it was decided in the affirmative.

On Motion the following part of the said report was stricken out, "and provided also that if the whole sum of Two thousand dollars shall not be subscribed and paid within Thirty days from the appointment of the said Trustees, then this Loan shall not take effect and the sums paid, if any, shall be returned to the subscribers respectively."

On Motion the said report as altered was then adopted.

A Letter dated London, July 6, 1822, from the Secretaries of the Grand Lodge of England was received and read, acknowledging the receipt of the Communication of the Grand Lodge of Pennsylvania for the present year and transmitting

Copies of their Quarterly Circulars during the last two years. Which were referred to the Committee of Correspondence.

The Committee appointed to enquire into the expediency of changing the existing system of Government of Royal Arch Masonry made report which was read and the consideration thereof postponed.

A report of a similar nature to the Grand Chapter was presented by a Committee thereof and read together with a recommendation from that body to the Grand Lodge to adopt the same. Which was laid on the table.

The Committee to whom was referred the recommendation of the Widow and Children of Robert McElwee for assistance, by Lodge N<sup>o</sup>. 43, made report which was read and is as follows:

The Committee appointed at the last Grand Quarterly Communication Septem<sup>r</sup>. 2<sup>nd</sup>. 1822, to take into consideration the application made by Lodge N<sup>o</sup>. 43 in conjunction with Lodge N<sup>o</sup>. 21, relative to the Case of the Widow and Children of Brother Robert McElwee, late of Lodge N<sup>o</sup>. 21, deceased, and praying the Grand Lodge to grant relief to the Widow and Children of the said deceased Brother,

Report:

That they have taken the said Communication into their serious consideration and from information and personal knowledge they are satisfied that the representations made by the two respectable Lodges are substantially correct. Under such circumstances it is with feelings of great mortification that your Committee do not feel themselves authorized to make a favorable report on this application for Charity.

It is well known that the income of the Grand Lodge is specifically pledged for the payment of the debt due for the erection of the splendid and expensive building which we now occupy, and it is but too well known that the revenue of the G. L. derived from all its sources is barely sufficient to meet the debt with which it is incumbered and for the liquidation of which the Masonic faith is pledged.

It is true a small Charity fund has been established by the benevolence of some worthy Brethren, Members of this Grand

Lodge. As however this incipient charity fund has been altogether a voluntary subscription from individual Masons, and not originating from any dues or fees paid to the G. L. from subordinate Lodges, your Committee are of opinion that it would be improper and indelicate in this G. L. to appropriate any part of this small fund to objects of Charity, unless at the particular request of those who have been instrumental in originating and establishing this well intended Charity.

Under these considerations your Committee submit the following Resolution.

Resolved, that Grand Lodge regrets that it is out of its power at this time to grant relief as recommended by Lodges N<sup>o</sup>. 43 and 21.

The Committee to whom was referred the Appeal of J—— D—— from a Vote of expulsion passed against him by Lodge N<sup>o</sup>. 139, made report which was read and is as follows:

To the right Worshipful the Grand Lodge of Pennsylvania:

The Committee to whom was referred the appeal of brother J—— D—— from a Vote of expulsion by Lodge N<sup>o</sup>. 139,

Respectfully Report:

That in pursuance of their appointment they have had several Meetings with the Petitioner and the Brethren representing the Lodge by which he was expelled. The following your Committee believe to be a correct and impartial statement of the occurrences which led to the vote of expulsion.

The Lodge in August last rec<sup>d</sup>. an  $\frac{a}{c}$  of G. Lodge dues, which was ordered to be paid and some time afterwards Bro. D—— was verbally informed of the resolution. There was not at that time quite enough in the Treasury to pay the Grand Lodge. The Treasurer told Bro. D. H. Mason the

Master that he would pay over the Money, which not being done, the Master called a Meeting of the standing Committee of the Lodge to settle the a/c of the Treasurer. The latter did not attend and the Master and Secretary calling on him shortly after, found there was a balance in his hands of 82 dollars and some Cts. The amount due the Grand Lodge was 87 dollars and some Cts. The Master then requested Brother D. to pay over the Money which he said he would "as soon as he could raise the wind." Brother D—— was accordingly about to pay the Grand Treasurer when he was informed by a brother that it would be irregular to do so without an order signed by the Master and attested by the Secretary. He then declined paying the Money without such an order. Things standing thus the Lodge at a stated Meeting 29<sup>th</sup> October, resolved that the standing Committee draw on the Treasurer for the Money in his hands to pay Grand Lodge dues. An attested Copy of this resolution with an order, (signed by the Master and attested by the Secretary) requiring brother D. to deliver all the Money in his hands belonging to the Lodge to the standing Committee of the same, was shown to Brother D. on the 7<sup>th</sup> of November. He refused to comply with any such orders as he said they were irregular. He was told by Brother D. H. Mason, the Master, that by such refusal he violated his obligation and that if he persisted the Lodge must be informed of his conduct. He became irritated and replied that the Lodge might go to hell, he would do no such thing as to pay any such orders; they were irregular.

The Master then convened a Lodge of emergency at which on the 10<sup>th</sup> November, the Master and Secretary on behalf of the standing Committee reported the demand on Brother D. and his refusal to deliver up the Monies in his hands. Brother D. was not present but addressed a Letter to the Lodge in vindication of his conduct. The Lodge then appointed a special Committee to enquire into the neglect and refusal of the Treasurer to comply with its order, to receive from him by an order properly attested the Money in his hands and pay it to the G<sup>d</sup>. Treasurer. That Committee cited Bro. D. before them. He attended and justified his con-

duct saying to one of the Committee that he had the opinion of one who knew better than himself, that he had seen the G<sup>d</sup>. Master who approved of his conduct. This statement was utterly unfounded. Bro. D. now admits that altho' he saw the Grand Master on other business he never mentioned this to him. Brother D—— persevered in refusing to comply with the order to pay the Committee, saying that he had before refused to comply with the resolutions of the Lodge and the orders of the Master which he considered not in due form, And that now he was determined not to pay to any Committee nor to observe any such resolutions which he considered irregular, but that he would pay the Grand Treasurer on an order in due form.

A Lodge of emergency was again called at which, on the 16<sup>th</sup> of November, the Committee last mentioned reported. The Master was then directed to draw an order in favour of the Grand Treasurer, which was done on the 17<sup>th</sup> and on the 24<sup>th</sup> at the Stated Meeting, Brother D——reported that he had paid it.

At the same Meeting the 24<sup>th</sup> November, brother D. H. Mason the W. M., exhibited charges against Brother D—— for the contempt of the authority and refusal to comply with the requisition of the Lodge, as also for unmasonic and abusive language and contempt to the Committee while engaged in the business and representing the Lodge, and for attempting to support his refusal by prevarication and falsehood. The charges were referred to a Committee who made report at the Stated Meeting of the Lodge in December. They acquitted Brother D—— of so much of the charges as was founded on his failure to comply with the resolution of the 25<sup>th</sup> August and the Verbal request of the Master and reported that the other charges were substantiated. This report being under consideration Bro. D. cursed the Master, the Lodge and the Members. A Motion was made for his expulsion, when he defied the Lodge using language grossly indecent and abusive, which it will be unnecessary to offend the G. Lodge by repeating. He then left the Lodge by which he was subsequently expelled by an unanimous vote.

Your Committee refer the Grand Lodge to Article 6 and 7 of the Bye Laws of Lodge N<sup>o</sup>. 139 and to the different documents they have mentioned, which they request may be considered as part of their report.

Brother D. vindicates his refusal to pay the Monies in his hands by alledging that the proceedings of the Lodge were irregular. But altho' this may excuse his first delay, your Committee are of opinion that when the order of the Master attested by the Secretary to pay the Money in the Treasurer's hands to the standing Committee was presented, the only objection Bro. D. originally had was obviated and he should have complied with that order. His only excuse for not doing so might be that the balance of his a/c was not formally ascertained. As that however could readily be done further delay was inexcusable. The subsequent prevarication of Bro. D. respecting the Grand Master and the violence of his behaviour impelled the Lodge to the course they finally adopted. Bro. D. admits now that his language was improper and says he is sorry for it. Your Committee considering it their duty to examine the justice of the expulsion at the time it took place, do not deem it proper to notice these acknowledgements further now than to observe that they are proper for the consideration of Lodge N<sup>o</sup>. 139, on an Application to reinstate Brother D——.

Being of opinion that the reasons for Bro. D's expulsion were sufficient when the Vote was taken, your Committee respectfully offer the following resolution.

Resolved, that the expulsion of Brother J—— D—— by Lodge N<sup>o</sup>. 139 be confirmed.

The Proceedings of a Grand Lodge lately established in the State of Missouri were received and referred to the Committee of Correspondence to examine and report thereon.

The Committee to whom was referred the Circular Letter of Lodge N<sup>o</sup>. 43, held in the City of Lancaster, made report which was read and is as follows:

To the Right Worshipful the Grand Lodge of Pennsylvania.

The Committee to whom was referred the Circular Letter directed to the Right Worshipful Grand Master, by a Committee of Lodge N<sup>o</sup>. 43, held at Lancaster, being an address from said Lodge to the different subordinate Lodges in the State, containing a statement of their grievances, and recommending that a General Convention of Delegates from the different subordinate Lodges throughout the State, to take into consideration the interests of the fraternity and to devise some mode of remedying the evils complained of, be holden at Harrisburg on the first Monday of January next,

Respectfully Report:

That having assembled to perform the duty assigned them, a Communication from the Right Worshipful Grand Master

to Lodge N<sup>o</sup>. 43, in reply to the Circular Letter of that Lodge, was submitted to their consideration, unanimously approved, and the Right Worshipful Grand Master requested to forward the same without delay when approved by the Right Worshipful Grand Lodge.

That your Committee place much reliance upon the efficacy of the kind spirit, candid statements, accurate details, and earnest exhortation of the above mentioned communication to restore Lodge N<sup>o</sup>. 43 to a just and lasting sense of its Masonic duty; and although anxious and determined to maintain the paramount and inherent sovereignty and dignity of the Right Worshipful Grand Lodge, they wish scrupulously to avoid any hasty or vindictive severity. They therefore beg leave to offer and recommend for adoption, the following resolution:

Resolved, that this Grand Lodge view with extreme regret and decided disapprobation, the conduct of Lodge N<sup>o</sup>. 43, as made known to them by the Circular addressed to the Right Worshipful Grand Master, and that they only refrain until the first Monday of November next from an exercise of their Constitutional power to vacate the Warrant of said Lodge, in the expectation that a Communication from the R. W. Grand Master, conveying distinct information and fraternal remonstrance will induce Lodge N<sup>o</sup>. 43 immediately to retrace its steps and return to its Masonic obedience and faith.

Resolved unanimously, that this Grand Lodge do highly approve of the calm, dignified and affectionate Letter to Lodge N<sup>o</sup>. 43, just read by the R. W. Grand Master, and that the thanks of this R. W. Grand Lodge be presented to him for the paternal zeal with which he has devoted himself to the investigation of the important subjects involved in it.

The Committee of Finance made Report on the Accounts of the Building Committee which was read and laid on the Table. A Letter from Bro. Joseph S. Lewis, to the Committee of Finance was also read and laid on the Table.

A Communication was received from the Building Committee and read and is as follows :

The Building Committee beg leave to state to Grand Lodge that a Number of Brethren desirous that the Figures of Hope and Charity should be carved by M<sup>r</sup>. Rush to ornament the Grand Lodge room subscribed a sum for the purpose and the Figures were accordingly prepared the Cost of which was \$ and that a part of the Money has been collected and paid to M<sup>r</sup>. Rush leaving a balance due him of \$44.00.

Though not particularly within the province of the Committee, yet feeling as Members of the Fraternity that a Masonic pledge has been given to M<sup>r</sup>. Rush, they conceive the Grand Lodge should take measures to have the balance paid and therefore offer the following Resolution, viz :

Resolved, that a Committee of Members be appointed to collect the sums subscribed which are yet unpaid.

Grand Lodge proceeded to the consideration of the report of the Committee on the Appeal of T—— M. H—— from a Vote of expulsion passed against him by Lodge N<sup>o</sup>. 115, which was read and is as follows :

To the Right Worshipful Grand Lodge of Penn<sup>a</sup> :

The Committee to whom was referred the Appeal of T—— M. H—— from a Vote of expulsion passed against him by Saint John's Lodge, N<sup>o</sup>. 115,

## Respectfully Report,

That in pursuance of the duties of their appointment, they assembled at the Masonic Hall on the 14<sup>th</sup> of June instant when the Appellant and the Representatives of Lodge N<sup>o</sup>. 115 appeared and the Committee prepared to examine their respective proofs and allegations. From the records of the Lodge it appears that the Appellant was its Secretary during the year 1821, and in that capacity received and disbursed a portion of its funds. That a Committee were appointed to examine and report on the Accounts of the late Secretary and Treasurer, who reported a balance in the hands of the Appellant amounting to \$94.50. That at the Meeting in February, 1822, a Committee was appointed by the Lodge with directions to receive and pay over into the hands of the Treasurer the amount, which Committee was vested with authority to make Brother Hall such allowance as to them might seem equitable and just. At the stated meeting of the Lodge in May the Committee reported that they had examined the Accounts in the presence of Brother H——, that they were satisfied with the correctness of the same, that they had requested payment of Brother H—— without success, that they were induced to defer reporting at the Meeting in April at the instance of Brother H—— who promised payment early in March, and that he not only neglected but evinced no disposition to comply with this engagement. On the same Evening, Brother Samuel Black, Past Master of Lodge N<sup>o</sup>. 115, preferred a written charge for unmasonic conduct against Brother H——, and prayed a Committee might be appointed to investigate his conduct, upon which the Worshipful Master with the Approbation of the Lodge appointed a Committee of five Members to enquire and make report on the same. Brother H—— not being present at this Meeting, the Committee furnished him with a Copy of the charges, and a Notification of the place and time of their Meeting. The Committee having met in pursuance of their notice adjourned to meet on the 27<sup>th</sup> of April, of which adjournment and place and time of Meeting Brother H—— was furnished with due and timely notice. At neither Meeting did Brother H——

attend and at the last, four of the five of the Committee decided that he was guilty of the charges preferred against him and recommended his expulsion. On the 29<sup>th</sup> of April, ten days before the Meeting of the Lodge, the Chairman of this Committee furnished Brother H—— with a Copy of their intended Report, at the same time informing him that it would be laid before the Lodge at its next stated night of Meeting. On the seventh of May at the said Stated Meeting the report of the Committee was presented, Brother H—— being present and after considerable discussion adopted and Brother H—— expelled.

The grounds on which Brother H—— claims a reversal of this decision are various and as some of them are supposed to involve ancient and important usages of the Order, your Committee have thought it judicious to spread them all on the face of their report in order that the Appellant might have the benefit of the opinion of the Grand Lodge upon them if he should be dissatisfied with theirs. They are

First. That the appointment of the Committee of enquiry on the Petition of Brother Black was irregular, inasmuch as the Master of the Lodge voted twice on the question of their appointment, viz: Once as a Member and a second time by giving the casting vote in his official capacity the Votes being equal.

Second. That Brother H—— had not a Months Notice of the report of the Committee, nor was he cited to appear before the Lodge and shew cause why he should not be expelled.

Thirdly. That the expulsion took place after Working hours, it being half past eleven o'clock before the final Vote was taken.

Fourthly. That the whole merits of the case did not justify the course taken by the Lodge, or authorize expulsion.

The correctness of the First exception depended on a variety of discordant and conflicting Testimony, but from the weight of which, the Committee are of Opinion that when a division of the question on the Appointment of the Committee was called for the Worshipful Master and three other Brethren of the Lodge rose in the Affirmative and four Brethren having

risen in the negative the vote became equal, when the Master gave the casting vote in the affirmative and the resolution of Brother Black was carried. Your Committee after the best reflection they could bestow upon the subject are of opinion that the Master possessed the right asserted in this case according to the parliamentary rules laid down in the best authorities and pursued by the most dignified bodies, nor have they been able to discover any Masonic usage that abridges the otherwise plenary powers of a Master in this particular, and reduces his weight in the deliberations of his Lodge to the mere right of a casting vote on an equally divided question.

The second exception is also in the opinion of your Committee unsupported by precedent and principle.

There is nothing in the Bye Laws of Lodge N<sup>o</sup>. 115 or in those of the Grand Lodge, which designates the precise period of notice to be given to an offending Brother, leaving it, it is apprehended only a question of reasonableness under the circumstances of each case which may arise, and even if such a rule did exist your Committee are of opinion that this case would form a clear exception to it. Brother H—— had notice of the appointment of the Committee, of their time and place of meeting and finally of their intended report long before the meeting of the Lodge. He was present when it was discussed, took part in the debate in opposition to its adoption in which he was zealously supported by his friends, by whose tenacity the meeting was unusually procrastinated. It would be a satire on Common sense that an Individual should be permitted to appear and enter into the merits of his cause before any Tribunal, Masonic or Civil, and after an adversary decision was pronounced against him, be permitted to urge the insufficiency of the Citation on which he appeared and answered. Such demonstration never can be tolerated and in every code, appearance and defence is a waiver of anterior errors if any exist.

The third exception in the opinion of the Committee is equally without foundation and comes with an ill grace from the Appellant, whose friends occupied the floor with the exception of a few Minutes from ten o'clock until the Vote took

place. The rules regulating the time of meeting are adopted to suit the convenience of the Lodge and differ in the different Lodges under the Jurisdiction of this Grand Lodge. A reasonable interpretation must be given to this as every other rule and that, in the opinion of your Committee is, that new work ought not to be commenced after the working hours, but that work progressed in before may be completed, although it should occupy the Lodge beyond its ordinary hours. The adoption of the precise construction contended for, would in the opinion of your Committee, throw an unnecessary obstruction on the labours of the subordinate Lodges and unsettle proceedings heretofore considered regular.

On the exception to the merits your Committee are also of opinion that the appellant has failed in making out his objections.

Although some indefinite statements were made as to supposed mistakes in Brother H——'s accounts, yet it was agreed on all hands that at the time of his expulsion he had and still has considerable funds belonging to the Lodge which he has omitted paying over to the Treasurer or other persons prescribed by the Lodge.

The offense being ascertained, the only enquiry is whether it is of that Character to justify the severe punishment inflicted by the Lodge on the offender.

Your Committee conceive there can be but one opinion on this subject and that all will agree that he who so abuses the trust reposed in him and misappropriates a fund devoted to the fulfilment of the first obligations of humanity ought to receive the highest Masonic punishment.

Your Committee therefore recommend the following resolutions.

Resolved, That the Appeal of Brother T—— M. H—— from a Vote of expulsion passed against him by St<sup>t</sup> John's Lodge, N<sup>o</sup> 115, be and is hereby dismissed and the proceedings of the said Lodge affirmed.

EDWARD KING.  
CHAR<sup>s</sup>. STOUT.

Which report was adopted.

Grand Lodge proceeded to the consideration of the report of the Committee of Finance on the Accounts of the Building, Gas and Furnishing Committees, which was read and is as follows, to wit :

To the Right Worshipful Grand Lodge of Pennsylvania :

The Committee on Finance to whom were recommitted the annexed accounts with the additional Vouchers produc'd on the 3<sup>rd</sup> July last, Beg leave to report,

That after a careful examination of these accounts and having compared them with the Vouchers they find the same to be correct with this exception only, that the sum of One Hundred Dollars received from M<sup>r</sup>. William Britton for Brother Newcomb's donation towards the rebuilding of the Hall has not been accounted for to the Grand Lodge, with a reference therefore to the accompanying Letter of Brother Joseph S. Lewis to the Committee of Finance they respectfully offer the following resolution :

Resolv'd, that Brother Joseph S. Lewis be requested to account to the Grand Lodge for the One Hundred Dollars received from M<sup>r</sup>. W<sup>m</sup>. Britton.

Philadelphia, 11<sup>th</sup> Sep<sup>r</sup>. 1822.

BERNARD DAHLGREN,  
WILLIAM PAGE,  
ROB. TOLAND,  
W<sup>m</sup>. MAYWEG.

The Letter of Brother Lewis accompanying the above report was read and is as follows, to wit :

Philad., September, 2, 1822.

Sir,

Your Note of 9 July has been laid before the Building Committee in answer to which I am desired to say,

1. That the Amount of the Credit given by the Committee for the donations received, is they believe to be correct ; for the particulars they refer to the Grand Secretary into whose hands the lists were delivered by order of the Grand Lodge.

2. As to the Error in the payment to Mr. Britton.

I beg leave to reply individually, Bro. B. Newcomb who contributed One Hundred Dollars paid it by an order on Mr. Britton payable in Lumber, in consequence of which the order was delivered the Superintendent with direction to him to take payment in that article. Sometime after the Building Committee settled Mr. Britton's account and drew an order on the Treasurer for the whole amount and also a Check for the same sum on Girard's Bank. On the day I paid the order I put a receipt on B. Newcomb's order in the following form and words, viz :

The Amount of the above has been rec <sup>d</sup> by me.	
for Samuel Webb	Feb. 24, 1820.
in settlement of Account.	JOSEPH S. LEWIS.

In this lapse of time it is utterly impossible for me to recollect the circumstances of the transaction, but of this I am certain, (from an examination of my Cash Account and from my usual manner of keeping my Accounts), that if I received the amount I paid it over to Bro. Webb who feels he says equally certain that he never received the Amount.

It is a possible Circumstance that in giving Mr. Britton a receipt for the 100 Ds. and delivered him the Check for 157.34/100 Ds. that I did not deduct the 100 D<sup>s</sup> under an Idea that the order and Check were drawn for the balance due Mr. Britton after deducting the 100 D<sup>s</sup> of Mr. Newcomb and this opinion is I think confirmed by the Nature of my receipt, because if I had received the Money from him by changing the check on the Bank, I should have said simply "rec<sup>d</sup>. payment for S. Webb" and not "in settlement of Account." I have called on Mr. Britton who states he received only 57.34/100 D<sup>s</sup> and shewed me his Ledger posted in that way.

Let the thing be as it may one thing is sure, that the Grand Lodge has not received the amount and it will be for the R. W. Grand Lodge to determine whether the circumstance of the business through my hands in the execution of the office

of Grand Treasurer make me liable or not to account for it.  
I shall bow to their decision be it as it will.

I am resp.,

Your Bro<sup>r</sup>.

JOSEPH S. LEWIS.

Bro.

B. Dahlgren, Esq<sup>r</sup>.

Chairman Committee of Finance.

On Motion of Brother Kittera and Seconded, the report of the Committee was amended by striking out the resolution therein and inserting the following substitute.

Resolved, that under the peculiar circumstances of the case, the Grand Treasurer be not held accountable for the sum of One Hundred Dollars referred to in the report of the Committee of Finance and the Letter of the Grand Treasurer accompanying said report.

The said report as amended was then adopted.

The Committee to whom was referred the Complaint of Brother C. R. Bowen against Lodge N<sup>o</sup> 52, made report which was read and is as follows :

The Committee to whom was referred the petition of brother C. R. Bowen, Senior W. of Lodge N<sup>o</sup> 139,  
Respectfully Report,

That a Resolution of the Grand Lodge of the 1<sup>st</sup> of March, 1819, direct that the mode of admitting visiting Brethren in the subordinate Lodges shall be by Motion made and seconded. It appears that the Name of the Petitioning brother was announced in Lodge N<sup>o</sup> 52, but no Motion made for the brother's admission.

The Committee in the course of this enquiry have heard nothing in the smallest degree to affect the Character or Standing of the Brother. Nor have they any reason to suppose that in the conduct of the Master or Members of Lodge N<sup>o</sup> 52 there was any intention as is stated in the petition to offer an insult to this Grand Lodge.

They therefore offer for adoption the following Resolution :

Resolved, that Brother C. R. Bowen be allowed to withdraw his Petition.

TH. KITTERA, }  
ROB. TOLAND, } Committee.  
B. DAHLGREN, }

Oct. 21, 1822.

Which report was adopted.

A Letter was received and read from Lodge No. 138, held at Orwigsburg, enclosing Sixty Dollars on Account of dues, and stating that the remainder would be paid at the next Grand Communication and of their intention to apply for the remission of the dues of sundry Members who had withdrawn from the Lodge without paying up their dues. It further stated that new life and new zeal had Sprung up in the Lodge and they were beginning to flourish again and hoped to be in a short time on a footing with the most punctual and zealous in the State. Which was ordered to be filed.

A Petition was received and read from F—— B. S——, stating that he some time since made application to Doylestown Benevolent Lodge, No. 168, for Initiation. That the Committee reported favourably but on a ballot being taken he was rejected. That he had good reason to believe that through some personal and political Motives One or two of the Members of said Lodge were induced to Vote against his admission. And conceiving that such motives ought never to influence the conduct of any Mason to deprive a Citizen of good standing from ever becoming a Member of the fraternity, and holding the principles and Morality of the order in the highest veneration. Therefore, prays This R. W. Grand Lodge to reinstate him in his former standing so that he may have an opportunity of applying again to the said Lodge No. 168 or to some other adjacent Lodge for admission. Resolved, that the Grand Secretary be directed to transmit a Copy of the foregoing resolutions to each person, who was a Member of the said Lodge at the time of the suspension of its Warrant.

The R. W. Grand Master having laid before the Grand Lodge a printed Circular from Lodge N<sup>o</sup> 152, held at Easton, approbating the conduct of Lodge N<sup>o</sup> 43, and appointing Delegates to meet the proposed Convention at Harrisburg on the first Monday in January next, the following resolutions were adopted.

Resolved, that the Warrant of Lodge N<sup>o</sup> 152, be called in, and that the W. Master of that Lodge be, and he is hereby directed and required forthwith to return the same to the Grand Secretary.

Resolved, that until Lodge N<sup>o</sup> 152, shall return to its Masonic faith and allegiance and shall be reinstated in its

The Citations and the following communications were read by the Grand Secretary :

The proceedings of a Meeting of Masons held in the City of Lancaster which is as follows :

At a large and respectable meeting of free and accepted Masons, holden in pursuance of public notice, at the Lodge Room of late Lodge N<sup>o</sup>. 43, in the City of Lancaster, December 9, 1822, Gen. Henry Hambright, of Lodge N<sup>o</sup>. 46, Ephrata, was elected Chairman, and Dr. N. W. Sample, of Lodge N<sup>o</sup>. 104, was elected Secretary.

The object of the meeting having been stated by the Chairman, the several Communications of Lodge N<sup>o</sup>. 43 and the Grand Lodge were read ; whereupon it was,

Resolved, That a Committee of seven be appointed to draft such resolutions as should be expressive of the sentiments of the meeting respecting the unhappy difference between the Grand Lodge and late Lodge N<sup>o</sup>. 43.

The Chairman then appointed,

Joel Lightner,	.	.	of Lodge N <sup>o</sup> . 104.
Alexander L. Evans,	.	.	of Lodge N <sup>o</sup> . 116.
Lewis Wisler,	.	.	of Lodge N <sup>o</sup> . 169.
Gen. James Caldwell,	.	.	of Lodge N <sup>o</sup> . 104.
Dr. Jacob Moore,	.	.	of Lodge N <sup>o</sup> . 156.
James Sweeny,	.	.	of Lodge N <sup>o</sup> . 169.
Gardner Furniss,	.	.	of Lodge N <sup>o</sup> . 156.

Which Committee having retired, at 6 o'clock P. M. returned and submitted to the meeting the following preamble and resolutions.

The Committee to whom was referred the several Communications from late Lodge N<sup>o</sup>. 43, and from the Grand Lodge make the following Report :

That we have carefully examined the subject referred to us, and while we do most sincerely deplore the unhappy differences which now exist between the Grand Lodge and several of the subordinate Lodges, we do most heartily approve the course pursued by our Brethren of late Lodge N<sup>o</sup>. 43 held in this place.

A Convention of Delegates from the several Masonic Lodges in this State, we conceive to be the only legitimate body which can correct those errors that now exist in the administration of Masonic Jurisprudence in Pennsylvania, and we regret that this course has not met the approbation of the Grand Lodge.

We would therefore recommend to our Masonic Brethren in this State, to unite in their efforts to restore this ancient and honourable institution to its former purity. Therefore,

1. Resolved, That this meeting do approve the conduct of those who have resisted the unjustifiable requisitions of the Grand Lodge, and have recommended a Convention to correct those errors which sad experience proves do now exist.

2. Resolved, That the course pursued by the Grand Lodge, in opposition to the contemplated reformation, is unjustifiable and oppressive.

3. Resolved, That we will, notwithstanding the opposition of the Grand Lodge, persevere in our endeavors to purge the Masonic Temple and restore this Honorable Institution to its ancient splendour.

JOEL LIGHTNER,  
ALEXANDER L. EVANS,  
LEWIS WISLER,  
JAMES CALDWELL,  
JACOB MOORE,  
JAMES SWEENEY,  
GARDNER FURNISS.

Which preamble and resolutions being read, were unanimously adopted.

On Motion, Resolved, That the proceedings of this Meeting be signed by the Chairman and Secretary, and Copies thereof be forthwith transmitted to the Grand Lodge and the several subordinate Lodges in this Commonwealth.

N. W. Sample, Secretary. Henry Hambright, Chairman.

A Communication from Lodge N<sup>o</sup>. 82, held at Milford, Pike County, on the subject of the differences between the Grand Lodge and late Lodge N<sup>o</sup>. 43, disapproving of the proceedings of the said Lodge and declaring it inexpedient to appoint Delegates to attend the Convention to be held at Harrisburg.

A resolution passed by Lodge N<sup>o</sup>. 104, held in Lancaster County, appointing delegates to attend the proposed convention at Harrisburg.

A Communication from Lodge N<sup>o</sup>. 179, held in Pike County, respecting the differences between the Grand Lodge and Lodge N<sup>o</sup>. 43 and disapproving of the proceedings of said Lodge.

A Letter from Philip Reitzel dated Reading, December 12, 1822, stating in substance that he was a Member of late Lodge N<sup>o</sup>. 43, that he was not present when the proceedings alleged to be censurable took place and therefore of course he presumed he would not be considered as having taken any part in the measure, that he always felt the propriety of his allegiance to the Grand Lodge and is disposed to support it in any regular proceeding.

Brother George B. Porter produced and read a written authority from 37 Members of late Lodge N<sup>o</sup>. 43 appointing Brothers Molton C. Rogers, James Buchannan, George B. Porter, Ebenezer Wright and Henry Keffer to appear for them in the Grand Lodge.

Brother George B. Porter read and offered the following Protest, which was ordered to be inserted on the Minutes :

To the Right Worshipful the Grand Lodge of Pennsylv<sup>a</sup> :

We the undersigned in behalf of ourselves and those whom we represent by Virtue of the power hereunto annexed for the reasons hereinafter stated, do most solemnly protest against the power, Authority and Jurisdiction of the Grand Lodge in the matter now under consideration.

The Grand Lodge have thought proper to cite us to appear on this day to shew cause why we should not individually be suspended from our rights and privileges as Masons. That the Grand Lodge have power to issue such a Citation, and to carry into effect the threats therein contained we do most explicitly deny. If this power be contained in the written Laws by which that body is governed we have not been able to find it. It is not derived from immemorial usage, for we believe this is the first attempt of the kind in the annals of Masonry. That a subordinate Lodge has power to suspend or expel its Members for unmasonic conduct we will not deny. But that the Grand Lodge should possess the power to suspend from the enjoyment of Masonic privileges, Individuals not members of that body, we never will admit. Were it so, wretched indeed would be the situation of those who reside at a distance. They might be cited four times a year to attend before the Grand Lodge and be compelled to travel twenty four hundred Miles annually to answer trifling complaints before that body ; and Masonry instead of being a blessing, would be the greatest curse imposed on the human race and We, instead of being *free* would in fact be the Children of the severest Bondage. If the Grand Lodge possess any power or jurisdiction similar to that which is now claimed, it is only appellate, not original. A sense of duty which we owe this ancient and honorable Institution has induced us to withstand this usurpation of power, which can only terminate in the destruction of that wisdom, strength and beauty which has hitherto ornamented and supported our Masonic fabric.

Whatever jurisdiction or authority the Grand Lodge may have claimed over us individually while acting under their authority, they have lost by their inconsiderate and as we think, unjustifiable conduct. Lodge N<sup>o</sup>. 43, having voluntarily surrendered its Charter, We are neither Members of the Grand Lodge of Pennsylvania nor of any subordinate Lodge under the jurisdiction of that body. As well might the Grand Lodge of Massachusetts or South Carolina call on us to appear individually before them, or be suspended from the

enjoyment of our Masonic Privileges. Terrible indeed would be the consequence which would result to the Craft, were it admitted that this or any other Grand Lodge possessed this power. The Grand Lodge have without notice, without an accusation and without an hearing attempted to dissolve our Lodge, call in our Warrant and to abolish our Chartered privileges; and now to make the despotism more effectual they claim the right to suspend us individually from the enjoyment of those few privileges which remain. To submit to this usurped authority would indeed render us the fit subjects of despotic rule. An imperious duty which we owe ourselves, to our Masonic Brethren throughout the world and to posterity, has induced us to resist this authority and absolutely deny the jurisdiction now attempted to be established.

We do therefore for ourselves, and those whom we have the honor to represent, most solemnly protest against the power, Authority and Jurisdiction of the Right Worshipful Grand Lodge of Pennsylvania to suspend individually the Members of late Lodge N<sup>o</sup>. 43.

EBEN WRIGHT,

In Grand Lodge,  
Dec. 16, 1822.

On Motion of Brother King and Seconded, the following resolution after being discussed on the part of the Grand Lodge and by the Committee of late Lodge N<sup>o</sup>. 43 was adopted:

Resolved, that this Grand Lodge have jurisdiction in the case of the Members of the late Lodge N<sup>o</sup>. 43 and that the protest of said Lodge be and is hereby overruled.

The Committee from N<sup>o</sup>. 43, then read and presented the following demand and claim, which was ordered to be entered on the Minutes:

The Right Worshipful Grand Lodge of Pennsylvania having disregarded our Protest and decided that they have

jurisdiction of the subject now before them, relative to the individual suspension of the Members of late Lodge No. 43, We the undersigned, in behalf of Ourselves and those whom we represent claim to be furnished with a specification of the charge or charges which are alleged against us.

We are induced to make this demand from a thorough Conviction of Our right to claim the same. In Our Civil government this right is guaranteed to us by our Constitution, and no Citizen can be deprived of it even by Military Law. It will not therefore we presume, be pretended that in a Society where all the proceedings are intended to be regulated by the *Square* of Virtue, the *Plumb line* of Integrity and the *Level* of Equality, this privilege will be denied.

If the Grand Lodge will condescend to specify that un-masonic conduct which would justify them in suspending us from the enjoyment of our Masonic privileges, we will give such an answer as will justify the course which we have pursued to every "rational and thinking mind."

We also demand the Name of Our *Accuser*. This too we claim as a right. Perhaps that Accuser is influenced by un-masonic principles. We may be able to convince this Grand Lodge that he is more deserving of censure than those whom he accuses; and that instead of being influenced by a regard for the institution he is impelled by disappointed ambition and personal animosity.

We further claim as our indefeasible right, time to prepare for our defence and a full and fair trial before a Grand Quarterly Communication of the Grand Lodge. It cannot be pretended that an Extra Meeting is a proper time to try a Question of so much importance to the Fraternity. This question is of the utmost importance to Individuals, to Subordinate Lodges, and to the Grand Lodge and we hope and trust a sense of Honor, Dignity and Justice, will prevent the Grand Lodge from acting on it in a hasty or inconsiderate manner.

These claims we make for ourselves and those whom we represent. Should they be allowed, we think we shall be able to convince every unprejudiced mind, that instead of censure

we deserve applause for our zeal in this "Great and Glorious Undertaking."

In Grand Lodge,  
Dec. 16, 1822.

Brother James M. Porter stated that the proceedings had arrived at that stage, that he judged it proper to begin with the business of the Members of the late Lodge N<sup>o</sup> 152, and read and offered the following protest:

To the Right Worshipful the Grand Lodge of Penn<sup>a</sup> :

The Subscribers appearing for and in behalf of the Members of Easton Lodge, N<sup>o</sup> 152, having this day learned from the Grand Secretary, that on the 18<sup>th</sup> day of November last, the Members then present of the Grand Lodge thought proper, at an adjourned Meeting, to suspend the Warrant of the said Lodge N<sup>o</sup> 152, because the said Lodge on the 31<sup>st</sup> day of October last adopted the report of a Committee appointed by the said Lodge on the controversy which grew out of the proceedings of Lodge N<sup>o</sup> 43 (held at Lancaster) of the 10<sup>th</sup> of July last, Do protest against the said decision of the Grand Lodge as unmasonic, contrary to what is alleged to be the 13<sup>th</sup> Article of the Constitution of the said Grand Lodge and a hasty, vindictive, arbitrary and tyrannical proceeding, inconsistent with the principles of Masonry and calculated to much mischief and no good.

JAMES MADISON PORTER, W. M. Lodge N<sup>o</sup> 152,  
ABRAHAM MILLER, S. Warden of Lodge N<sup>o</sup> 152.

Philadelphia,  
Dec. 16, A. L. 5822.

Brother Randall, Grand Master, stated that the Grand Secretary had forwarded to Bro. Spering, the W. Master of Lodge N<sup>o</sup> 152, the resolution of the Grand Lodge calling in the Warrant of said Lodge, but in consequence of the absence of Brother Spering from Easton, the Members it appears did not receive the notice.

Brother James M. Porter also read and offered the following Communication from the Members of the late Lodge N<sup>o</sup>. 152 :

To the Right Worshipful Grand Lodge of Pennsylvania :

A Number of the Members of Easton Lodge, N<sup>o</sup>. 152, having received through Mail, a Citation to appear before the Right Worshipful the Grand Lodge of Pennsylvania, on the third Monday of December, A. L. 5822, to shew cause why they shall not individually be suspended from their rights and privileges as Masons, until they shall return to their fidelity and allegiance to the said Grand Lodge. The undersigned Members of the said Easton Lodge, N<sup>o</sup>. 152, being wholly unaware that they have in any respect departed from their allegiance to that right Worshipful body, and protesting their entire innocence of any such charge or imputation, respectfully solicit that they may be furnished with the charges, and the particular instances of misconduct, want of allegiance or fidelity, whereon the said Citation has been founded.

As Masons they conceive that they are entitled to this information that they may be prepared to meet their accusers face to face, and have an opportunity of refuting any charges that may be preferred against them, tending to prejudice their Characters and standing as Members of the fraternity, as Citizens. They value their Masonic privileges too highly to be indifferent to a Citation which may have for its object the deprivation of those rights and privileges, and being thus anxious on the subject, they trust that the right Worshipful Grand Lodge will see the propriety of this their request.

The undersigned have always cherished and they trust they ever will be permitted to cherish, the highest respect for that right Worshipful body whence as a Lodge they emanated. They wish to cultivate harmony not only with their Brethren of the Grand Lodge, but with the whole fraternity. It may have been in relation to certain matters which now unfortunately distract the fraternity, it has been the misfortune of the Members of Easton Lodge, not to agree in opinion with their Brethren of the Grand Lodge. None of the fraternity can more sincerely deplore the differences above alluded to, than the undersigned, And if in the expression of their honest

opinion, upon the best lights which have been afforded them, they have been in error, they are ready and willing, upon being convinced that such opinion is wrong, to retract such erroneous opinion and acknowledge that they have erred in Judgment, which they protest they have not in intention. But they cannot believe that a difference in opinion, honestly entertained and frankly expressed ought to expose them to the severe punishment of being deprived of their Masonic rights and privileges. They have always believed that an honest difference of opinion neither is, nor can be criminal. That intention is always the essence of crime.

They therefore respectfully solicit the Grand Lodge to appoint a Committee to enquire into their conduct. That such Committee be composed of brethren who have not entered with warmth into the subject which agitates the fraternity. That the accused may be made acquainted with the charges preferred against them and that they may have time fully to prepare and make their defence, which at present they are unable to do.

The undersigned conclude their request by again assuring the Grand Lodge that they are desirous of cultivating harmony. That they wish to see brotherly love prevail. They wish not to arrogate rights which they do not possess and they deprecate precipitancy and warmth, which may lead to consequences more easily regretted than remedied.

They beg leave to subscribe themselves

Participating in the measures adopted by Lodge N<sup>o</sup>. 43 to call an illegal and unconstitutional Convention of Masons to review the location, organization and measures of the Grand Lodge of Pennsylvania and to apply remedies for supposed grievances under which its subordinate Lodges are alleged to labour, thereby denying the supremacy and subverting the legal authority of the Grand Lodge over the Craft under its Jurisdiction.

said Lodge in the Spanish Language were also presented and referred to Brothers Joseph S. Lewis, James W. Murray and T. B. Freeman to examine and report thereon.

Lodge N<sup>o</sup>. 183, held in Tredyffring Township, Chester County.

Return to Dispensation to Constitute said Lodge was presented whereby it appeared that said Lodge was duly constituted on the 26<sup>th</sup> day of September last.

A Communication was received and read from Olive Branch Lodge, N<sup>o</sup>. 114, held at Leesburg, Virginia, informing of the rejection of H—— D——, a clock and Watch maker, a Swiss by birth, who occasionally goes from that place to Philadelphia, and will endeavor to gain admittance into some Lodge. Which was ordered to be filed.

A Petition was received and read from Brother T—— G—— appealing from a Vote of expulsion passed against him by the late Lodge N<sup>o</sup>. 22, lately held at Sunbury, which was referred to the Worshipful Master, Senior and Junior Wardens of Lodge N<sup>o</sup>. 148, held at Northumberland, to enquire and make report.

On Motion and Seconded,

Resolved, that the Report of the Building Committee on the call to surrender the Books and Vouchers relative to the disbursements made by the Superintendent be made the order of the day for the next adjourned Meeting of the Grand Lodge.

An Account was rendered by the Committee of Charity of the state of the Charity Fund which was ordered to be filed.

The Committee to whom was referred the communication from the Hall Committee relative to William Rush's Bill made report which was read and is as follows:

The Committee to whom was referred the Application of the Building Committee relative to M<sup>r</sup>. Rush's Bill,

Respectfully Report,

That all the figures were ordered by Members of the Building Committee at the same time, without apprizing the Artist that there was to be any difference in the mode of payment. The G. L. was relied on for payment, and if the Committee have erred there is no reason why the artist should suffer. They are therefore decidedly of opinion that the G. L. should pay the balance due M<sup>r</sup>. Rush.

It does not appear that the G. L. has paid for what beyond all doubt, the Building Committee ordered. Mr. Rush's Bill Consists of charges for 3 figures, each 60\$, and 2 Cornucopia's, 30\$, making in the whole 210. Of this sum the subscribers to the paper handed the Grand Lodge were liable for 2 figures, 120\$. The Grand Lodge for One figure, 60, and 2 Cornucopias, 30, of which they have paid but 60, leaving a balance due of 30\$. The whole amount due Mr. Rush is but forty four Dollars, which will leave a balance of fourteen dollars, which ought to be refunded the G. L. by the brethren who have subscribed for the payment of the figures of Faith and Hope. Your Committee do not think that the Grand Lodge can with any propriety appoint a Committee to collect the subscriptions; this should be done by the Brethren who have subscribed; it is a matter with which the G. L. has no concern.

They therefore submit as a substitute for the Resolution offered by the Building Committee the following:

Resolved, that the Treasurer pay W. Rush the Sum of 44\$, the amount of his bill against the G. L.

Resolved, that it be recommended to the Brethren who have subscribed a paper offering to pay for the figures of Hope and Faith to collect the sum of 14\$ and refund to the Grand Lodge that sum paid for them.

TH. KITTERA,	} Committee.
S. WONDERLY,	
CHARLES PIERCE,	

On Motion, said report was amended by striking out the last resolution and inserting the following substitute:

Resolved, that the subscription paper to procure the figures of Faith and Hope be handed to the Grand Tyler, and that he be authorized to collect the subscriptions remaining unpaid.

The report as amended was then adopted.

The Committee to whom was referred the Application from Lodge N<sup>o</sup>. 143 soliciting donations to aid in the erection of a Masonic Temple, made report which was read, amended, adopted as amended and is as follows:

The Committee appointed on the 4<sup>th</sup> November last to take

into consideration the Application of George Washington Lodge, N<sup>o</sup> 143, Chambersburg,

Report,

That the object contemplated by the Petitioners in their circular address requesting pecuniary aid for the purpose of erecting a Masonic Lodge, is of a nature that meets the most decided approbation of the Committee and they accord perfectly with the worthy Brethren who require our assistance in the propriety of the measure, and sincerely wish they may be successful in founding and erecting a respectable Masonic Temple, wherein the works of Brotherly love and Charity may be conducted in a manner that may tend to the comfort, harmony and good order of the Craft.

Your Committee have however to acknowledge that on the part of the Grand Lodge, our good wishes are at this time to be substituted for more efficient aid. The resources of the Grand Lodge being at present entirely appropriated, they are unable to draw from the funds of the G. L. any portion for the laudable purpose requested. Your Committee are however unwilling to let the opportunity pass over without recommending to the Notice of individual Members, the propriety of aiding and assisting in the contemplated subscription ; they therefore respectfully submit the following resolution :

Resolved, that a Committee of three be appointed to open a subscription in aid of the intended Masonic building to be erected in Chambersburg, and that the Members of the Grand Lodge be invited to subscribe thereto.

Resolved, that in lieu of the Monies drawn from the General Funds of the Grand Lodge towards the reconstruction of the New Hall and which were applicable to the Sinking Fund, the Right Worshipful Grand Master be and he is hereby authorized and respectfully requested to issue a Certificate in favour of the Board of Trustees of the Masonic Loan in the sum of \$3,700, bearing interest at 6 ¢ Cent per Annum, payable half yearly, as an investment for the benefit of the Sinking Fund.

ROB. TOLAND,		

Philadelphia,

2 Dec., A. L. 5822.

Which report and Resolutions were adopted.

The Committee of Correspondence made report which was read and is as follows :

To the Right Worshipful the Grand Lodge of Pennsylvania :

The Committee of Correspondence having had under consideration the several matters submitted to them,

Respectfully Report,

I. That the correspondence with the Grand Lodge of England, for several years interrupted, having been happily renewed, ought to be sedulously maintained by the regular transmission of the proceedings of this Grand Lodge.

The Union of the Ancient and Modern G. Lodges of England has rendered it highly important to this Grand Lodge, in common with all Masons of the York ritual to learn the principles on which that union is based. And though former efforts of this Grand Lodge to obtain information on this subject have been ineffectual, your Committee are of the opinion that further endeavours may prove successful, and therefore they recommend the adoption of the following Resolution :

Resolved, that the Grand Secretary be and he is hereby instructed to communicate with the Grand Lodge of England, as with other G. Lodges in regular correspondence with the G. Lodge of Pennsylvania ; and that he be directed to request from the G. L. of England full information with regard to the principles, which have governed the Union of the Ancient and Modern G. Lodges of that Kingdom.

II. The Communication from the G. Lodge of Hamburg, relative to the refusal of Ohio Lodge at Pittsburg to receive

the visit of August Henrick Glazier, cannot be acknowledged according to the established principles of G. Lodge, It being apparent that the Hamburg G. Lodge is composed of Modern Masons, and that Mr. Glazier has been initiated after their manner. This fact forms an ample justification of the Lodge at Pittsburg, of which Mr. Glazier had complained. On this subject your Committee submit the following resolution :

Resolved, that the Committee of Correspondence be discharged from the further consideration of the Communication from the G. Lodge of Hamburg.

III. Several Communications from the Grand Lodges of New York and Vermont have been referred to your Committee. They do not observe in them any matters requiring the special notice of this G. Lodge, But they would recommend that due care be taken by the Grand Secretary to preserve our correspondence with them by the punctual transmission of the proceedings of this Grand Lodge.

IV. The Grand Lodge of the District of Columbia transmitted a copy of their proceedings to this G. Lodge in 1815, unaccompanied by the customary form of announcing the establishment of a G. Lodge and without a request for recognition by this G. Lodge. Under these circumstances this G. Lodge delivered the usual correspondence with that of the District of Columbia. These omissions have been supplied by a communication in 1818, containing a narrative of the lawful establishment of that G. Lodge and notice of its correspondence with most of the G. Lodges of the United States, and with that of England, and a request that the G. Lodge of Pennsylvania will admit them to its fraternal intercourse. To this your Committee think that the G. Lodge of the District of Columbia is fully entitled, and they regret that circumstances have hitherto prevented this Grand Lodge from doing them justice. Your Committee therefore recommend the following resolution :

Resolved, that the G. Secretary be instructed to correspond with the G. Lodge of the District of Columbia, as with the other G. Lodges in correspondence with this Grand Lodge.

V. The Grand Lodge of Alabama was established in 1821

by a congregation of Six regular Warranted Lodges, and at the date of its communication to this Grand Lodge had twelve Lodges working under Warrants and two by dispensation within its jurisdiction. That G. Lodge solicits the correspondence of this, and your Committee offer the following resolution :

Resolved, that the Grand Secretary be instructed to forward to the Grand Lodge of Alabama, the proceedings of this Grand Lodge as is done to all Lodges in regular correspondence therewith.

VI. The Grand Lodge of Missouri was established by the convention of three subordinate Lodges in Feb., 1821. Since that time it has received an accession of six other Lodges and had at the time of its last communication nine Lodges working under its jurisdiction. It does not appear to your Committee that G. Lodge has been recognized by the G. Lodge or Lodges from which the subordinate Lodges that established it received their Authority ; nor that it has been acknowledged by any G. Lodge whatever, though its Grand Master has been instructed to open a correspondence with the several Grand Lodges of the United States. It is however to be observed that little more than a year had elapsed between the establishment of the Grand Lodge of Missouri and its last communication to this G. Lodge, and that it may since have been recognized by the Grand Lodges in its vicinity and elsewhere.

Your Committee think there has been an irregularity in the formation of the Missouri G. Lodge from three subordinate Lodges. But this may have been cured by the accession of other subordinate Lodges since its erection. The right to organize a G. Lodge having therefore been conceded to every state on the adoption of a Constitution, Your Committee are of the opinion, that as the Grand Lodge of Missouri now consists of more than *five* Lodges, that the error of its original formation should be overlooked, and that it should be recognized by this Grand Lodge. They therefore offer the following resolution :

Resolved, that the Grand Secretary transmit the proceed-

ings of this Grand Lodge to the Grand Lodge of Missouri, as to other G. Lodges in correspondence with this G. Lodge.

All which is respectfully submitted,

THO. F. GORDON.

J. W. MURRAY.

The Committee to whom was referred the Petition of Francis B. Shaw praying the Grand Lodge to restore him to his former standing before he was rejected by Lodge N<sup>o</sup>. 168, made report which was read and is as follows :

To the Right Worshipful the Grand Lodge of Pennsylvania :

The Committee appointed to investigate into the Petition of Francis B. Shaw an Applicant for Membership in Doylestown Benevolent Lodge, N<sup>o</sup>. 168.

Respectfully Report :

That from the exhibits made to them it appears that the Appellant presented his Petition in the usual form to the Lodge on which a favourable report was made by the Committee to whom it was referred and on proceeding to a ballot M<sup>r</sup>. Shaw was disapproved by two Ballots. It further appears that M<sup>r</sup>. Shaw is a Man of unexceptionable Character and that no possible reason can be assigned which could justify his exclusion from the Masonic Fraternity. Your Committee have not conceived it expedient to pass any opinion upon the Motives which influenced the dissenting Brethren of Lodge N<sup>o</sup>. 168, as they conceive those Motives to be matters entirely between them and their consciences, but they are of opinion that this Grand Lodge ought never to ratify any Vote of rejection given on the application of an Individual, unless satisfactory proof is exhibited that his Character and principles are such as to render him an ineligible Member of the Craft. Such a confirmation necessarily operates as a complete and total bar to the rejected applicant from all Masonic Communion, a deprivation only justified by very strong circumstances.

Your Committee recommend the adoption of the following resolutions by this Grand Lodge :

Resolved, that the rejection of Francis B. Shaw by Lodge N<sup>o</sup>. 168 be and is hereby set aside and that Francis B. Shaw be restored to all privileges taken away by said Vote.

Resolved, that the Grand Secretary be directed to forward a Copy of this report and resolutions to Lodge N<sup>o</sup>. 168.

EDWARD KING,

DAVID BOYD.

Feb<sup>y</sup>. 3, 1823.

Which report and resolutions were adopted.

The Committee appointed to repair the Gas Works made report which was read and laid on the Table and the accompanying account and Vouchers were referred to the Committee on Finance to examine and report thereon.

The Committee to whom was referred the Accounts from the Etna Furnace for Stoves, and Backs and Jambs, &c., made report which was read and is as follows :

To the Right Worshipful the Grand Lodge of Pennsylvania :

The Committee to whom was referred, at the Grand Quarterly Communication held on the 4 of November last, all (except so far as relates to retorts) of two accounts received in a Letter from Brother Andrew M. Prevost,

Respectfully report,

That in relation to the *First Account*, being for eight large stoves in plates, (exclusive of finishing) made out by Benjamin B. Howell, Agent for the Etna Furnace, and in which the sum of \$75 per ton is charged, equalling in all \$548.30, made payable to Andrew M. Prevost, your Committee have experienced some difficulty.

It appears upon investigation that the only contract made on behalf of this R. W. Grand Lodge respecting these stoves, was effected in a conversation between Brother Joseph S. Lewis and the above named agent for the Etna Furnace, some time at the close of the year 1820 or commencement of the year 1821 ; that it was never reduced to writing and that it consisted of a brief engagement, on the one hand, to deliver eight stoves of the size and pattern received, and on the other, to pay for them at a rate not exceeding eighty dollars per ton.

Independent of the delay and other circumstances, which have Characterized its execution, Your Committee deemed themselves justified in considering the contract as controulable, in fact and in reason, by a reference to the then customary price of similar work and labor. They accordingly took great pains to ascertain the same with precision.

Their inquiries have been variably answered, but the conclusion fairly deducible from all the information collected is, that the Grand Lodge might certainly have had the eight stoves cast and delivered at the rate of sixty five Dollars for

the ton, notwithstanding the opinions of some Iron founders that seventy dollars was the usual rate and of others, that the job would have been cheerfully undertaken at sixty.

Your Committee learnt, upon scrutiny, that of the seventy five Dollars charged per ton in the bill, five dollars were in consideration of alleged extra trouble and expense incurred in the formation of flasks of the proper construction for these peculiar castings, which flasks, it was said, were of no subsequent value or use; with the extent of this charge, your Committee have not been satisfied and have been induced by inquiry, partially to reject it.

Anxious, however, to avoid litigation, and solicitous to comply satisfactorily with every just requisition, your Committee upon a review of all the circumstances connected with this Bill, have unanimously agreed to recommend to the Grand Lodge, that deducting fifty four dollars and eighty three Cents therefrom and considering \$65 as the customary price for the ton, and \$2.50 as an ample allowance for the extra expense and labor bestowed upon each flask, the charge be admitted at the rate of \$67.50 for the ton, and the claimant be paid \$493.47 in full discharge of his demand. Should, however, the claimant refuse to acquiesce in this reduction, the Committee respectfully suggest that it would be expedient, and no doubt agreeable to all parties, that the subject should be amicably submitted to a reference.

In relation to the *Second Account*, being for weights, backs and jambs, portorage, made out also by the above mentioned agent for the Etna Furnace, equalling the sum of One hundred and eleven Dollars, made payable to John C. Stocker, Your Committee have only been able to collect the following information :

A large quantity of weights of divers denominations were borrowed from the said Ben. B. Howell, for the use of the Grand Lodge, under a stipulation that should others be cast for the Grand Lodge at the Etna Furnace, these were to be received back again, if others were not cast at the Etna Furnace, these were to be retained by the Grand Lodge, paying for them the price of pig iron. Thirty seven weights of

fifty six pounds each, and ten of One hundred and twelve pounds each appear to have been returned ; for the prices of the residue, presumed to be those mentioned in the bill, of which similar ones were not cast at the Etna Furnace for the Grand Lodge, the Grand Lodge is responsible upon the terms specified. The contemporaneous price of pig iron was that stated in the Bill, to wit, forty dollars for the ton.

Concerning the backs and jambs and portorage, no doubt occurred in the minds of your Committee, and no difficulty has existed. They have, therefore, unanimously agreed to recommend to the G. Lodge the liquidation of this account, as it is presented.

Conformably to these views of the subjects referred to them, your Committee offer for adoption the following resolutions :

1. *Resolved*, that a Committee be appointed with authority and instructions to tender to Bro. Andrew M. Prevost the sum of \$493.47 as a full satisfaction of the first Account and if the same be rejected, with authority to Act on behalf of this Grand Lodge, in consenting to and conducting, an amicable reference.

2. *Resolved*, That an order be drawn on the Grand Treasurer in favor of John C. Stocker, for the sum of One Hundred and eleven Dollars, in discharge of the second Account.

3. *Resolved*, That this Committee be discharged from any further consideration of the subject.

THOMAS HARPER, }  
G. M. DALLAS,        }  
EDWARD KING,        } Committee.

The R. W. Grand Master stated, that Bro. A. M. Prevost had informed him that he was willing to accept the sum of \$493.47 as reported by the Committee in full satisfaction of his Account. Whereupon,

On Motion the first resolution in the report was amended so as to read as follows :

*Resolved*, that the R. W. Grand Master be authorized to draw an order on the Grand Treasurer in favor of Brother Andrew M. Prevost for the sum of \$493.47 as full satisfaction of the first Account.

The report and resolutions were then adopted.

A Petition was received from Lodge N<sup>o</sup>. 123 and read and is as follows :

York, Penn<sup>a</sup>. Jan<sup>y</sup>. 1823, A. L. 5823.

To the R. W. Grand Lodge of Pennsylvania :

The Subscribers, Committee of St. John's Lodge, N<sup>o</sup>. 123, appointed to obtain a settlement of the Accounts of said Lodge with the G. Lodge of Penn<sup>a</sup>. respectfully represent, that on the Petition of Thomas Armstrong, Jacob Kline, Tho<sup>s</sup>. McGrath and others, Master Masons, recommended by several Members of Lodge N<sup>o</sup>. 43, held at Lancaster, praying for a Warrant to hold a Lodge in this place, and stating at the same time that \$87 were deposited in the hands of Bro. Robert McIlvee, of Lodge N<sup>o</sup>. 43, for the payment of the same. The G. Lodge granted a Warrant Numbered 123, appointing the above named Brethren as the first officers of the same and by Dispensation authorized Members of Lodge N<sup>o</sup>. 43 to instal said Officers and organise said Lodge.

That this Lodge continued to work under their Charter until, when on Account of the smallness of their Numbers, they concluded to suspend their labours, and by the advice and direction of the G. Lodge the Warrant, &c., was deposited in the hands of Bro. Geo. Haller, the then W. Master, in whose hands they continued until Oct. 21, 1819, when Bro. Geo. Haller, in behalf of the remaining Members of the late Lodge N<sup>o</sup>. 123, and other Brethren residing in the place, wrote to the G. Lodge praying for permission to meet and resume their labours, stating that they were willing to pay up the arrearages of dues to the G. Lodge and to make a present towards rebuilding the Hall of 50\$, and if able to give \$100, to do so. The G. Lodge on the 1<sup>st</sup> day of Nov., 1819, "Resolved, that the Members of the late Lodge N<sup>o</sup>. 123 be authorized to meet and resume their labours." That in compliance with their promise Lodge N<sup>o</sup>. 123 on or about the day of 1820, by the hand of one of their Members paid to the G. Treasurer the \$50, which they had promised as a donation, but that instead of its being received as a donation this Lodge was declared to be indebted to the Grand Lodge, The whole amount of their Charter purchased in 1810, with a

balance of about \$5 of dues from the time of giving up the Charter. That the \$50 was by the G. Treasurer passed to the Credit of this Lodge on their old Account, the sum of \$87 paid by the former Members never having been Credited.

They further represent that on inquiry they have found that the \$87 which was placed in the hands of Bro. McIlvee, (in compliance with a regulation of the G. Lodge, that no Warrant should be granted but on the Am<sup>t</sup> being secured to be paid) was by him paid to some Spaniard, who presented an order from the G. Treasurer for the same. That the said Spaniard proved to be an Impostor and had forged the order on Bro. McIlvee, as well as orders on the Treasurers of several of the Country Lodges, and had made his escape. And finally that Bro. McIlvee on application, was by the G. Lodge exonerated from his responsibility for the payment of the said \$87, but that the same was not as it ought to have, been credited to Lodge N<sup>o</sup>. 123, and they are still held liable by the G. Lodge for the same. That this Lodge has in possession the receipt of Bro. McIlvee for the \$87, and might have obliged him to pay the same to the G. Lodge, had not the G. L. exonerated him from the payment of the same. That the forged order presented to Bro. McIlvee, with other papers relating to the above stated facts are in possession of the G. Secretary and may be referred to by the G. Lodge. That the G. Lodge viewed Bro. McIlvee in the same light that this Lodge did, viz: as liable for the money, is evident from the circumstance of their having exonerated him, on application, and production of the forged order, for why would they exonerate him from the payment of a debt for which he was not liable? That the forgiving of a debt, or the remittance of dues is the same as a receipt for the payment of the same, and that the exoneration of Bro. McIlvee must of necessity exonerate Lodge N<sup>o</sup>. 123 from the payment of the \$87.

That this Lodge since their reorganization have until the present year regularly paid their dues, and that they are now prepared to pay for 1822, and will do the same in a few weeks at farthest.

The Committee therefore in behalf of Lodge N<sup>o</sup>. 123, request the G. Lodge to take into consideration the above statement of facts and credit Lodge 123 with the \$87 paid to Bro. McIlvee, and accept the \$50 paid 1820 as the donation offered by this Lodge in the letter of Bro. Haller dated October 21, 1819.

D. B. PRINCE,  
M. J. GARDNER, } Committee.  
THOMAS M<sup>c</sup>GRATH, }

On Motion said Petition was referred to Brothers Thomas Kittera, Thomas F. Gordon and Thomas P. McMahon to enquire and make report.

A Letter dated Sheshequin, Decem<sup>r</sup>. 25, 1822, from Brother Joseph Kingsberry, District Deputy Grand Master of the 4 Masonic District of Pennsylvania, was presented and read on the subject of the unhappy controversy between the Grand Lodge and Lodge N<sup>o</sup>. 43.

On Motion, Resolved, that said Letter be referred to the Grand Committee to assemble on the 25<sup>th</sup> instant, provided Bro. Kingsberry give his consent to such reference.

Grand Lodge adjourned in Harmony at 10 o'clock, P. M., to meet on the 3<sup>rd</sup> Monday of the present Month at 6 o'clock in the Evening.

A Report was received and read from Brother David Scott, Esquire, R. W. D. D. Grand Master of the Second Masonic District of Pennsylvania, and is as follows:

To the Right Worshipful Grand Lodge of Pennsylvania:

The undersigned District Deputy Grand Master for the second Masonic District of Pennsylvania, respectfully reports,

That soon after receiving his Commission he made arrangements for visiting the Lodges within his district at so early a period as to enable him to embrace in his first annual report

every necessary information with regard to their respective labours, character and discipline; but owing to a long and severe indisposition he was deprived of the pleasure he would take in the performance of that duty. He has not however been entirely inattentive to that branch of his duty. He has seen and conversed with the Officers and many of the respectable Members of Most of the Lodges in his district, and although there is some little variety in their work, he is satisfied they are substantially correct. Most of them are very respectable, but he is sorry to say, that in his opinion, some of them are wanting in that discipline, without which it is impossible for any Society instituted for moral purposes, long to command respect.

On the 28<sup>th</sup> day of August last, the undersigned granted Dispensations to the Master and past Masters of Lodge No. 147, held at Bethany, to pass to the Chair Brothers Jeremiah Bennett, James Edwards and Henry Heerman, Master Masons and Members of said Lodge for which the requisite fee of \$15 were rec<sup>d</sup>. From which deduct \$2.12½ for postages on letters received from the G. L., leaves a balance of \$12.87½ which is herewith transmitted by the hands of the Grand Secretary.

Which report was ordered to be filed.

The Committee to whom was referred the Petition from Lodge No. 123, made report which was read and adopted and is as follows:

To the R. W. Grand Lodge of Pennsylvania:

The Committee appointed on the Petition of Lodge No. 123, held at York, Penn<sup>a</sup>.

Respectfully Report:

That a Warrant was granted to said Lodge in November 1810, and delivered by the dep. G. Sec<sup>r</sup>. Bro. Thomas Hennessy, to a Man by the name of Morino on his promis-

ing to remit the Cost thereof to the said Deputy Grand Secretary.

That Morino received the price of the Warrant, &c., from Bro. Robert McElwee of Lancaster, (in whose hands it had been deposited by Lodge N<sup>o</sup>. 123,) and absconded without paying the same to the Grand Lodge. That subsequently brother McElwee was exonerated from the payment of the said sum by the Grand Lodge and that now Lodge N<sup>o</sup>. 123 claimed a Credit for the said Sum, which the Grand Lodge never received. The Committee conceive the demand of Lodge N<sup>o</sup>. 123 to be just and recommend the adoption of the following Resolutions, viz :

Resolved, that the sum of Ninety dollars and 80 cts be placed to the Credit of Lodge N<sup>o</sup>. 123, on Acc<sup>t</sup> of its Warrant, &c.

Resolved, that the sum of Fifty dollars, rec'd March 1, 1820, from said Lodge be entered on the Minutes as "a donation towards rebuilding the Masonic Hall," and that the said sum of Fifty dollars credited on Account of dues, be erased from the books of Grand Lodge.

Resolved, that the City of Philadelphia is the proper site for the location of the Grand Lodge of Pennsylvania, and that it is inexpedient to remove the same.

Resolved, that the Grand Lodge of Pennsylvania will renew

their efforts to produce a Grand Convention of Delegates from the different Grand Lodges of the United States, for the purpose of producing a uniformity in the mode of work, and adopting such other measures as may promote the prosperity of the order.

Resolved, That the Grand Lodge will, as soon after next St<sup>h</sup> John the Evangelist's day as practicable, transmit to the subordinate Lodges an entire and complete exhibit of the state of its finances.

Your Committee would likewise recommend the following provisions to be introduced among the permanent rules and regulations for the government of the Grand Lodge of Pennsylvania :

1<sup>st</sup> Proposition. That hereafter no proposition, to increase or diminish the dues of the subordinate Lodges, the fees for Warrants, dispensations, or any services performed by any of the officers of the Grand Lodge, shall be adopted, unless it shall be proposed at a Grand Quarterly Communication, immediate notice thereof given by the Grand Secretary to the subordinate Lodges under the Jurisdiction of the Grand Lodge, and adopted at the next or a subsequent Grand Quarterly Communication, and upon the adoption, rejection, modification or other disposition of such proposition, every Member of the Grand Lodge shall be entitled to Vote personally in writing or by proxy specially delegated for that purpose to any Member of the Grand Lodge ; and on such questions any member of the Grand Lodge may (besides his own) give as many Votes as may be delegated to him for that purpose. Provided that no diminution of the dues or contributions, paid by the subordinate Lodges, shall be made until the debt of the Grand Lodge shall have been reduced to the sum of \$40,000 dollars.

2<sup>nd</sup> Proposition. That once in every two years each subordinate Lodge, beyond the City and County of Philadelphia, and within the Commonwealth shall be visited by a Grand Lecturer to be appointed in such manner as the Grand Lodge may hereafter from time to time direct ; that his expenses while attending the Lodges shall be defrayed by them, and

his compensation shall be paid out of the funds of the Grand Lodge, and that the first visitation shall commence in the course of the present year.

3<sup>d</sup> Proposition. That the Past Masters, Worshipful Master and Wardens of any Lodge, which may be two years in arrears to the Grand Lodge, shall not be entitled to sit or Vote in Grand Lodge as Members thereof, until such arrears shall have been paid. Provided that this proposition shall not be carried into effect until after S<sup>t</sup> John's day, in December, 1823.

4<sup>th</sup> Proposition. That the Grand Lodge shall annually furnish to the subordinate Lodges, a statement of its receipts and disbursements, during each year, ending on S<sup>t</sup> John's the Evangelists day.

Resolved, That for the purpose of restoring that harmony and friendly feeling in the great Masonic family of Pennsylvania, which has recently so unhappily been disturbed, the Grand Committee respectfully request the Grand Lodge to adopt a resolution entirely absolving all Lodges and Masons, under its jurisdiction, from any Masonic punishment or censure, to which they may have subjected themselves, in consequence of any part they may have taken in the late unfortunate differences.

On Motion, the Minutes, proceedings and report of the Grand Committee were ordered to be printed, and copies furnished to each of the Lodges, under the Jurisdiction of this Grand Lodge.

On Motion of Brother Dahlgren and Seconded,

An Extract from the Minutes of Lodge N<sup>o</sup>. 67, held at Philadelphia, was received and read and is as follows :

At a Stated Meeting of Concordia Lodge, N<sup>o</sup>. 67, held March 14<sup>th</sup>, A. D. 1823, A. L. 5823.

The Committee to whom was referred the Communication from the R. W. Grand Lodge respecting the Loan from the Trustees of Lodge N<sup>o</sup>. 67, made the following report and resolutions, which were read and Unānimosly adopted, Viz :

That after full conference with the Trustees on the Subject, they are unanimously of the opinion that it is *not* expedient to accede to the propositions contained in the Communication referred to them. From the Minutes of the Lodge it appears that Trustees were appointed under the report of the Committee of Ways and Means, to place certain funds of this Lodge at interest, in such manner as should appear to them most advantageous to the Lodge. In pursuance of their appointment and at the instance of the Grand Lodge, a bond was executed by Past Grand Master Newcomb in the penalty of \$8000, conditioned that the Grand Treasurer should receive on interest of 6 per Cent, such Monies as should from time to time accrue in the hands of the Trustees, adding the interest which should arise from the same to the principal yearly, until a sufficient sum should accumulate in his hands to yield interest equal to the yearly dues to the Grand Lodge. This arrangement appears just and advantageous, both to the Grand Lodge and Ourselves ; for while the sum thus procured may be annually applied to the Sinking fund of the Grand Lodge and thus assist in the extinguishing of its debt, it will eventually give to her a permanent security for the dues of this Lodge over which future circumstances can have no influence.

In addition to this reason, it blends the interest of Concordia Lodge with the Grand Lodge in such manner as to secure her fidelity and support by the strongest ties. Nor does Concordia Lodge derive any advantage from the transaction, which she could not easily obtain if the sum thus

loaned to the Grand Lodge were at present in the hands of the Trustees. If the Grand Lodge, however, are dissatisfied with the arrangement, we believe there would be no difficulty made about cancelling the Bond upon repayment to the Trustees, of the principal and interest at present in the hands of the Grand Treasurer. But such is not the proposition of the G. Lodge. She only offers to authorize the R. W. Grand Master to Execute Stock Certificates for the sum already invested. Your Committee are not able to perceive any advantage in this arrangement to either of the parties. For the interest arising yearly from the Stock Certificates might be immediately invested as principal by the Trustees and thus produce the same result in a circuitous manner. If however, the Stock Certificates are to operate as an extinguishment of the Bond, Your Committee conceive this Lodge would relinquish a *superior* for an *inferior* security, and the bond could probably be enforced from the time of its date, but the Certificates only from the present Moment.

But perhaps the principal objections to the present system will be obviated by the probability that there will not be any addition to the loan for a considerable time, and also from the circumstance that this Lodge have now under consideration a proposal that all the contributions of this Lodge to the Grand Lodge shall in future be paid before any Monies are invested by the Trustees.

In consonance with these views your Committee offer the following Resolutions, viz :

1<sup>st</sup>. Resolved, that it is inexpedient to agree to the proposal which was adopted by the Grand Lodge in December last, in relation to the Loans of Concordia Lodge.

2<sup>nd</sup>. Resolved, that the Trustees be directed to cancel the Bond of the Grand Lodge, on the reception of the principal and interest at present due to Concordia Lodge, N<sup>o</sup>. 67.

3<sup>rd</sup>. Resolved, that the Grand Secretary be furnished with a Copy of this Report and Resolutions. Extracted from the Minutes.

Attest,      WILLIAM BAKER, Secretary.

(Note by the Secretary.—The proposal herein alluded to

was afterwards adopted by the Lodge, and has become a standing regulation.)

Which was referred to the Committee on Finance.

A Petition was received and read from Jesse C. Horton stating that he had been rejected by Lodge N<sup>o</sup> 159, Danville, and praying the Grand Lodge to appoint a Committee to investigate the matter so as to replace him to his former standing if found worthy, which Petition was recommended by a Number of Members of Lodge N<sup>o</sup> 159.

On Motion said Petition was referred to Brothers Henry H. Kreider of N<sup>o</sup> 100, Robert H. Hammond of N<sup>o</sup> 144 and Galen Jones of N<sup>o</sup> 148 to inquire and make report.

A Petition was received and read from John E. Buchannan applying on behalf of himself and others, late Members of the late Lodge N<sup>o</sup> 85 held at Alexandria, in Huntingdon County, vacated for delinquency 4 April, 1814, for a renewal of the Warrant.

On Motion said Petition was referred to Brother W. R. Smith, to inquire and make report.

A Letter was received and read from Brother Morgan Neville stating that Mr. Price, who has been refused initiation by N<sup>o</sup> 45, was *entered, passed and raised* in Albany last Summer, as he had travelled thro' New York, since his return had visited the Lodges and was now applying to become a Member of N<sup>o</sup> 165, and asking whether he is to be rejected as a Matter of Course and out of Courtesy to N<sup>o</sup> 45, or is he legally admissible and could N<sup>o</sup> 165 exercise their discretion, Which was referred to Samuel F. Bradford, Michael Nisbet and Tobias Bechler.

The Committee to whom was referred the proceedings of a Number of Masons, assembled at Harrisburg on the 6 January, 1823, made report which was read and is as follows:

The Committee to whom was referred the proceedings of a Convention of Masons held at Harrisburg on the 6<sup>th</sup> of January last,

Respectfully Report,

That they have viewed this Convention with great regret as well on account of the ignorance of Masonic principles in

which it originated, as of the unmasonic proceedings which have *flowed* from it.

This Convocation it would seem has originated in an Error deeply injurious to Masonry, which has been industriously and but too successfully propagated. It has been presumed that a power was known to Masonry superior to that of the G. Lodge, having the right to revise and direct its conduct, and that this power existed in a congregation of Masons delegated from subordinate Lodges at the instance of a subordinate Lodge.

The existence of such a power your Committee emphatically deny, and they flatter themselves that they will have the concurrence of every unprejudiced and dispassionate mind sincerely disposed to preserve unbroken the Land Marks and Usages of the Order.

Your Committee do not propose to enter on a long discussion in support of their position, nor to trouble the G. Lodge with quotations of matter which may be found in every treatise of Masonry, but to understand properly the power of the G. Lodge, it is necessary to advert shortly to the History of its present organization.

Anciently the Craft were without any system permanently organized for its government. Few in Number, confined to distinguished Architects and Operative Masons, occasional assemblies sufficed to communicate its science and to regulate its concerns. But when in the general progress of Arts and Sciences, Masonry attracted the lovers of learning and the friends of humanity, when the noble and the wealthy sought eagerly to be initiated, the society became numerous and consequently ungovernable by its simple form of policy. The institution was threatened with disorder injurious to its peace, its traditions were in danger of being lost or perverted, and the respect of the world was about to be changed for its neglect and contempt.

To provide against these evils it became necessary to vest the power of the order in a body which might avail itself of the wisdom and virtue of all the Brethren, in a body whose energy and character would enable it to punish transgressors,

and to sustain those disposed faithfully to adhere to the principles of the order.

For these purposes the organization of the Grand Lodge, under the Constitution which now governs it, was wisely resolved on by our predecessors in the united Kingdoms of Great Britain and Ireland. In 1717 the G. Lodge of England was Constituted and soon after the G. Lodges of Scotland and Ireland. To these G. Lodges within their respective Jurisdictions was granted the power to constitute all subordinate Lodges and to make such rules and regulations as might be necessary for their government. The Lodges Constituted in the provinces of North America derived their being from these G. Lodges, and continued to acknowledge their authority until after the Declaration of Independence. When G. Lodges were subsequently formed in the several states, the Masons did that only which was fully justified by the Masonic Constitution and they received unbroken and undiminished, all the powers of a primitive G. Lodge.

The power of the Grand Lodge to regulate and direct the labours of the Craft, in all particulars within the Ancient Land Marks, have rarely been disputed; and the cases which exist of resistance to that power, only serve to show that it has been unhesitatingly exercised when deemed necessary. And if new and additional authority were wanting in support of this right, it would be found in the almost unanimous opinion of the late Grand Committee held in the Hall at Philadelphia.

If then to the Grand Lodge of Pennsylvania belongs the right to constitute subordinate Lodges within her jurisdiction, if her's be the supremacy over the Craft, therein it follows that no Masonic Meeting, whatever name it may assume, can be legal unless warranted or permitted by her, and that all Masons who project or attend such unauthorized meeting violate their solemn promises of allegiance.

In this predicament stood the Members of Lodge N<sup>o</sup>. 43 at Lancaster as the Authors of the call of the Harrisburg Convention. But they upon consideration, saw and abandoned

their error and rescinded the appointment of the Committee made by that Lodge to attend at that Convention.

In this predicament stand all the Lodges which have sent delegates to, and all the Members who have attended the Harrisburg Convention. All are obnoxious to Masonic punishment, but in different degrees. Such as were ignorant of their duties to the G. Lodge and have sinned unwittingly are reprehensible for precipitancy and want of due consideration only, but those who knew the full extent of the offence involved in disobedience to the G. Lodge, merit in the opinion of your Committee, the highest censure and the severest punishment the order can inflict.

It is not necessary to examine the several resolutions passed at that Convention. The grievances of which it complains have been discussed in Grand Committee, and so far as they have any foundation, will be remedied by the Grand Lodge. But the threat held out by that Convention, that, in case the Grand Lodge should not adopt all the measures recommended, an attempt would be made to form another Grand Lodge from the Lodges under her jurisdiction, must not be passed over in silence.

A convention composed of sixteen delegates from eleven Lodges, of ten unauthorized Members from one of the represented Lodges, of thirteen unauthorized Members from Lodges that had sent no delegate and had not approved of the Convention, and of nine Masons apparently belonging to no Lodge and consequently not contributing Members of the order, A Convention thus composed, have presumed to dictate to the Grand Lodge formed from the representatives of all the subordinate Lodges under her jurisdiction, measures destructive of the universal principles of Masonry under the penalty of revolt, in case of refusal to comply with its illegal behests.

This is a case which requires no comment. It is readily comprehended by every masonic mind to which it is submitted, and produces on all masons mindful of their obligations, but one opinion, that of general reprobation.

Measures like this cry aloud upon the justice of the Grand

Lodge, and were your Committee not of opinion with the Grand Committee, that a conviction of error has already paved the way for a return to Masonic faith and allegiance, it would be their duty to recommend to the G. Lodge, the infliction of exemplary masonic punishment upon the guilty.

But under existing circumstances and in full reliance upon the future faith and obedience of those who have erred, Your Committee offer for adoption of the Grand Lodge the following Resolution :

Resolved, that the Grand Lodge absolve all Lodges and Masons under its Jurisdiction from any Masonic punishment to which they may have subjected themselves by the call, organization or proceedings of the late Convocation of Masons held at Harrisburg on the 6<sup>th</sup> Jan<sup>y</sup>. last.

The report of the Committee appointed to repair the Gas Works, read on the 3<sup>rd</sup> February and laid on the Table, was taken up for consideration, read and is as follows:

To the R. W. Grand Lodge of Pennsylvania:

The Committee appointed to repair the Gas Works, respectfully report,

That they have finished that duty in the best manner their limited means and judgment have admitted of. They have to state that after the works were again in operation, the part of the roof contiguous to the Chimney took fire in consequence of a crack in the Chimney, of which they had no previous knowledge; happily no damage was suffered. All the wood-work within a certain distance of the Chimney was then removed and no further danger is now apprehended, until a milder season will admit of the construction of a new Chimney on a plan better calculated for the emission of a strong column of fire, which Brother Burgin, the present Gas Committee has undertaken to do; in order to furnish him with the necessary means, Your Committee have transferred to him 2471 lbs. of Sheet iron remaining on hand from the former Gasholders, the proceeds of which, together with \$22.86, the balance of Account paid over to him, it is believed will be amply sufficient to accomplish that object as well as the consequent alteration of the furnace.

Your Committee beg leave to present their account with accompanying Vouchers, and offer the following resol:

Resolved, that the Committee appointed on the first of

To the R. W. G. M., Officers and Brethren of the G. Lodge of Pennsy<sup>a</sup>. :

The Committee to whom was referred the Communication of certain Members of the late Lodge N<sup>o</sup>. 22, held at Sunbury, beg leave to report,

That they have attended to the business assigned to them and while they admit the necessity of doing something for their relief, they think the G. L. cannot consistently with the rights of others, grant the entire request of those Members who have signed the communication. The signers require that the Warrant should be revived in the name and in favour of themselves to the exclusion of other Members of the Lodge. This request has grown out of various causes as set forth by the Petitioners (to wit) their being involved in considerable arrears to the G. L., the death and absence of many of their Members, their total inability to pay, and their being without any regularly installed officers during the past year. It would be a violation of the rights of any other Member who may have paid up his dues and against whom no cause of Complaint exists, to exclude such Members in the revival of the Warrant ; at the same time the Committee are of opinion that it would be impossible for the few remaining Members to pay off the whole arrears of the Lodge. As the Means of relieving the present Members and preserving the rights of all who are Members and not delinquents at present, they offer the following resolution :

Resolved, that all those who are at present Members of Lodge N<sup>o</sup>. 22, and who shall on or before the Grand Quarterly Communication in September next, pay up the whole of their arrears and against whom no just cause of expulsion exists, be and they hereby are reinstated in all their Masonic rights and privileges.

Resolved, that the Warrant of the late Lodge N<sup>o</sup>. 22, be and the same is hereby revived, and that they be authorized to hold an election and instal their officers on St. John's day next.

To the R. W. Grand Lodge of Pennsylvania :

The Committee on Bye Laws to whom were referred for examination the Bye Laws of "Eaton Lodge, N<sup>o</sup>. 180," held at Jefferson in Greene County,

That they have deliberately examined the Code of Laws submitted to them and compared the provisions thereof with the rules, regulations and usages of this Grand Lodge, and of the different Subordinate Lodges as approved and sanctioned

by the Grand Lodge at different periods, and find so many Omissions and deviations therefrom, that to make them consistent therewith it will be necessary to alter almost every article and to substitute several new ones.

Your Committee have therefore come to the conclusion to recommend the G. Lodge to refer them back to Lodge N<sup>o</sup>. 180, for revision, and to request the Grand Secretary to transmit therewith a Copy of the Bye Laws of several Lodges for their examination and consideration.

They therefore offer the following Resolution :

Resolved, that the said Bye Laws be returned to Lodge N<sup>o</sup>. 180, and that they be furnished by the Grand Secretary with the Bye Laws of several Lodges approved by the Grand Lodge.

All which is respectfully submitted.

The following report from the District Deputy Grand Master, Brother William R. Smith, was read :

“Huntingdon, Penn., Dec. 1<sup>st</sup>. 1823.

To the Right Worshipful Josiah Randall, Esquire, Grand Master of Masons in and for the Commonwealth of Pennsylvania and Masonic Jurisdiction thereto belonging :

Right Worshipful Sir and Brother,

In conformity to my duty I make report to you, and through you to the R. W. Grand Lodge of Pennsylvania, of my proceedings under the powers vested in me by the warrant, conferring on me the dignity of District Deputy Grand Master for the Third Masonic District of Pennsylvania.

On the 25th day of June, A. D. 1823, the following named members of Lodge N<sup>o</sup>. 178, in the Borough of Huntingdon, were severally recommended to me, in proper form, as Master Masons, worthy to receive the degree of Past Master Masons, and to each of whom I officially granted a Dispensation for that purpose, and conferred on each of them the degree of Past Master.

John George Mytinger,

John Scott,

Thomas McMillan,

Thomas King,

Abraham Levy,

Henry Shippen,

James T. Scott,

Thomas Johnston.

On the 16th day of September, A. D. 1823, Henry Lorain, of Phillipsburg, in the County of Centre, having been recommended to me in proper form by Lodge N<sup>o</sup>. 178, in the

Borough of Huntingdon, as worthy to receive a dispensation to be entered, passed and raised to the sublime degree of a Master Mason, I officially granted such Dispensation and subsequently conferred the degree of a Master Mason on Henry Lorain.

On the 7th day of October, A. D. 1823, Doctor Alexander Macleod of Phillipsburg, in the county of Center, having been recommended to me in proper form by Lodge N<sup>o</sup>. 178, in the Borough of Huntingdon, as worthy to receive a dispensation to be entered, passed and raised to the sublime degree of a Master Mason, I officially granted such dispensation and subsequently conferred the degree of a Master Mason on Alexander Macleod.

With respect to the Counties over which I have the honor to preside as District Deputy Grand Master, I beg leave to make the following report.

In Huntingdon County, Lodge N<sup>o</sup>. 178, is in full communion with the R. W. the Grand Lodge and its annual return being before the Grand Lodge, details are unnecessary. I nevertheless take pride in stating that the uniform good conduct of the Lodge, and the unusual accuracy of its workmen deserves my warm commendation.

Lodge N<sup>o</sup>. 85, in the Town of Alexandria, in the same County, has for some years past been deprived of its warrant, and in consequence of several petitions and representations made to the R. W. the Grand Lodge, for the purpose of having such Warrant restored, the whole matter was, by resolution of the Grand Lodge, referred to me. During the last summer I made every enquiry into the situation of the Lodge, and of its petitioning members, and am constrained to say that by the Regulations of the Grand Lodge as communicated to me by the R. W. Grand Secretary, I cannot, now, recommend that the Warrant be restored. The evidence of the sufficient number of applicants, and of their Masonic standing and also of the discharge of Grand Lodge dues, all being deficient, had induced me unwillingly to make this unfavorable report.

Lodge N<sup>o</sup>. 33, formerly located in the Borough of Huntingdon, has not been in existence for more than fifteen years past, and no efforts have been made to revive its warrant.

In Bedford County, Lodge N<sup>o</sup>. Bedford Bath Lodge, has for many years past been deprived of its Warrant; no exertions are making to revive it, as I have understood, although a number of the fraternity reside in the County.

In Mifflin County, Lodge N<sup>o</sup>. has for many years past been deprived of its warrant. No exertions have been made to revive it. But a meeting of Masons has within a week past been held at Lewistown, and an application will be made to the Grand Lodge, as I have understood, for a new Warrant.

In Centre County there never has been a Lodge located, but, as I have understood, some exertions are making amongst the fraternity to procure a Warrant.

In Cambria County there never has been a Lodge located and the Brethren are very few.

In Somerset County I have not visited, and this neglect will I trust, be considered as the more excusable, when I call to the recollection of the R. W. Grand Master, that his excursion through the West, rendered my attentions at Somerset during the last year unnecessary, and business during the present summer has totally prevented my performance of an agreeable duty.

The presence of the Grand Lecturer, Brother Murray, has afforded a great gratification to the Masonic Fraternity, so far as I have been able to ascertain their sentiments throughout the Third Masonic District.

I have the honor to be

R. W. Sir,

Fraternally Yours,

W. R. SMITH,

D.D.G.M., 3<sup>rd</sup> Mas<sup>c</sup>. Dist<sup>c</sup>.

When on motion made and seconded,

Resolved,

That the Grand Secretary acknowledge the receipt of the said report and present the thanks of this Grand Lodge to Brother Smith for the fidelity with which he has discharged the duties of his office.

On motion made and seconded, it was

Resolved unanimously, that the thanks of this R. W. Grand

Lodge be presented to Brother G. M. Gamble, Major commanding the Marine Corps, for his politeness in furnishing the Marine Band of Music to attend the funeral of our deceased Brother George A. Baker, Esquire, late R. W. Grand Secretary.

A report from the Grand Committee of Charity was received and read; Balance due their Treasurer, \$71<sup>55</sup>/<sub>100</sub>; Investments, \$600 in the Masonic Loans and \$295 in the Gas Loan. Ordered to be filed.

A Petition was received and read from Lodge N<sup>o</sup>. 46, praying remission of Grand Lodge dues, which was referred to the Committee on Finance.

The Bye Laws of Lodge N<sup>o</sup>. 50 were presented and referred to the Committee on Bye Laws for examination.

A report was read from the Committee appointed on the 2nd June last to enquire into the causes and circumstances of the expulsion of John Ramsey from Lodge N<sup>o</sup>. 156, stating that the said John Ramsey had paid off his dues to the Lodge, and had been by them reinstated as member thereof. Whereupon, on motion made and seconded, the said report was adopted.

A letter was received and read from Alabama Lodge, N<sup>o</sup>. 3, communicating the expulsion of J—— Y——, which was ordered to be filed.

A letter was received and read from Lodge N<sup>o</sup>. 91, communicating the Suspensions of the following named persons, late members of that Lodge, Viz: J—— D——, P. S——, J—— M. R——, J—— T——, M—— W——, J—— T—— and T—— H——.

Which was ordered to be filed.

The following Returns from Lodges were presented and read, Viz:

Lodge N<sup>o</sup>. 52, held at Philadelphia. General Returns.

Lodge N<sup>o</sup>. 61, held at Wilkesbarre. Election Return.

E. Excepted,

THOMAS HALE, Treasurer,

Philad<sup>a</sup>, 5th January, 1824.

The Committee of Finance to whom was referred the petition of Lodge N<sup>o</sup> 61, praying for a remission of dues, reported that they had duly considered the subject and offered the following resolutions:

Resolved, That the whole income of the Grand Lodge after deducting the necessary expenses, being by a public Act Solemnly pledged to the payment of the Interest and the gradual reduction of the Masonic Loans, it is not in the power of this Grand Lodge to remit dues or grant charity, until the said Loans shall have been paid off, which it is now ascertained will be effected in a few years if Masonry should continue to flourish as at present and the Lodges exert themselves to discharge their dues punctually.

Resolved, That the Grand Secretary be directed to credit Lodge N<sup>o</sup> 61 with Thirty two Dollars, that amount having been paid by the Lodge to Brother George Syter, for which the Grand Lodge had received his Note on granting the Warrant.

Resolved, That in consequence of the difficulties and embarrassments which Lodge N<sup>o</sup> 61 have had to contend with, that on the payment of the sum of Two Hundred Dollars, the Grand Secretary be authorized to allow further time for the payment of the balance.

Which, On motion made and seconded, were adopted.

The same Committee to whom was referred the petition of Lodge N<sup>o</sup> 46, praying for a remission of dues, made an unfavorable report, which was adopted.

A Constitution for the government of Royal Arch Masonry agreed to by the Committee of conference and adopted by the Grand Holy Royal Arch Chapter was received and read and on motion made and seconded, was amended and as amended adopted in the words following, to wit:

The Committee appointed on the 27th Decem<sup>r</sup>. 1823, to enquire into the circumstances relating to the late election of Officers of Lodge N<sup>o</sup>. 102, held at Frankford, made the following Report :

That in obedience to the directions of Grand Lodge they have attended to that duty and in order to ascertain with correctness the facts relative to the Election in question, they notified generally the members of Lodge N<sup>o</sup>. 102 to attend at the Committee Room of the Masonic Hall, on Wednesday last, at 11 o'clock, A. M., so that a full and fair hearing might be had, at which time and place 13 members of said Lodge attended. The Minutes of the last stated night of meeting of

Jerusalem Lodge, N<sup>o</sup>. 102, having been read, it appeared that this being the regular night for the Election of Officers, the Lodge proceeded to the election of Worshipful Master, 19 members being present, and upon counting the Ballots it appeared that 14 Votes had been given in; of which Brother T. K. Penrose had 9 Votes and Brother Kenton (at that time Senior Warden) 5 Votes, and that Brother Penrose had a majority of the whole number of votes given in for W. M.

The alleged irregularity as it regards the Election, and which was the particular object of investigation by your Committee, was, that brother Penrose, who had never served as a Warden in any Lodge should be promoted to the Chair, in preference to the claims of Brother Kenton, the Senior Warden and a candidate for the station of W. M.

In our book of constitutions, the Ahiman Rezon, it is expressly stated, "Page 47, Sec. 5," "no Brother can be Master of a Lodge, till he has first served the Office of Warden somewhere, unless in *extraordinary* cases, or when a new Lodge is to be formed, and no Past or former Warden "is to be found among the Members."

The enquiry then simply resolves itself into this proposition: was there in the case of this Election any such Masonic or Moral disabilities attaching to the characters and conduct of the Wardens, and Past Masters of this Lodge, as to warrant the Members of Lodge N<sup>o</sup>. 102 in passing by those legally entitled to promotion, and selecting a Brother from the floor to fill the important station of W. M.?

After a careful and attentive hearing of the testimony of the worthy Brethren of this Lodge, the minutes of which are herewith presented, your Committee are decidedly of opinion that in this instance no extraordinary cause existed for travelling out of the boundaries prescribed for the Craft as it regards Election, and they therefore pronounce the Election of Brother Penrose as W. M. to be irregular and unmasonic.

Your Committee are happy to state that in the matters referred to them, relative to the election, there is not the least ground to suspect that the irregularity was brought about by any private pique, jealousy, or personal hostility, the members

in their examination appearing to harmonise in a fraternal and affectionate manner, and it is to be inferred from the evidence taken that they were actuated by the desire of promoting the interests of the Lodge, and the error committed may be properly ascribed to its true source, want of correct information on the subject.

Errors of this kind have more than once occurred, and will occur again and again, unless the Craft are furnished with the means of ascertaining with precision the rules by which they are to be regulated. The Ancient Book of Constitutions, the Ahiman Rezon, is nearly out of print; the Lodges in the Country which possess this text book are frequently at a loss how to reconcile the difference in the Rules and regulations there prescribed, and those actually existing by authority of the Grand Lodge.

They are aware that a Committee has long since been appointed to revise the old and report a new edition of the Ahiman Rezon; this edition has been anxiously expected and loudly called for and your Committee trust it will not be deemed officious or foreign from the nature of their present report, to hope that the Craft under the Jurisdiction of the R. W. G. L. of Pennsylvania may soon be furnished with a well digested Book of Constitutions.

In conclusion, your Committee respectfully submit to G. L. the following resolutions:

1<sup>st</sup>. Resolved, That the election of Brother Penrose as W. M. of Jerusalem Lodge, N<sup>o</sup>. 102, was irregular and should be set aside.

2<sup>nd</sup>. Resolved, That an election for W. M. of said Lodge, and such other officers as may be necessary, be authorized at such time as the R. W. G. M. may appoint.

W<sup>m</sup>. BOYD,  
J. W. ROWLAND, } Committee.  
JOHN PEARCE,

Philad<sup>a</sup>. January 5th, 1824.

Which report and resolutions on motion made and seconded, were adopted and the R. W. Grand Master appointed Saturday next the 10th Inst. for holding the said Election.

The following resolution was offered by Brother T. B. Freeman and ordered to be laid on the Table :

Resolved, That the Committee appointed by this Grand Lodge to revise and amend the Book of Constitutions, commonly called Ahiman Rezon, be requested to report the result of their labours at the next quarterly Communication.

The Committee appointed on the 2nd June last, in the case of P—— D—— for unlawful carnal intercourse with Brother C—— K——'s step daughter, reported for the consideration of the Grand Lodge a Resolution, which on motion made and seconded, was amended, and adopted as amended in the words following, to wit :

R. W. Sir and Brother:

Your communication of January 7 enclosing a Resolution of the R. W. Grand Lodge approbatory of my conduct as D. D. G. M. for the 3<sup>d</sup> Masonic District has been duly received. I feel highly gratified with having obtained the honor of a Vote of thanks of the R. W. Grand Lodge and in return, promise that my duties shall be faithfully performed.

I also acknowledge the receipt of a Warrant, dated December 27, 1823, under the authority of the R. W. John B. Gibson, Esq., constituting me as District Deputy Grand Master for the District composed of the Counties of Dauphin, Mifflin, Centre, Huntingdon, Bedford, Somerset and Cambria. For this continued confidence of the R. W. Grand Master, I feel greatly honored, and my efforts shall be unremitted to deserve the station by a strict attention to the interests of the Grand Lodge and the welfare of the Craft.

Herewith you will receive the Return of Lodge N<sup>o</sup>. 178, Huntingdon, Pa. which has been remitted to me from Huntingdon. The sum due by the Lodge as pr. the Return, shall be paid to the G. Treasurer as soon as the same is sent to me from our Treasurer which I daily expect. At all events on my visit to the City, which will shortly take place I will pay the Amount and take a receipt in name of the Lodge, as I feel confident that the want of a private opportunity has been the only reason why the sum has not been remitted.

The sum which I hold in my hands on account of the

Grand Lodge, received by me for Dispensations, shall also be paid over to the Grand Treasurer as soon as I arrive in the City.

In addition to the Dispensations which were granted by me during the last year and of which I have made report to the Grand Lodge, I now make the following Statement of duties performed and monies received :

January 6, 1824, Brethren William G. Scott, John B. Sterigere and James Kelton, Jun., having been recommended to me by Lodge N<sup>o</sup>. 21, Harrisburg, as Master Masons, worthy to receive the degree of Past Masters, I issued a Dispensation for each Brother and subsequently conferred the degree of Past Master on each applicant.

Marshall on behalf of himself and other Brethren residing in Reading, Berks County, Pennsylvania, requesting the Grand Lodge of this Commonwealth to grant them a Charter for a Lodge and further stating, that heretofore they had a Charter from the Grand Lodge of Pennsylvania. This communication I have laid before the M. W. Grand Master who directs me to give you notice of the

application, and also to return to the Brethren a letter of which the following is a Copy.

I am resp<sup>y</sup>. and fraternally,

Boston, 11 Aug., 1824.

Brother :

I received your communication dated 8 April, 1824, have laid the same before the Grand Master and am directed to inform you that although the Grand Lodge of this Commonwealth was the first Grand Lodge established in the U. States, and originally granted Charters out of the limits of the States, yet, since the formation of Grand Lodges in the several States it has ceased doing it. To grant Charters to brethren living in another State where a Grand Lodge is established, would be an assumption of Masonic jurisdiction tending to destroy all harmony and intercourse between the Grand Lodges of the respective States. I must therefore inform you that a Charter cannot be granted you by the Grand Lodge of Massachusetts.

Respectfully y<sup>r</sup> Bro. &c.,

J. J. LORING, C. G. S.

Wfl. J. Marshall.

Reading.

Whereas, it appears that Bro. J. Marshall has applied at different times to the Grand Lodges of New York and Massachusetts for a Warrant to hold a Lodge at Reading, within the jurisdiction of this Grand Lodge, and whereas, such conduct is in direct violation of the duty of the said J. Marshall due to this Grand Lodge, and in opposition to the legitimate sovereignty of every independent Grand Lodge, therefore,

Resolved, that the said J. Marshall be and he is hereby cited to appear before this Grand Lodge on the first Monday in October next, to shew cause why he should not be expelled from the benefits of Masonry.

Sundry Documents were received and read in relation to the proposed Lodge at Lewistown, for which a Warrant was granted in Special Grand Communication on 3 July, the same being under consideration. On motion made and seconded,

Resolved, that the further consideration of the subject be postponed.

On motion made and seconded,

Resolved, that the Grand Secretary write to the Petitioners at Lewistown to ascertain their several wishes and obtain further information on the subjects mentioned in the Documents now read.

On Motion made and Seconded, the following preamble and Resolutions were adopted :

Whereas, the Grand Lodge of Pennsylvania are anxious to display the most profound marks of respect for the memory of their deceased friend Bernard Dahlgren, Esq., late Grand Secretary, and to evince their gratitude for the services rendered by him to the Craft and more particularly to the Finances of this Grand Lodge in the long continued and successful exertion of his talents for their improvement. Therefore,

Resolved, that the Jewels, Hangings and other Furniture of the Grand Lodge of Pennsylvania be placed in mourning for the space of six months, as a testimonial of respect for the memory of their deceased Brother Bernard Dahlgren, Esq., late Grand Secretary of this Grand Lodge.

Whereas, the Loan of \$40,000 at six per Cent Interest made to the Grand Lodge on the first of January, 1810, will be due and payable on the first of January, 1825, and it becomes necessary to make some arrangement for the settlement thereof, either by renewal or payment, therefore be it

Resolved, That the Committee of Finance be authorized to make such arrangements either by renewal or payment for the Loan of Forty thousand dollars as they may consider most beneficial for the Grand Lodge.

On Motion made and Seconded,

Resolved, that a Committee consisting of the Grand Officers and Past Grand Masters be appointed to enquire whether General La Fayette be an Ancient York Master Mason, and if he be, to adopt such measures, as in their opinion will best evince the affection and gratitude of his Masonic Brethren, to this friend and benefactor of the United States.

That they have been led to believe that this distinguished man, for whose attachment and services to this Country our fellow Citizens have evinced the warmest feelings of affection and gratitude has long been an Antient York Master Mason, and has honored the institution by his patronage and added to its usefulness and respectability by a devoted attention to its interests. When all classes are zealous to display their good feelings upon his arrival amongst us, it would seem to your Committee that in a City where the Masonic institutions deservedly stand high, some testimony of respect is due from them to so worthy a brother.

They have been anxious to avoid unnecessary ostentation and expense, but at the same time to treat this guest as becomes the Institution, and his character.

The Committee recommend for adoption the following Resolutions :

Resolved, that a Committee of seven be appointed whose duty it shall be as soon as they have received Masonic information that Gen. La Fayette is an Antient York Master Mason, to invite him to partake with his Masonic Brethren of a Dinner to be prepared for the occasion.

Bro. Charles Stewart,       Bro. W<sup>m</sup>. Gamble.

Bro. I. M. Gamble,       Bro. T. de la Pomerage.

On motion made and seconded, the following Resolution was unanimously adopted.

The Grand Lodge of Pennsylvania glorying in the honour this day conferred on her by the visit of Brother Gilbert Motier de la Fayette, and anxious to enrol among her members an individual so much distinguished by all the virtues which enoble the Masonic Character, has Resolved, that all the rights, dignities and privileges of a member of this Grand Lodge be, and the same are hereby conferred on Bro. Gilbert Motier de la Fayette.

A Committee was appointed to wait upon Bro. La Fayette at his lodgings and conduct him to the Hall. Here he was met at the door by the Grand Marshal and Grand Sword Bearer and received into the Grand Lodge with the highest honours.

The R. W. Dep<sup>y</sup>. Grand Master then rose and addressed Bro. la Fayette as follows :

“Bro. La Fayette.

The Freemasons of Pennsylvania welcome you to their home with sincere and universal pleasure.

Warmly participating in the sentiments which have every where spontaneously burst from our fellow citizens in the lively gratitude for the services you have rendered our Country, in admiration of your high and various virtues, and in cordially reciprocating the attachment you have uniformly evinced for our liberties and for our happiness, we owe in addition the pride and sympathy of Masonic Brotherhood. Your meritorious life has, indeed, justly illustrated our principles ; and those who now surround you, feel that like Washington, and Warren and Franklin, you have won their most affectionate veneration, by shedding honour on their beloved fraternity. Always contending, General, in the great cause

of human rights, your success has equalled the disinterestedness and perseverance of your devotion. In America, as the companion and friend of the wisest and best of mankind, you will ever be regarded as one of the founders of the greatest, purest and happiest of Republics ; while, in your native land it cannot be forgotten, that amidst the storms of political revolution, and through every vicissitude of personal fortune, you have stood an inflexible example of consistency, moderation and firmness. These impressions, common to the people of the United States, but most dear to us, are now indelibly inscribed upon the records of history and will pass to our latest posterity with the sanction of national unanimity. Receive then most valued Brother, the most heartfelt benedictions of our sacred institution ; receive the homage of free and upright men, who love you as an early benefactor and whose affection must remain as secure as your own virtues and as permanent as your own glory.

I have also the honour of presenting you with a Resolution passed unanimously by the Grand Lodge during its present session, constituting you one of its members. I hope you will accept this as an additional evidence of the high sense they entertain of your virtues and of the services you have rendered to mankind in general and to Masonry in particular."

To which Bro. La Fayette made the following reply :

Right Worshipful Grand Master and Brethren :

I have often thought that we owe as much to our enemies as to our friends, and if this observation is true, it is most true, when applied to us as Masons. It is to the enmity and the persecutions of a Francis the 2<sup>d</sup> and Ferdinand the 7<sup>th</sup> that the Masons of Europe in Modern times have been indebted for opportunities of proving through much suffering and peril, that our principles are pure, and that their devotion to them is unchangeable. The Lodges of Spain in particular have been the victims of royal fears, but though dispersed, their members still are Masons, and though much oppressed, their light has not been extinguished.

You R. W. Sir and Brethren, reposing under the cover of your own peaceful institutions, hear of these things only by

the report of those who come to admire your prosperity and to share by your hospitality, the fruit of your labours.

I thank you for the honour you have just conferred on me, and assure you that I shall never forget this mark of your kind distinction, by which I am made the member of a body of which Franklin was the father and Washington the associate.

The Brethren were now severally presented to Bro. La Fayette when Grand Lodge closed in harmony at half past five o'clock.

#### Masonic Dinner.

A sumptuous Banquet prepared by Bro. Daniel Rubicam being ready in the Grand Saloon and adjoining Banqueting Room, the Brethren entered in the following order :

Lodges in the order of Juniority.

Sojourning Brethren.

Grand Tyler.

Grand Pursuivant.

Grand Stewards.

Grand Deacons.

Grand Chaplain.

Grand Secretary, Grand Treasurer.

Grand Wardens.

Invited Guests.

Brother *La Fayette*.

supported by the R. W. Acting G. M. and D. G. M., P. T.

The Decorations of the room were prepared under the Direction of Bro. Haviland, to whose refined taste and superior skill the fraternity were under great obligation ; the beautiful Saloon and banqueting room never appeared to so great an advantage.

The Brethren sat down at six o'clock in the afternoon ; feelings of hilarity, mirth and masonic brotherhood prevailed at the festive board. After the removal of the cloth a number of excellent toasts were given followed by appropriate music from the Marine Band attached to the Navy Yard, for whose services the fraternity were indebted to the politeness of Bro. I. M. Gamble, commanding the Marine corps on this station.

The Company adjourned at a proper hour, much gratified with the events of the day.

The Committee appointed on the 1st March to enquire into the expediency of procuring a new Seal and Seal Press, made the following Report, which with the accompanying Resolutions was adopted :

To the R. W. Grand Lodge of Pennsylvania :

The Committee appointed in March last to enquire into the expediency of procuring a new Seal and Seal Press beg leave to Report,

That the present seal of the Grand Lodge, originally of coarse workmanship and engraved on a bad material, is much worn.

The Seal Press is wholly inadequate to the purpose for which it was intended. Dry impressions of either seal cannot be given by this press, and fair impressions of the Grand Lodge Seal can with difficulty be given even when a Wafer is employed.

The Committee recommend the adoption of the following Resolutions:

Resolved, that a Committee of three be appointed to procure a Seal Press, constructed on the lever principle, and a seal of such design and workmanship as may be approved by the Grand Officers.

Resolved, that the said Committee be authorized to dispose of the present Seal Press as they may deem expedient.

JAMES HARPER,  
THOMAS KITTERA,  
SAMUEL BADGER.

The Grand Master was pleased to appoint Brothers James Harper, Thomas Kittera and Samuel Badger a Committee for the above purposes.

On motion made and seconded, the Comm<sup>e</sup>. appointed 24 Decem., 1822, on collections for Lodge N<sup>o</sup>. 143 were discharged.

The Committee appointed on the 24 June on the a/c of Nos. 43 and 52 presented the following Report:

The Committee to whom were referred the Communications from Lodges No. 43 and 52 and a number of similar communications from other Lodges in relation to the a/cs of the Grand Lodge against them for Errors and Omissions beg leave to Report,

That many persons were returned by the different subordinate Lodges as members, to some certain time, and afterwards omitted without any reason being assigned for such omission.

That in many instances, petitioners for a Warrant have never been returned to the Grand Lodge as members of the Lodge warranted in consequence of the Petition.

The Accounts referred to in the communications before your Committee, contain debits for dues on all members and peti-

tioners omitted, calculated to the 27 December, 1823. It appears that few of the persons omitted are acknowledged as members of the Lodge debited with their dues, a number are accounted for, and errors in former Returns thereby corrected. Many of the persons omitted, it is stated, withdrew, died, were suspended or expelled about the time they were last returned and that no evidence of the fact appears on the Minutes of the Lodges. In several instances it is only supported by the general and imperfect resolutions of some of the present active members.

As it is of great importance that the a/cs of the Grand Lodge with the subordinate Lodges should be satisfactorily adjusted and the number of members ascertained to a point from which both may mutually start, your Committee are of opinion that the Grand Secretary should be allowed to adjust all the stated differences on principles of equity, when the several subordinate Lodges shall have rendered the most correct supplementary Returns their respective situations will enable them to make.

Your committee perceived with regret in the course of their investigations, that many difficulties and irregularities have arisen from Warrants being granted on Petitions, signed by brethren who were at the time members of other Lodges, and also from Masons being admitted to membership in a Lodge, before they had withdrawn from the Lodge they personally belonged to.

They recommend the following Resolutions for the adoption of the Grand Lodge :

Resolved, that the Grand Secretary be and he is hereby authorized to adjust the a/cs of the subordinate Lodges up to the 27 December, 1823, and all differences relating thereto on the principles hereinbefore stated.

Resolved, that hereafter no Warrant shall be granted on any petition, unaccompanied by Certificates from the Lodges to which the petitioners last belonged ; or by other satisfactory evidence that they are not members of other Lodges.

Resolved, that it be communicated to the subordinate Lodges, that no Lodge shall admit a brother to membership

therein until he has produced a certificate from the Lodge to which he last belonged, or other satisfactory evidence that he is not a member of another Lodge.

Decem. 20, 1824.

JOSIAH RANDALL.

THOMAS KITTERA.

A Return to the Dispensation to constitute Lodge N<sup>o</sup>. 192, at Bellefonte, was read and ordered to be filed. The said Lodge was duly constituted on the 26 November last.

The following Report was received from the late R. W. District Deputy Grand Master, Bro. William R. Smith, read and ordered to be filed, viz :

Huntingdon, 27 Dec., 1824.

To the Right Worshipful James Harper, Esquire, Grand Master of Masons in and for the Commonwealth of Penn<sup>a</sup>. and Masonic jurisdiction thereunto belonging.

R. W. Sir and Brother,

In fulfilling my Duties as District Deputy Grand Master of the third Masonic District of Pennsylvania I make the following Report of my proceedings under the authorities vested in me by the Warrant of the late R. W. Grand Master :

My Report to the R. W. the Grand Lodge dated 1 December, 1823, gave the names of eight brethren of Lodge N<sup>o</sup>. 178 on whom I had conferred the Degree of P. Master Masons in y<sup>t</sup>. Lodge by Dispensation. The same Report gave the names of Two Brethren on whom I had conferred the Degree of Master Masons in Lodge N<sup>o</sup>. 178 by Dispensation. Subsequent Letters to the Grand Secretary gave the names of several other Brethren on whom the degree of Past Masters was conferred by Dispensation.

Since Decem. 1, 1823, I have issued Dispensations to the following named Brethren. (Here follow the particulars of 10 dispensations to pass the Chair and 3 ditto to enter, pass and raise ; also a statement of a/c shewing \$40 to be due to the Grand Lodge.)

I take leave to state to the R. W. the Grand Lodge that in *every instance* wherein I have granted Dispensations, I conferred the Degree myself ; as believing the degree thus conferred was equivalent to a *Lecture* on such degree to the Lodge in which it was conferred ; and also to an official *visit* to inspect the labours of the Lodge.

The Counties composing the third Masonic District of Pennsylvania under the present Regulation of the R. W. the Grand Lodge are Dauphin, Mifflin, Centre, Huntingdon, Bedford, Somerset and Cambria.

In Dauphin County Lodge N<sup>o</sup>. 21, at Harrisburg, is correct in its work, and is increasing in strength. Being located at the seat of government, during the Winter Season the lodge is well attended by visiting Brethren and extra meetings are often held for the purpose of conferring degrees on brethren who wish to arrive at a seat in the Chapter, which is also here established under Warrant N<sup>o</sup>. 21. For two Winters preceeding this time, I have been a regular Visitor of this Lodge and have much pleasure in bearing testimony to its good conduct.

Lodge N<sup>o</sup>. 141, Halifax, Dauphin County, has been for some years in a declining state. Its situation is in a remote part of the County and not much intercourse is had with the neighbouring Lodges, or with visiting Brethren. I paid them an official visit in February last at their request and delivered three Lectures on the primary degrees of Masonry. I trust that this visit will have a good effect as I found the Brethren much gratified to experience, that although by distance removed from the great body of the Fraternity, yet they were not totally neglected by the Grand Lodge.

In Mifflin County a number of Brethren applied in June last for a Warrant to constitute a new Lodge at Lewistown, to be called Zion Lodge; but some dissatisfaction occurring among the brethren after the Warrant has been granted and the officers named in the Warrant declining to serve or removing from the County, a new application was made and all proceedings thereon are still before the Grand Lodge as I have yet received no information of the Warrant having been granted to the new applicants.

In Centre County on the 26<sup>th</sup> November, 1824, having received an authority from the Grand Lodge to constitute a new Lodge at Bellefonte, to be called the Central Lodge of Penn<sup>a</sup>. N<sup>o</sup>. 192. I attended for that purpose and opened a Lodge having first called a sufficient number of Past Masters to my assistance, when I installed the Honourable Thomas Burnside

as Master, and the other Officers named in the Warrant, and the Lodge is now duly constituted.

In Huntingdon, Lodge N<sup>o</sup>. 178 is in a flourishing condition. A Hall has been finished by the Lodge in a neat style and they are preparing for a Chapter of H. R. A. Masons. This Lodge works uniformly well, and though they are able to keep their dues to the Grand Lodge regularly paid, yet they have suggested to me as their Master, the propriety of applying to the Grand Lodge for an indulgence in collecting their dues of *this* year, for *two* years in order to enable them to complete their building. At the end of that time they will be prepared to pay their debt, as the Lodge increases rapidly in its Members; But this matter will properly come before Gr<sup>d</sup>. Lodge in its proper form by Petition.

In Bedford County, the Lodge has lost its Warrant, and no attempt is making to revive it.

In Somerset County, I have not visited, but an interview was had by me with some of its Members in October last at Ebensburg, in Cambria County, when they promised to collect all the Brethren in the County at some proper period, and on giving me timely Notice, I also promised to attend and deliver them Masonic Instruction.

In Cambria County no Lodge has ever been established.

In October last, at the request of the Brethren of Geo. Washington Lodge, Chambersburg, Franklin County, and on intimation that it was by the request also of the Grand Master, I attended at Chambersburg and assisted the Brethren in opening and constituting a H. R. A. Chapter. I also gave them instruction in the prior degrees of Mark Master and Most Excellent Master each of which Lodges was opened and several labours performed.

I have much pleasure on viewing the situation of the Masonic District, to be able to say, that the progress of the Royal Art has been lately very great. Three years since, the only Lodges in District were in Dauphin County; Lodge N<sup>o</sup>. 178, commenced with Five Members only and it now has about 50. Two new Lodges have been applied for; one in Centre County which has been established, and one in Mifflin

County, whose Warrant is issued but under consideration and every prospect of continued increase in the Craft is fairly exhibited.

From my place of residence to Harrisburg is 95 miles. To Bellefonte 45 Miles. To Bedford 50 Miles. To Somerset 100 Miles. To Ebensburg 48 Miles. To Lewistown 35 Miles. This exhibits a large District, and I do so in order to account for infrequent visitations to the Lodges. I endeavour as much as is in my power to repay the Honour conferred on me by attention to the interests of the Grand Lodge and the benefit of the Fraternity.

I have the honour to be

R. W. Sir

Your Brother,

W. R. SMITH,

D. D. G. M.

3<sup>d</sup>. M. District.

A Report from the Comm<sup>e</sup> of Finance to whom was referred a communication from Lodge N<sup>o</sup>. 61, in relation to their Debt to the Grand Lodge was read and adopted, Viz :

To the R. W. Grand Master of the Grand Lodge of Penn<sup>a</sup>. &c.

The Committee of Finance to whom was referred the communication from Lodge N<sup>o</sup>. 61, held at Wilkesbarre, dated 4 October, 1824,

Report,

That having taken the same into consideration, they are of opinion, that it would be expedient for the Grand Lodge to settle and adjust the Accounts of said Lodges and receive from them annually the sum of Forty Dollars in payment of their old debt, agreeably to their proposition of date 1 March, 1824.

Therefore Resolved, that the Grand Secretary be authorized to settle the a/c of Lodge N<sup>o</sup>. 61, on the above named principles.

Philadelphia, 14 Jan<sup>y</sup>. 1825.

WILLIAM PAGE.

ROBERT TOLAND.

WILLIAM BOYD.

W<sup>m</sup>. F. SEEGER.

The following Preamble and Resolution were offered by the Committee of Finance and adopted.

Whereas, the Grand Lodge is indebted to Lodge N<sup>o</sup>. 9, three hundred dollars and to Lodge N<sup>o</sup>. 59, two hundred dollars, which sums are secured by the Bonds of this Grand Lodge bearing an Interest of six per Cent annually, and Whereas, there are surplus funds in the Treasury of the Grand Lodge, which if applied to the Sinking Fund cannot be made to produce an Interest of five per Cent per Annum, therefore

Resolved, That the Grand Master be authorized to tender to Lodges N<sup>o</sup>. 9 @ 59 Certificates of Stock payable 1st Janu<sup>ry</sup>. 1835, bearing Interest at the rate of Five per Cent per Annum, at a premium of  $1\frac{7}{10}\%$  per Cent, being the same terms on which the Loan of \$19,000 has been recently procured, and in case the aforesaid Lodges shall decline receiving such Certificates in lieu of their Bonds, that the Grand Master be authorized and requested to draw an order on the Grand Treasurer for the Amounts due to the Lodges N<sup>o</sup>. 9 and 59.  
Philad., 14 January, 1825.

The R. W. Grand Master was pleased to appoint Brothers Randall and Y. F. Gordon on said Committee.

A petition was received and read from Cha<sup>s</sup>. S. Riche and others, members of Lodge N<sup>o</sup>. 25, held at Bristol, whose Warrant was some time since suspended for delinquency of Dues, but recently restored under the sanction of the Resolution adopted 20 December, in relation to suspended Lodges, praying for leave to elect and instal their officers for the purpose of re-organizing said Lodge.

Resolved, That the Prayer of the Petition be granted.

A Petition was received and read from Lodge N<sup>o</sup>. 22 stating that they had enclosed the sum required by the Grand Lodge for the restoration of their Warrant and praying for leave to elect and instal their Officers.

Grand Lodge to adjust and regulate the effect of suspensions and expulsions under each jurisdiction and to report to the R. W. Grand Lodge and to the M. E. Grand Chapter respectively, subject to their final decision and requesting the R. W. Grand Lodge to appoint a like Committee to confer with a Committee of the Grand Chapter.

On Motion made and Seconded,

Resolved, That a Committee of three be appointed in uniformity with the request of the Grand Chapter.

The R. W. Grand Master was pleased to appoint Brothers Keyser, Horn and Wray on said Committee.

The following Preamble and Resolution were offered, viz :

Whereas, it has been represented to this R. W. Grand Lodge in a communication from Brother G. Mallory, R. W. D. Dep<sup>y</sup>. G. M., and sundry communications from B. John De Pui to the R. W. Grand Master, as well as to the M. E. Grand H. R. A. Chapter, that certain Lodges under the jurisdiction of this Grand Lodge, have infringed on, and violated the good Rules and Regulations of the same, but more particularly in conferring the degrees of M. E. Master and Royal Arch, under the Warrants of Blue Lodges, under this jurisdiction, thereby violating and in direct contradiction to the constitution granted by this Grand Lodge to the Grand H. R. A. Chapter of the State of Pennsylvania, duly ratified and adopted by them in May last.

And Whereas, it is of importance to this Grand Lodge, as well as to the Grand H. R. A. Chapter that an immediate and effectual Check should be put to these informalities and irregular proceedings, therefore

Resolved, That this Grand Lodge communicate to all the Lodges under this jurisdiction that by a constitution granted to the M. E. Grand H. R. A. Chapter of the State of Pennsylvania, it is the exclusive prerogative of the same to issue Warrants for holding Lodges of Mark Masters, M. E. Masters and Royal Arch Chapters ; to superintend, control and have exclusive jurisdiction over them, and that their right to congregate and confer these degrees under the Warrant of a Blue Lodge is contrary thereunto and was revoked by said Constitution.

Resolved, That the Committee on the communication from the Grand Lodge of Maine be discharged.

A Report was received and read from the Committee appointed on the 27<sup>th</sup> Decem. on the proceedings of Lodge N<sup>o</sup>. 21, in the Initiation of Dean Weymouth; also, the correspondence between Brothers Randall and Kane on the same subject. And being under consideration

On motion made and seconded,

Resolved, That the same be laid on the table together with the following Resolutions offered thereon by Bro. Randall:

1. Resolved, that although the case of E. W. Hollis does not justify the conduct of Lodge N<sup>o</sup>. 21 as a precedent in the case of Dean Weymouth, yet as it clearly appears that the Officers and Members of Lodge N<sup>o</sup>. 21, acted conscientiously and did believe themselves justified by the precedent in the case of Hollis, it is unnecessary to take any other measures in the matter.

2. Resolved, that the Committee appointed be discharged from the further consideration of the subject.

3. Resolved, that the Grand Secretary be directed to send a Copy of the above Resolutions to Lodge N<sup>o</sup>. 21.

4. The following Report was received from Bro. Jos. Kingsbery, late D. Deputy Grand Master for the Counties of Bradford, Tioga and Lycoming, and ordered to be filed :

Sheshequin, 2 Feb<sup>y</sup>. 1825.

To the R. W. Grand Lodge of Penn<sup>a</sup>. :

In compliance with my duty as District Deputy Grand Master for the Counties of Bradford, Tioga and Lycoming, I take leave respectfully to report,

That it is with pain and regret that I have viewed the unprosperous situation of the Lodges in my District, and the more so, as it has been utterly out of my power to put the Lodges on that footing that would give me pleasure in seeing them placed. These difficulties have arisen from the debts due from the several Lodges to the Grand Lodge, and are standing in their present amounts. In some of the Lodges from want of economy, and in others from losses and misfortunes which have left them without funds or immediate means to discharge their dues.

I flatter myself however that these difficulties will be got over and I think I can perceive a prospect of better and more prosperous times for masonry in this quarter. I may except Lodge N<sup>o</sup>. 120. This Lodge has not been well managed and is now so deep in difficulties that I see no way for them to recover their standing. I may possibly express some fears for N<sup>o</sup>. 150. I am not without hopes however, that this Lodge will surmount its difficulties. N<sup>o</sup>. 163 I trust will recover its standing.

The embarrassed situation of the Lodges in my district has

prevented the progress of the knowledge of Masonry in the higher degrees. I have not had one application for passing the Chair during the last year, consequently I have no funds to remit to the Grand Lodge.

I remain, with the highest respect and regard, the Grand Lodges fraternal Brother and obdt<sup>t</sup> St.,

JOSEPH KINGSBERY,  
D. D. G. M.

On motion made and seconded,

Resolved, that a copy of the 4<sup>th</sup> Resolution be communicated to each of the subordinate Lodges.

Resolved, that Brother Dean Weymouth be furnished with a Grand Lodge Certificate.

A Return to a Deputation granted to Bro. Tho<sup>s</sup>. Hartley Crawford on the 5 September last, was received and read, whereby it appeared that thirteen brethren had been passed to the Chair by dispensation in Lodge N<sup>o</sup> 143 between the 5 Septem. and 27 December last.

On motion made and seconded, the same was ordered to be filed.

A letter was read from Bro. Jos<sup>h</sup>. Kingsbery, late W. M. of late Lodge N<sup>o</sup> 70, Athens, stating that the Lodge could go on and comply with the regulations of the Grand Lodge if it was allowed four years credit for the dues previous to 27 December, 1824.

On Motion made and seconded, the said letter was referred to the Committee of Finance to enquire and make Report.

The following Reports were received from the Committee of Finance and adopted, viz :

Phil<sup>a</sup>. 4 Mar., 1825.

An account was presented from Rob. Desilver for Stationery furnished to the Grand Treasurer and by him certified to be correct amounting to \$8<sup>50</sup>. On motion made and seconded, the same was ordered to be paid.

A communication was received and read from Brother I. M. Porter and Chris<sup>n</sup>. I. Hütter a committee of Lodge N<sup>o</sup>. 152, Easton, stating that there is a Lodge at Philipsburg opposite to Easton, working under a Warrant from the Grand Lodge of New Jersey, all of whose officers are residents of Penn<sup>a</sup>, that a person who is a resident of Easton, and desirous of being initiated in Lodge N<sup>o</sup>. 152, but was advised not to apply on account of his intemperate habits, had since made application to the Lodge at Philipsburg, which had appointed a Committee thereon.

The Comm<sup>e</sup> of Lodge 152 Solicit this Grand Lodge to take the matter into consideration and adopt such measures as will prevent all clashing of jurisdiction between the Lodges in this State and those of neighbouring States.

On motion made and seconded, the above communication was referred to the Committee of correspondence to enquire and make report.

The Committee on the Preamble and Resolutions offered by Brother Steele reported as follows :

To the R. W. Grand Lodge of the State of Pennsylvania :

The Committee to whom was referred the communication made by Brother Steele on the 17 January last,

Respectfully report,

That they have attended to the duty assigned them and offer the following Resolutions for the consideration and adoption of the Grand Lodge :

1. That the Grand Lodge transmit to each of the subordinate Lodges under its jurisdiction a copy of the Constitution, Rules and Regulations for the government of mark master masons and most excellent Master Masons Lodges and of Royal Arch Chapters within the bounds of its jurisdiction.

2. That the Grand Lodge do recommend to all the Lodges of Mark Master Masons and Most Excellent M. M., and to all Chapters of Royal Arch Masons within the bounds of its juris-

diction to conform to the provisions contained in the said Constitution, Rules and Regulations.

3. That no Lodge under this Jurisdiction has by the virtue of the Warrant of this Grand Lodge the right, hereafter, to confer any other degrees than those of Entered Apprentice, Fellow Craft, Master Mason and Past master, and that no brother can receive the degree of Past master unless duly elected W. M. of a particular Lodge or by virtue of a dispensation regularly issued and obtained for that special and specific purpose.

All of which is respectfully submitted.

The above report was adopted.

The Committee appointed on the 17 Jan<sup>y</sup>. to confer with a Committee appointed by the M. E. Grand Chapter on the subject of suspensions and expulsions made a Report which, on Motion made and seconded, was laid on the table.

The Committee of Finance to whom was referred a Memorial from Lodge N<sup>o</sup>. 160, Philadelphia, in relation to their debt to the Grand Lodge presented the following Report which was adopted.

To the R. W. Grand Lodge of Penn<sup>a</sup>.

The Committee on Finance to whom was referred the within memorial from Lodge N<sup>o</sup>. 160, Report, that they have carefully examined the merits of the application, from which they have arrived at the conclusion, that it would be inexpedient to accept the proffered note of G. Howorth in favour of S. P. Barbier in part payment of their dues; the Committee however, is inclined to grant the same indulgence which had been extended to other Lodges similarly situated, by requesting Lodge N<sup>o</sup>. 160 to pay regularly their current dues and toward the arrearages adverted to in the within memorial, a sum not less than forty dollars per Annum, on compliance with which a further extension of time is recommended.

Therefore Resolved,

That the Grand Secretary, be and is hereby authorized and directed to grant Lodge N<sup>o</sup>. 160 the indulgencies embraced in the principles above expressed.

A communication dated Shawneetown, 16 November, signed James Hall, Dep<sup>y</sup> Grand Master and others, was read stating the establishment of a Grand Lodge in Illinois, the difficulties under which its subordinate Lodges laboured from the debts they owed to the respective Grand Lodges under whose Warrants they formerly worked, and requesting that these Grand Lodges would transfer their claim to the Grand Lodge of Illinois for the debts due by their respective subordinate Lodges in Illinois.

On Motion made and seconded, the said communication was referred to the Grand Master with a request that he would direct a proper answer to be made thereto.

A Report was received from the Committee appointed on the 20 Decem. last on the Communications from the Grand Lodges of New Hampshire and New York and on motion made and seconded, was laid on the table.

Gibbons to the Grand Sec<sup>y</sup> in relation to a second ballot taken in Lodge N<sup>o</sup>. 151, Allentown, by leave of the Grand Lodge on Samuel Marks, a candidate for Initiation, were read and the Grand Secretary directed to return a suitable reply.

The following report of the Committee of Correspondence was read and adopted :

“To the R. W. Grand Lodge of Penn<sup>a</sup> :

The Committee of correspondence to whom were referred sundry documents from Easton Lodge, N<sup>o</sup>. 152,

Respectfully Report,

That the Statements therein contained are not only of importance as they relate to the rights and sovereignty of this R. W. Grand Lodge, but are equally important as they affect the character of the fraternity at large.

Numerous as are the Grand Lodges of the United States, it has been found necessary for their mutual convenience to confine their labours with much caution to the State within which they are located. To repress every irregularity which may occur is difficult, but the moment instances are made known of an infringement upon the well known rules that exist, it is the duty of the Grand Lodge affected to make them known to the brethren for correction, which your Committee is well assured will always be promptly afforded.

It appears that there is located at Philipsburg, in Sussex County, New Jersey, directly opposite the Borough of Easton, a Lodge of Masons called Olive Branch Lodge, N<sup>o</sup>. 16, held under the Warrant of the R. W. Grand Lodge of New Jersey, that the present officers of the said Lodge are resident Citizens of Easton in the State of Pennsylvania. It is stated that G. W. Desher, Esq., of the Borough of Easton, intimated a wish to become a member of the Masonic family for which purpose he applied to the W. M. of Easton Lodge, (Brother Miller) who very properly gave him no encouragement, as it appeared, on consultation with other members of Easton Lodge, that Deshler would be opposed on the ground of his intemperate habits, which were such as would bring discredit

on the Craft ; since that time Mr. Deshler has, at the request of Brother William Gray, then Master of Olive Branch Lodge, who was conversant with all the facts before stated, applied to that Lodge for Initiation, and a Committee has been appointed to make the necessary enquiries, the result of which is at present unknown.

Another circumstance has come to the knowledge of your Committee which they think it is not travelling out of the line of the duty assigned them to notice, it being immediately connected with the aforesaid subject ; that is, that many brethren under the jurisdiction of this R. W. Grand Lodge go from Penn<sup>a</sup> to the Lodges in Maryland to be passed to the Chair, which we understand is done in that State without a dispensation or expense to the applicant, by which the R. W. Grand Lodge of Penn<sup>a</sup> is deprived of the pecuniary benefit which she is fairly entitled to from members under its jurisdiction.

That brethren residing within the Territory of this Grand Lodge should pass into another State, and form themselves into a Lodge, under the Warrant of a Grand Lodge of such state for the purpose of avoiding the jurisdiction of the Grand Lodge within whose limits they live, is wholly at variance with the well known adopted usages of the Grand Lodges of the United States. To the Grand Lodges of the State in which they reside the Brethren are properly amenable. Under their eye, their conduct is to pass for review, and under their controul the Masonic labours to be conducted. In no other way could the harmony of the whole system be preserved and the various parts of the great Masonic family be happily regulated.

Your Committee offer for consideration the following resolutions:

Resolved,

That the Grand Secretary be directed to communicate to the Grand Lodge of New Jersey the facts herewith stated, with a request that that Grand Lodge may adopt such measures as are expedient to correct the evils complained of.

Resolved,

That this Grand Lodge will unite in any measure as may be the means of correcting further complaints.

T. B. FREEMAN, } Comm<sup>e</sup>.  
SAM. H. PERKINS, }

A Letter was read from Brother J. S. Lewis, offering to continue performing the duties of Grand Treasurer until the close of the present quarter. On Motion made and Seconded, Resolved,

That Brother Lewis' offer be accepted, and that his resignation take effect from the 31st inst.

The Grand Lodge proceeded to ballot for a Grand Treasurer, when it appeared that Brother Robert Toland had a majority of the votes; he was thereupon declared to be duly elected.

Brother Josiah Randall, R. W. P. G. M., from the Committee to whom were referred the Preamble and Resolutions, presented by him, relative to the Communication from the Grand Lodge of Maine, made the following Report, which after due consideration was adopted without amendment:

The Grand Lodge of Pennsylvania have received the last Annual Publication of the proceedings of the Grand Lodge of Maine. They have perused them with all the attention which the proceedings of a body so respectable and intelligent certainly merit. And if, on any subject they find themselves compelled to dissent from the opinions therein expressed, they do it with reluctance, and undiminished affection for, and deference to, those from whom such opinions have emanated.

In page 9 @ 10 of this Communication it is stated the Grand Lodge of Maine having determined that to change the mode in which the Masonic Degrees have hitherto been delivered throughout the World, would not violate any Masonic principle, nor remove any Land-mark, while a contrary principle would go to exclude a portion of our fellow Citizens among the most conscientious and virtuous in the Community.

The manner in which Masonic Degrees have hitherto been conferred, so far as it is connected with the subject matter

now under consideration, is believed to be uniform and universal. It is not the practice of a day, a year, a single age, nor of a single nation, but of the whole Masonic community from its first existence to the present moment throughout the world. If such a constant and uninterrupted practice do not render this form and ceremony an usage, a custom, a masonic principle and a land mark, the Grand Lodge are at a loss to know what authority or what tradition will create a land mark or what is a land mark? Secrecy is the sacred ligament that unites the craft together, separates them from the world and renders them within themselves one and indivisible. Destroy or weaken this bond and the principles of the order will degenerate into an useless, neglected and theoretical system of ethics.

It is said, however, that our present system excludes many conscientious and virtuous individuals of the Community. It is conceded that the usage in question may, if known, have a tendency to produce this result; but surely this is not a novel objection against masonry. Every Mason knows, without having them recapitulated, the numerous physical and moral qualifications necessary to render a candidate worthy of being initiated into our mysteries, the want of any one of which, for ever bars the door against him, and yet if this reason have any validity, all these land marks may be abrogated and a new age of reason and philosophy substituted. It is unnecessary to pursue this subject further. Every mason can suggest the various disqualifications that are and have been acknowledged from time immemorial in our order.

There is no injustice in these restrictions, we compel no one to become a member of our order, every one comes from his own free will and accord, and if any one dislike our principles or our forms, he can abstain from, or cease to continue any further connection with us.

But if we should intend really to satisfy that portion of the Community for whom these concessions are proposed to be made it would be useless to stop here; the name of the Supreme Architect of the Universe would, on the most solemn occasion, be omitted, the great light of Masonry itself would

for a time become extinguished, and the most imposing scenes of our Masonic labours converted into a dry and uninteresting repetition of what would become worse than worthless, our forms and ceremonies would be perverted and the noble edifice of the order would present nothing but the wreck of what it once had been; an institution venerable for its antiquity and simplicity.

The Grand Lodge of Pennsylvania lay no stress upon the consequences that would accrue from the innovation, the prevarication that might be used, the abuse that would arise from the affectation of conscientious scruples; there are consequences which of themselves would present insuperable objections on the ground of expediency, did the right to make the change exist, because it will be remembered that the whole craft are dependant upon the discretion of every member of the order, and that a single individual can at any time sacrifice the interests of the whole masonic community.

The right to make the change, however, is absolutely denied. The innovation proposes to make a mason in a manner essentially and totally different from that in which any individual has ever yet, to our knowledge, been initiated, and this of itself is believed to be a decisive objection.

The Grand Lodge are aware, it may be said, mankind are in a progressive state of advancement and that masonry like other institutions must improve. Imperceptible alterations may take place in unimportant particulars, but even these should be narrowly watched, and to adopt this principle to the extent proposed would be nothing more than to lay the foundation for the utter destruction of the order. Whenever it shall be conceded that improvement justifies innovation, and each individual mason, each Lodge, or even Grand Lodge, shall become the judge of what constitutes improvement, then, instead of having one universal language sounding its cheering notes throughout the world, we shall have as many languages as there were at the tower of Babel after the confusion of tongues.

The Grand Lodge cannot express their sentiments on this subject with more energy than by using the language of the

Grand Convention of the Lodges in Pennsylvania, held on the 25 February, 1823. That body, the most august and dignified assemblage which ever deliberated in this Commonwealth on the interests of the Craft, thus express themselves in a report, which, amidst conflicting opinions on almost every topic was unanimously adopted.

“Your Committee would feel themselves wanting in their duty were they not to recommend the strictest adherence to the ancient mode of work, and a vigorous and steady opposition to every innovation. In masonry, unlike other institutions, forms and ceremonies are essential; they constitute an important part of that universal language by which a mason makes himself known to his brethren, and finds a friend in every clime, and under every situation. Our ceremonies are the arteries to our vitals by which the health and vigour of the masonic body are maintained. To hand our mysteries down unimpaired, as we have received them, is a most solemn and serious duty. Upon their preservation depend not only the benefits, but even the existence of the order. It may be truly said, when we leave our ancient landmarks we are at sea without compass or rudder. We are tossed upon the waves of uncertainty, without a guide, by which we can steer our course and navigate our bark into a safe and secure haven.”

But the ancient mode of work could exclude none from our order unless a disclosure should be made to the candidate, in itself reprehensible. It is true, the Grand Lodge of Maine have made a publication to the World; it has been done no doubt inadvertantly and from any but impure motives, but it is a precedent, which it is hoped will never be imitated. When a candidate presents himself at the door of Masonry, he is informed that his masonic duties are not inconsistent with the revealed will of God to man, the precepts of morality or the laws of his Country, and this is and ought to be the extent of the information given to him; for all beyond these declarations, he must confide in those who have gone before him and to whom he has applied for assistance on the solemn and interesting occasion.

In this Commonwealth founded by the immortal Penn, where, in political institutions, these conscientious scruples have from the earliest settlement of the province been protected, it would ill become us to deny any practical toleration within the scope of our legitimate authority; but our duties are imperative and we have no alternative.

If then these principles be correct it follows that any individual made according to the plan proposed by the Grand Lodge of Maine, is introduced into our order in direct opposition to its land marks and as to all true and lawful masons as a Cowan and a stranger with whom we can have no masonic intercourse.

The Grand Lodge of Pennsylvania therefore adopt the following resolutions:

1. (See minutes of 7 Feb<sup>r</sup> for this Resolution then adopted, page 303.)

2. Resolved, that this Grand Lodge feel themselves bound to refuse to recognize any person as a Mason known to be initiated in the mode proposed by the Grand Lodge of Maine.

3. Resolved, That the Grand Sec<sup>r</sup> be requested to transmit a copy of these proceedings to the Grand Lodge of Maine for their consideration.

4. Resolved, That the Grand Secretary be requested to transmit a Copy of these proceedings to the respective Grand Lodges of the United States in correspondence with this Grand Lodge.

The Grand Lodge adjourned in harmony at 10½ o'clock, P. M. to meet on Monday the 4th April next, for the purpose of receiving and considering the report of the Committee on an Ahiman Rezon, &c.

Nineteen Lodges being represented, the Grand Lodge was opened in Ample form at half past seven o'clock in the evening.

Returns were received and read from Lodge N<sup>o</sup>. 21, Harrisburg, containing the expulsion of G—— H—— for unmasonic conduct.

A letter was read dated 30 March, from Samuel Run, W. M. of Lodge N<sup>o</sup>. 151, Allentown, communicating the expulsion of C. L. H—— and P—— G—— for unmasonic conduct. An appeal from said H—— and G—— against these expulsions was read when the following preamble and resolutions were adopted :

Whereas, it appears by the proceedings of Lodge N<sup>o</sup>. 151, that C—— L. H—— and P—— G—— were expelled by that Lodge without any hearing, notice of charges or opportunity to defend themselves, and it is stated these irregular expulsions were immediately published in the newspapers, and whereas such proceedings are highly censurable and unmasonic, and it further appearing that there are mutual charges against the proceedings of said Lodge, its present Worshipful Master and the said C. L. H—— and P—— G——, therefore,

Resolved, that for the reasons above stated and without prejudging the merits of the accusations, the expulsions by Lodge N<sup>o</sup>. 151, of the said C. L. H—— and P—— G—— be and they are hereby rescinded.

Resolved, That a Committee be appointed to enquire into the circumstances attendant upon the present disputes of Lodge N<sup>o</sup>. 151 and its members, with directions to report the facts and their opinions thereof and that all the documents relative thereto before this Grand Lodge be referred to the said Committee.

Brother George Getz, Francis B. Nicholas and William Wilson were appointed the Committee under the foregoing Resolutions.

The consideration of the Report in part, of the Committee on the Ahiman Rezon was resumed, when, on motion made and seconded, the said report in part, consisting of an entire

code of Rules and Regulations for the government of the Grand and subordinate Lodges and their members, as amended was adopted.

The Committee on the Ahiman Rezon reported the old constitutions of 1717 for publication; the consideration thereof was postponed until the next meeting.

On Motion made and Seconded,

Resolved, That in consideration of the H. R. A. Chapter, N<sup>o</sup>. 51 not having met during the year 1823, the Hall Committee be authorized to remit to the said Chapter one years rent if they shall deem the same expedient.

On Motion made and seconded, the following Preamble and Resolutions were adopted, viz :

Whereas, Brother Joseph S. Lewis has resigned the office of Grand Treasurer of this Grand Lodge, which station he has filled (during the last nine years,) with so much honour to himself and advantage to the Craft during the last nine years, a period of unexampled financial distress, therefore,

Resolved, That the sincere thanks of the Grand Lodge be presented to Brother Joseph S. Lewis for the laborious, faithful and successful manner in which he has managed the funds of this Grand Lodge during the period he has held the office of Grand Treasurer, and that the Grand Lodge regret his inability to discharge any longer the duties of that station.

Resolved, That the Grand Secretary be requested to transmit a copy of the above Resolution to Bro. Lewis. The G. L. Adjourned in harmony at half past ten o'clock in the evening, to meet again on Monday evening the 18<sup>th</sup> inst.

On motion made and seconded,

Resolved, That the Report of the Committee read in Grand Lodge on the 7<sup>th</sup> March last, in relation to the mutual effect of expulsions and suspensions in the Chapters and Lodges, be made the order of the day for the first Monday in June next.

Brother Gowen offered the following Resolution, viz :

Whereas, it does appear to this Gr<sup>d</sup>. Lodge, that so much of the Constitution of the Grand Holy Royal Arch Chapter as sanctioned by Grand Lodge, 5 January, 1824, placing Mark Lodges under the jurisdiction of said G. H. R. A. Chapter has been productive and is susceptible of much mischief arising from the collision of these separate orders, therefore

Resolved, That so much of said Constitution as places Mark Lodges and the Mark Degree under the jurisdiction of said Grand Chapter, as may be interpreted and expressed in the 2<sup>nd</sup>. Article of said Constitution be and the same is hereby repealed.

The following Resolution was then offered by Brother Randall. Resolved, that Bro. Gowen's Preamble and Resolution be referred to the G. H. R. A. Chapter.

And the same being under consideration, it was on Motion made and seconded, that both Resolutions be made the order of the day for the first Monday in June.

The Grand Lodge closed in harmony at half past ten o'clock in the evening.

SAMUEL F. BRADFORD,  
HENRY BENNER.

1825, June 6.

The following Report was received from the Committee appointed on sundry communications relative to Apollos Woodward, and on being read was adopted as amended :

To the R. W. Grand Lodge of Penn<sup>a</sup> :

The committee to whom were referred on the 20 December last, sundry documents then read in Grand Lodge relating to the case of Apollos Woodward and others on the same subject which were heretofore before the committee on land marks, have the honour to report,

That they have not been able to obtain the papers which were formerly referred to the Committee of land marks ; they understand they were accidentally mislaid some months ago and cannot now be found. Your committee have therefore referred to the minute books of the Grand Lodge for a description of their contents and are now enabled to lay before the Grand Lodge, the following statement of facts :

Apollos Woodward applied twice by petition to Lodge N<sup>o</sup>. 106, held at Williamsport, Lycoming County, and was each time rejected, the last time by a number of black balls, when leave was granted to withdraw his petition ; of this he availed himself and shortly afterwards petitioned lodge no. 148, at Northumberland, one of the nearest lodges, recommended by a number of the members of N<sup>o</sup>. 106. Lodge 148, hearing of the rejection in N<sup>o</sup>. 106, applied to that lodge to know what objections its members had to Mr. Woodward's initiation ; the evidence before your committee differs as to the answer given, one acc<sup>t</sup>. stating that extracts of the proceedings of N<sup>o</sup>. 106 as they appeared on the minutes were furnished, another, that it was stated to N<sup>o</sup>. 148 there were no objections.

Mr. Woodward was balloted for, approved and initiated in N<sup>o</sup>. 148 in 1822; he has since applied to N<sup>o</sup>. 106 for admission as a visitor, and on a vote being taken a large majority of the lodge was in favour of the admission, but the W. M. properly decided that he would not admit him until the decision of the Grand Lodge should be known.

There are other facts which have material bearing on the conduct of those two lodges. Both of them disclaim having had any knowledge of the regulation adopted 7 March, 1814, which declares "that a vote of rejection in a lodge shall be final, subject to correction and revision in the Grand Lodge alone." What is rather singular this Regulation is not to be found in the edition of rules and regulations published by authority of the Grand Lodge in 1816, and purporting to contain all those then existing and in force. As lodge N<sup>o</sup>. 148 did not go into operation until 1817 it is very probable they never received a copy of the regulation in question. There was a By law of N<sup>o</sup>. 106 and sanctioned by the Grand Lodge, allowing a person once rejected to petition again after the lapse of a year.

No charges are made against the character of Mr. Woodward; on the other hand it is stated that he is a Justice of the peace in Lycoming County, has held several very respectable offices in the gift of the people and is a highly respectable man.

From the evidence before them, your Committee are of opinion that Mr. Woodward had a fair claim to be recognized as a mason. Lodge N<sup>o</sup>. 106 was undoubtedly to blame in allowing Mr. Woodward to withdraw his petition after having been twice rejected and it was wrong in N<sup>o</sup>. 148 to act at all on the petition of a person residing in the vicinage of another lodge, where he was better known and where the scrutiny of a ballot was against his admission. Such proceedings are not only in direct contravention of the regulations of the Grand Lodge but are eminently calculated to create unpleasant feelings and jealousies among neighbouring lodges and disturb the harmony of the Craft.

Your Committee apprehend that the temptation of the

initiatory fees has sometimes actuated lodges in the admission of members and to this cause may be ascribed the admission of persons into our order whose immoral conduct and inveterate bad habits are calculated to throw much discredit on our fraternity in the eyes of the community. Too much caution cannot be exercised in ascertaining the necessary qualifications of a candidate.

Your committee trust that the forthcoming publication of the Ahiman Rezon will effectually prevent a recurrence of irregularities such as have been permitted in the Lodges at Williamsport and Northumberland and submitting for adoption the annexed resolutions they are, &c.

C. KNEASS,	

Philad., 6<sup>th</sup> June, 1825.

Resolutions annexed.

Resolved,

That notwithstanding the irregular manner in which Apollos Woodward was made a mason in Lodge N<sup>o</sup> 148, it is expedient that he be recognized as such.

Resolved, that the foregoing proceedings be communicated to Lodges N<sup>o</sup> 106 and 148 respectively.

Bro. Freeman of the Comm<sup>e</sup> of Correspondence presented the following report which was read and adopted, viz:

To the R. W. Grand Lodge of Penn<sup>a</sup>:

The Committee of Correspondence to whom were referred communications from the R. W. Grand Lodges of

Massachusetts,  
Vermont,  
Tennessee,  
District of Columbia,  
Maine,  
Ohio,  
Indiana, and

Louisiana have had the same under consideration and beg leave to Report,

That they contain copies and extracts of their respective

proceedings in which after careful examination they have not discovered anything requiring from this Grand Lodge more than the usual fraternal interchange of its proceedings and salutations, except in the proceedings of the Grand Lodges of Maine, Tennessee and Ohio on a subject which seems deeply to interest the masonic family, the object of which is to carry into effect (as soon as funds can be obtained) the erecting of a suitable Monument over the remains of our illustrious Brother George Washington, the best friend of mankind.

The Grand Lodge of Maine much to the honour of the Craft has adopted a Resolution to appropriate one thousand dollars should it be required for this special purpose.

Your Committee trust it will not be considered by the Grand Lodge as travelling out of their line of duty to recommend to them that they appoint a committee to correspond with other grand Lodges on this very important subject, assuring them that no efforts will be wanting on the part of the masonic family in this state to co-operate with them in the accomplishment of so noble and praiseworthy an action.

T. B. FREEMAN, } Comm<sup>e</sup>.  
SAM. H. PERKINS, }

Phila., 1 June, 1825.

On motion made and seconded, the grand lodge proceeded to the consideration of a Report presented from the Committee appointed in relation to a monument over the remains of our deceased brother Geo. Washington. The said report (presented 7 March last and laid on the table) was read and adopted together with the first, second and fourth Resolutions attached thereto. The consideration of the third resolution offered by the Committee was postponed.

To the R. W. Grand Lodge of Pennsylvania.

The Committee to whom were referred the communications of the grand lodges of the states of New Hampshire and New York,

Respectfully Report :

That they cannot too highly applaud the feelings that have led their brethren of other grand lodges to raise a sum of

money from the masonic family to erect a monument over the remains of their beloved and illustrious brother George Washington, the father of his country, and recommend the Grand Lodge of Pennsylvania to unite their labours in the work. They have not been without difficulty in determining upon the manner in which aid should be given. They were aware of the trouble to be encountered in collecting the proper sum from individual subscription or by application to private lodges. The recent calls for a monument in our own city, the possibility that the object would never be accomplished and the difficulty of returning the sums subscribed in case of failure all led them to believe that this course would not be prudent, besides which it would be attended with delay, and at last not to be the act of the Grand Lodge. Our pledge to the payment of a large debt, already contracted, forbids us to draw upon our present resources. We have, however, the right to create a new stock for this particular object, which will obviate all difficulty and do no discredit to our institution.

They therefore recommend the adoption of the following resolutions:

1. Resolved, That the Grand Lodge of Penn<sup>a</sup>. do most cordially concur with the Grand Lodges of N. Hampshire and New York as to the propriety of erecting a monument at Mt. Vernon over the remains of our beloved and illustrious brother George Washington.

2. Resolved, that the Grand Master be authorized to subscribe on behalf of the Grand Lodge of Penn<sup>a</sup>. the sum of one thousand dollars, including this subscription whenever the sum of ten thousand dollars, including this subscription, shall be appropriated for this object by the Grand Lodges of the other states or by the contributions of the masonic fraternity, and whenever specific arrangements shall be made for the erection of the same.

3. Resolved, that as soon as may be necessary to carry into effect the foregoing resolutions the Grand Master is hereby authorized to issue certificates of        Dollars each, bearing an interest of        per Cent per annum payable quarterly, for the sum of one thousand dollars, redeemable in        years.

4. Resolved, that the Grand Secretary forthwith communicate to the R. W. Grand Lodges of New Hampshire and New York, and also to all other Grand Lodges in the U. States the foregoing Resolutions of this Grand Lodge, with a request that whatever may be done in the premises may in like manner be communicated to this Grand Lodge without delay.

THOMAS KITTERA,  
JAMES M. BROOME,  
JOS. R. HOPKINS.

A communication of the proceedings of the Grand Lodge of Nova Scotia for 1824, was read and ordered to be filed.

On motion made and seconded,

Resolved, that a Committee be appointed to enquire into the expediency of procuring a new copper-plate engraving for grand lodge certificates and the probable expense thereof.

The R. W. G. M. was pleased to appoint on said Committee Brothers

An appeal was read from J—— K—— against a vote of expulsion passed against him in Lodge N<sup>o</sup> 151, held at Allentown.

On motion made and seconded,

Resolved, that the appeal of J—— K—— be referred to the same Committee which was appointed on the appeal of Brothers H—— and G—— to be acted on by them as soon as it shall appear that due notice of the said appeal has been given to Lodge N<sup>o</sup> 151.

The Committee appointed on the 30 October, 1823, on a communication from the Hall Committee, enclosing one from T. de la Pomeraye, were at their own request discharged.

On motion made and seconded,

Resolved, that three hundred dollars (inclusive of two hundred dollars heretofore paid) be allowed to Brother T. F. Gordan, for his services in compiling the Ahiman Rezon.

The Committee on procuring a new Seal and Seal press, presented a bill of W. and A. Mason for engraving a seal, amounting to thirty dollars.

Whereupon, on motion made and seconded, the same was ordered to be paid.

The Grand Lodge closed in harmony at half past ten o'clock in the evening.

Address of the

R. W. Grand Master, 5 December, 1825.

Brethren,

Being now about to retire from the situation in which your kind partiality placed me, permit me to express my most grateful acknowledgements, not only for the honour of having been placed there, but also for the cordial and truly masonic support which I have at all times received from you whilst endeavoring to discharge the duties of this highly honourable station. I was not so vain as even to *hope* when I was elected, that my conduct would be free from error, much less that I would be able to secure the undivided approbation of my brethren, although there was nothing I desired more earnestly and I can truly say that whatever errors I may have committed, they were unintentional and for them I cast myself fearlessly on your charitable feelings for forgiveness.

Permit me to say, (without arrogating any thing to myself), that during the past year the order has lost nothing of the high standing which it had formerly acquired. Appeals and complaints from the subordinate lodges during that period have been less frequent than usual, a conclusive proof of the improved system of government which prevails among them. Much good may be attributed to the appointment of District Deputy Grand Masters, but, considerable difficulty has occurred in making these appointments, owing to the very few persons who could be found that would accept of the appointment who were capable of discharging the duties of the situation

with advantage to all concerned ; consequently several important districts of the State are still without these officers, and many of the present districts are so large, that a new arrangement of them will be necessary to produce all the good of which the system is capable.

Some difficulties arose in the appointment of a Grand Lecturer from the paucity of candidates which offered for the situation. After considerable delay Brother David Nathans, a P. M. of Lodge N<sup>o</sup>. 71, was selected, it is believed that he possesses in a good degree the necessary qualifications for the task. From his labours advantage may be fairly anticipated both to the Grand and subordinate Lodges. He set out in the discharge of his duties some time since.

Six new Warrants have been granted for holding Lodges since last St. John's day. One of them is for the Southern Hemisphere, where as in most other Countries, the standards of Masonry and Liberty have been unfurled nearly at the same time, thus opening the source by which are united more firmly in the bands of brotherly love and friendship the different portions of this happy Continent.

The Warrants of a few lodges that had long been delinquent and whose affairs had become hopeless were vacated. It is apprehended that there are two or three others similarly situated whose Warrants will share a similar fate. There is no doubt other lodges will arise in their place from which the Grand Lodge may expect more advantage, and the Craft more honour than from those which had suffered their affairs to get into irremediable disorder.

The financial department continues in the same flourishing condition which distinguished the administration of my predecessor. Besides defraying the current expenses of the Grand Lodge, it has allowed the payment of above \$1000 for the new Ahiman Rezon, of \$400 towards extinguishing the Gas loan and \$3300 to the Trustees of the Sinking fund, making a total surplus revenue over the ordinary expenses of \$4700, notwithstanding the comparatively unproductive state of the tower rooms of the building since the expiration of Guillou's lease. The original loan of \$40,000 has been liquidated by

applying \$21,000 of the Sinking fund, and \$19,000 the proceeds of a new loan which was obtained something under 5 p % per annum to that object.

There is yet a large productive sum in the hands of the Trustees of the Sinking Fund which at the end of the year will have amounted to nearly \$14,000. On the presumption that the Grand Lodge will be able to vest annually \$3000 in the sinking fund, a sum quite within her means, should her present flourishing state continue, the debt of the Grand Lodge will be reduced below \$40,000 in less than six years, after which time it will be in her power to exonerate the Subordinate lodges from a part of the heavy contributions which they now pay and thus the streams of charity will be permitted to flow in their usual channels with increased vigour and as I trust with the happiest effects. At the same ratio of investment the whole debt will be extinguished in twelve years, *provided* the same economical measures are observed which have for some years so eminently distinguished the conduct of the grand lodge, and from them I hope she will not be tempted to depart.

Excepting the before mentioned item of Rent, every material source of revenue is in an improved and improving condition, and the most diligent means are pursued to keep them so and to collect the outstanding debts. These are found to be equally beneficial both to the Grand and subordinate lodges, they increase the funds of the former and render the latter more strict in the discharge of their dues, as well as more guarded against the admission of improper candidates.

Another source of revenue will be opened in a few years from the Gas establishment when the debt for repairing the works shall have been extinguished, it being now satisfactorily ascertained that the manufactory of Gas can be so conducted as to yield a handsome profit.

During the present year the Grand Master, accompanied by some of the Grand Officers visited the Lodges at Frankford, Germantown, Abington, Roxboro', Chester and Norristown, without incurring any expense to the grand lodge. He found most of these Lodges in a flourishing condition exhibiting

considerable improvement since the previous visitation. He regrets exceedingly that his other avocations prevented him from visiting the Lodges in this City, at the same time he flatters himself that no serious injury has resulted to the Craft from this omission, seeing that several of the lodges possess the advantage of having a present or past grand master among their members.

In order that the Grand Lodge may not be delayed longer from the necessary duties of the evening I am constrained to pass over many important considerations in her affairs without notice. It may not however, be amiss to observe that with a single exception (that of the Lodge at Towanda) nothing has occurred during the present year to interrupt the peace and harmony of the order within our limits. The statements of the Towanda lodge were so promptly met that more good than evil may be expected to flow from their proceedings, by inducing the subordinate lodges to acquiesce cheerfully hereafter in every just measure of the Grand Lodge, while the latter I trust will see the propriety of remedying without delay every real grievance.

In conclusion, permit me to remark, that the affairs of the Grand Lodge have never been in so flourishing a condition as at the present time.

To resign them into the hands of another in this condition has been my constant aim and I thank the great Disposer of events that it has been my good fortune to succeed to the fullest of my expectations. When I cast my eyes on those in whose hands the affairs of the Grand Lodge are likely to be placed, I resign the situation in which your kindness has placed me, without the least reluctance and with a firm confidence that her prosperity will continue undiminished and in it I shall ever feel and continue to take a lively interest.

The Committee appointed on the 19<sup>th</sup> June to confer with a similar comm<sup>e</sup>. to be appointed by the grand chapter on the subject of fees for Warrants to hold chapters reported as follows :

That having conferred with each other and with a Committee appointed by the Grand Chapter upon the matter submitted to them by the Grand Lodge, both committees are unanimously of opinion that so much of the constitution of

the Grand H. R. A. Chapter agreed to by the Grand Lodge as gives to the Grand Chapter the power of taking fees for Warrants to hold R. A. Chapters within their jurisdiction, is a substantial violation of the compact between the Grand and subordinate Lodges as set forth in the first proposition submitted by the Grand Committee which met in this City in 1823, to the Grand Lodge and adopted on the 7<sup>th</sup> March of that year.

Your committee have in view the prosperity of H. R. A. Masonry, and being convinced of the absolute necessity of extending its benefits, and at the same time anxious to preserve unsullied the faith of the grand lodge of Pennsylvania, are of opinion that the most feasible mode of overcoming this difficulty is to submit the same to the consideration of the subordinate lodges, agreeably to the terms of the said first proposition. They therefore offer the following Resolution :

Resolved, that the constitution of the G. H. R. A. Chapter, so far as it authorizes the G<sup>d</sup>. Chapter to make rules and regulations for the government of H. R. A. Masonry and thereby confers the power to receive fees for granting Warrants to H. R. A. Chapters under their jurisdiction and for other services, be, and the same is hereby confirmed.

Brothers Gowen and S. H. Thomas having been authorized by lodge N<sup>o</sup>. 61 at Wilkes Barre, to negotiate a final settlement and discharge of all the pecuniary matters between that lodge and the grand lodge,

On motion of the Committee of Finance,

Resolved, that the offer on behalf of lodge N<sup>o</sup>. 61, to purchase with two hundred dollars the annual annuity of forty dollars which it had agreed to pay to the grand lodge until its debt thereto should be wholly liquidated, be and the same is hereby accepted and that the grand secretary be directed to close the account of said lodge on the books of the grand

A petition was received and read from a number of the members of late lodge N<sup>o</sup>. 163, dated Towanda, 24<sup>th</sup> August, 1826, praying for a revival of the warrant in favour of the petitioners and nominating for officers Bro. On motion and seconded,

Resolved, that the prayer of the petition be granted on the terms stated therein.

A letter was received and read from Matt<sup>w</sup>. M. Kelly, W. M., named on the warrant granted 1824, numbered 199, stating the inability of the brethren who petitioned therefor to procure the needful pecuniary means to establish a lodge.

The petition for a Warrant to hold a lodge at Kensington, laid on the table at the meeting of the 4<sup>th</sup> December inst., was called up for consideration and underwent some discussion, when

A report was received and read from the committee which was app<sup>d</sup>. on the 5 June, 1826, on the appeal of Gawin Henry from a vote of expulsion against him by lodge N<sup>o</sup>. 21, Harrisburg. By the said report it appears that Gawin Henry was refused a copy of the charges against him, and was expelled without a hearing or opportunity for defence.

After having been amended by the addition of the following resolution it was adopted :

Resolved, that the expulsion of Gawin Henry by lodge No. 21 on the 10<sup>th</sup> November, 1824, be and the same is hereby declared null and of no effect.

A joint and several bond of Robert Toland and Henry Toland to Thomas Kittera and others, dated 30<sup>th</sup> June, 1826, in the penal sum of six thousand dollars for Rob. Tolands faithful performance of his duties as grand treasurer was presented and ordered to be filed.

The Committee of Correspondence reported that they had examined the communications of the proceedings of the grand lodges of South Carolina for 1824 @ 1825, of North Carolina for 1824, of Kentucky, Missouri, Tennessee, Vermont, Alabama, Indiana, Rhode Island and New Hampshire for 1825, and of Virginia, New Jersey, District of Columbia and Maine for 1825 and 1826 and of Ohio, Mississippi, Maryland, Illinois, Delaware, Georgia and Nova Scotia for 1826 ; that the grand lodges of Delaware, Tennessee and Missouri approve of the decision of this grand lodge in relation to the proceedings of the grand lodge of Maine and that the grand lodge of New Jersey approved of the proposition of the grand lodge of Pennsylvania to hold an occasional convention of delegates from the different grand lodges of the United States. The committee notice that all the communications before them prove the continued prosperity of the order and a strict adherence to the ancient land marks of the order.

The report being read was adopted.

A memorial was received from a number of the officers of the R. A. Chapters, setting forth the difficulties under which the R. A. Masons suffer by reason of the rent charged for the Chapter room and the advantages that would accrue from a reduction of the charge and praying that the Rent may be reduced and its collection be placed under such regulations as will secure to the grand lodge its punctual discharge, and also that a compromise be made with those chapters which are now in arrears.

On motion and seconded, the said memorial was referred

to a Committee consisting of Brothers McAlpin, Gowen and Hopkins.

On motion of the Committee of Finance,

Resolved, that the sum of eleven hundred dollars be and the same are hereby appropriated to the use of the Hall Committee for extra expenses incurred within the present year and that the same be drawn for under the usual restrictions.

An account was received from the Trustees of the Sinking Fund of their Receipts and Payments for 1826 and on motion and seconded, it was referred to the Committee of Finance for examination and report.

The Grand Officers to whom was referred the Report of the Grand Lecturer reported as follows :

"That they have examined the grand lecturers report and have every reason to be satisfied that he discharged the duties of his appointment with ability and zeal, and with fidelity to the important trusts which were confided to him."

On motion and seconded, the above report was adopted.

The Report of the grand lecturer is as follows, viz :

To the R. W. Grand Master of the grand lodge of Pennsylvania :

The lecturer appointed for the second general visit of instruction to the lodges located beyond the City and County of Philadelphia has performed the duties which were assigned

him by the R. W. Past grand master Bro. James Harper, and now has the honour to report the annexed sketch of his progress and the state of the lodges he visited.

N<sup>o</sup>. 136, Abington, Mont<sup>s</sup>. C<sup>y</sup>. 1825, Novem. 8. The lecturer left Philad<sup>a</sup> and arrived this day at Abington or Moorestown. In consequence of the non receipt of his notice by the W. M. the lodge was not congregated, nor could any examination of the minutes be made as the Secretary had not the book with him.

N<sup>o</sup>. 195, Beans Tavern, Mont<sup>y</sup>. C<sup>y</sup>. now located at Hatborough, 1825, Novem. 28 @ 29. The lodge was congregated and lectures were delivered on the evening of the 29<sup>th</sup> when all the members were present. This is a new lodge and has but few members, who are however, very attentive to, and zealous in, the discharge of their Masonic duties.

N<sup>o</sup>. 168, Doylestown, Bucks C<sup>y</sup>. 1825, Novem. 30. Met the lodge and delivered lectures on the evening of this day. Its affairs appeared to be prosperous and its members to increase.

N<sup>o</sup>. 94, New Hope, Bucks County, 1825, Decem. 1. The Secretary being a resident of a distant town, the lecturers summons to congregate the lodge had not been received. The Master and a few of the members assembled in the lodge room and received private instruction. Although this lodge is on a far better footing than it was some years since, it still labours under the disadvantage of being largely indebted to the grand lodge, but from the spirit which is exhibited by the present leading members, there is not much doubt that the existing balance of their debt will be speedily liquidated and that the lodge will continue to flourish with increased activity.

N<sup>o</sup>. 152, Easton, Northampton C<sup>y</sup>. 1825, Decem. 3. Visited and delivered lectures to this lodge in the evening. The members are increasing and appear to have been attentive to their masonic duties and correct in their work.

A lodge opposite Easton, in the state of New Jersey, mainly supported by the masons of that town has been some hindrance to the progress of N<sup>o</sup>. 152.

N<sup>o</sup>. 201, Mauch Chunk, Northampton C<sup>y</sup>. 1825, Decem. 5.

This lodge was visited and instructed in the morning and evening of this day. Although of recent establishment it is in a very flourishing and promising condition, and it's labours are conducted under very strict regulations. This is the more satisfactory, for being located on the property of the Lehigh Coal and Navigation company which affords employment to a numerous population in the neighbourhood, a bad example would be particularly pernicious. N<sup>o</sup> 61, Wilkes Barre, 1825, Decem. 8 to the 11<sup>th</sup>. The lecturer visited and delivered lectures to this lodge three times during his sojourn in Wilkes Barre. From various causes, some of which are well known to the grand lodge, the lodge in this place, the parent of masonry in the northern counties, with numerous members of great respectability is now reduced to a most deplorable state of pecuniary distress. Were it extricated from this difficulty through the kind indulgence of the grand lodge, there is no doubt that it would be one of the best and most flourishing lodges under her jurisdiction.

N<sup>o</sup> 179, Coolbaughs, Pike County, 1825, Decem. 14. This lodge was twice visited. It appears to have been in rather a declining state, a number of the members having withdrawn to join lodges in New Jersey whose places have not been supplied by others.

N<sup>o</sup> 177, Delaware, Pike County, 1825, Decem. 15<sup>th</sup>. This lodge has few members, who have not performed any labours since the preceeding visitation. There appears to have been an undue want of attention to the meetings.

82, Milford, Pike County, 1825, Decem. 16. The Warrant of this lodge having been but recently revived after a temporary suspension, arising out of an ancient pecuniary difficulty with the grand lodge, it is only necessary to remark that its prospects of success are fair and that its members are earnest in promoting the objects of the institution.

147, Bethany, Wayne C<sup>y</sup>. 1825, Decem. 19. This lodge was visited twice. A Hall has been erected for masonic purposes exclusively but not yet finished. The Lodge is flourishing but somewhat depressed by pecuniary debts, which might be early liquidated by the application of due energy.

83, Damascus, Wayne County, 1825, Decem. 21. For a long time this lodge was without a meeting. Its Warrant having been recently revived every disposition is shewn to work under it with credit. The members are few in number and are governed by a very zealous and worthy mason to whose exertions they are much indebted.

119, Gibson, Susquehanna C<sup>y</sup>. 1825, Decem. 23. The members of this lodge have decreased within the last two or three years; those who remain have made great exertions to effect the liquidation of a large debt due to the grand lodge, of long standing. When this object shall be attained it is highly probable that the lodge will increase in members and flourish.

N<sup>o</sup>. 149, Montrose, Susquehanna C<sup>y</sup>. 1825, Decem. 25 @ 27. The lecturer learnt on his arrival at Montrose that the Warrant of this lodge had been suspended for non-payment of dues. He had an interview with some of the members and others, who were formerly connected with the lodge and made diligent enquiry into its labours and proceedings which it clearly appeared had been very improperly conducted, so much so, as strongly to impress the lecturer with the opinion that it would be inexpedient to revive the Warrant. It is due to a respectable number of the masons at Montrose to state that they had abandoned their connection with the lodge on account of its gross irregularities and are anxious for the establishment of another lodge, whose labours they believe they can conduct in a manner befitting the institution and satisfactory to the grand lodge.

N<sup>o</sup>. 204, Tunkhannock, Luzerne Co<sup>y</sup>. 1825, Decem. 27 @ 29. This lodge is of recent establishment. It has been well attended by its members, who are zealous to promote the prosperity of the craft in their neighbourhood.

N<sup>o</sup>. 185, Braintrim, Luzerne Co<sup>y</sup>. 1825, Dec. 29 a Jan<sup>y</sup>. 1, 1826. The minutes of this lodge have been loosely kept. From the examination and inquiries made by the lecturer, it appears that its labours and proceedings in some important respects were irregular. Some of these have already subjected it to the special animadversion of the grand lodge, but it is

hoped there will be no recurrence of them. The members of the lodge appear to have been zealous and constant in their attendance on the lodge, which is increasing in members.

N<sup>o</sup>. 108, Wysox, Bradford C<sup>y</sup>. 1826, Jan<sup>y</sup>. 1st @ 5<sup>th</sup>. This lodge has but few members and has of late years but few accessions. Its members have been attentive and zealous in the performance of their masonic duties and labours.

N<sup>o</sup>. 70, Athens, Bradford C<sup>y</sup>. 1826, Jan<sup>y</sup>. 6<sup>th</sup> and 7<sup>th</sup>. Although this lodge has declined in members and has not had much work to perform for several years its members are zealous and its labours have been well conducted under its presiding officer, Bro. Jos. Kingsbery, R. W. District Deputy Grand Master, who has presided in this lodge several years and has contributed much to its support against various and powerful discouragements which have reduced Masonry in Bradford County to a low ebb.

N<sup>o</sup>. 150, Troy, Bradford C<sup>y</sup>. 1826, Jan. 7 @ 11<sup>th</sup>. The labours and proceedings of this lodge have been very irregular. The lecturer has serious doubts whether the members have the ability to conduct them in a manner that will be satisfactory to the grand lodge; they promised him however, that they would follow the instructions and advice, which he gave them in relation to their moral and masonic duties at five several meetings.

N<sup>o</sup>. 189, Wellsboro,' Tioga C<sup>y</sup>. 1826, Jan<sup>y</sup>. 11. This lodge has not had many labours to perform since its establishment in 1824; the members are zealous and attentive and the affairs of the lodge appear to have been continuously and prudently conducted.

N<sup>o</sup>. 106, Williamsport, Lycoming Co., 1826, Jan<sup>y</sup>. 15 @ 18. The lecturer visited and delivered Lectures to this lodge in the afternoon and evening of the 16<sup>th</sup> and evening of the 17<sup>th</sup>. The lodge is numerous and flourishing and promises to continue so; its labours and proceedings appear to have been correct.

N<sup>o</sup>. 144, Milton, Northumb<sup>d</sup>. C<sup>y</sup>. 1826, Jan<sup>y</sup>. 18 @ 21. This lodge was visited several times when lectures were delivered. The members are attentive but not numerous.

N<sup>o</sup>. 194, New Berlin, Union Co<sup>y</sup>. 1826, Jan<sup>y</sup>. 21 @ 24<sup>th</sup>. This lodge is in a very flourishing condition and has had a considerable accession of members since it was constituted. They pay considerable attention to their masonic duties and are earnest to conform to the regulations of the grand lodge.

N<sup>o</sup>. 22, Sunbury, Northumb<sup>d</sup>. Co<sup>y</sup>. 1826, Jan<sup>y</sup>. 24 @ 25<sup>th</sup>. This lodge the third on the Registry of the grand lodge, was many years in a poor and declining state; it has recently revived and is now flourishing and prosperous.

N<sup>o</sup>. 148, Northumb<sup>d</sup>. North<sup>d</sup>. Co<sup>y</sup>. 1826, Jan<sup>y</sup>. 25 @ 26<sup>th</sup>. This lodge is in a miserable condition and its labours have been very loosely and improperly conducted. In the opinion of the lecturer the institution would be benefitted by depriving it of its Warrant.

N<sup>o</sup>. 159, Danville, Columbia Co<sup>y</sup>. 1826, Jan<sup>y</sup>. 26 @ 29<sup>th</sup>. The members of this lodge are few in number but desirous of promoting the objects of the institution. Their labours appear to have been tolerably correct.

N<sup>o</sup>. 138, Orwigsburg, Schuylkill Co<sup>y</sup>. 1826, Jan<sup>y</sup>. 30<sup>th</sup> @ 1 Feb<sup>y</sup>. The labours of this lodge of late years appear to have been conducted with great zeal and unusual correctness. The members are numerous and increasing.

62, Reading, 1826, Feb<sup>y</sup>. 1 @ 5<sup>th</sup>. The lecturer delivered instructions to this lodge several times during his stay in Reading. The present members are numerous and zealous and have materially benefitted the lodge and raised the character of the institution with the community by dissolving their masonic connection with many who were obnoxious to their by-laws. The lodge is now flourishing under the mastership of Bro. Isaac Hiester, Dist<sup>t</sup>. Deputy 6<sup>th</sup>. district.

No. 171, Pottstown, Montg<sup>y</sup>. Co<sup>y</sup>. 1826, Feb<sup>y</sup>. 5 @ 7. The affairs of this lodge and its character were a long time at a low ebb, but recently they have revived and the lodge may be now considered as flourishing.

N<sup>o</sup>. 75, Charleston, Chester Co<sup>y</sup>. 1826, Feb<sup>y</sup>. 7<sup>th</sup> @ 8<sup>th</sup>. This lodge is in good condition, its labours correct and its members numerous and zealous.

N<sup>o</sup>. 190, Norristown, Montgomery Co., 1826, Feb<sup>y</sup>. In con-

sequence of the lecturers notice to congregate not being received in due time the lodge could not be visited on this occasion.

N<sup>o</sup>. 183, Paoli, Chester Co<sup>y</sup>. 1826, May 10<sup>th</sup> @ 11<sup>th</sup>. The labours and proceedings of this lodge have been correct; the number of its members is however few and declining.

N<sup>o</sup>. 50, Westchester, Chester County, 1826, May 11<sup>th</sup>. The proceedings of this old and respectable lodge appear to have been in close conformity to the ancient usage of the order and the rules and regulations of the grand lodge. The members are numerous and zealous and have recently adopted measures preparatory to the erection of a building for masonic purposes exclusively.

N<sup>o</sup>. 162, New London X Roads, Chester C<sup>y</sup>. 1826, May 13. This lodge is prospering under the supervision of Bro. James Kelton, D. D. G. M. for the 7<sup>th</sup> district. Its members are numerous, attentive and zealous.

N<sup>o</sup>. 156, Chestnut Level, Lancaster Co<sup>y</sup>. 1826, May 15 @ 16. This lodge was a long time in a declining state, it has recently had a considerable accession of members.

N<sup>o</sup>. 123, York, York County, 1826, May 17. The lodge at York appears to be in an improving condition. Its members are numerous and attentive and its proceedings have been conducted with great regularity.

N<sup>o</sup>. 200, Gettysburg, Adams County, 1826, May 19 @ 22. This is a new lodge which has already many members who evince much zeal for the interests of the order. Their labours and proceedings appear to have been carefully and properly conducted.

N<sup>o</sup>. 197, Carlisle, Cumberland Co<sup>y</sup>. 1826, May 24 @ 25. This is also a new lodge which is in a very flourishing state and promises to do much towards extending a knowledge of the benefits of the fraternity in its neighbourhood, whence formerly, strong prejudices against the order generally prevailed arising from the unmasonic conduct of a lodge which met in Carlisle upwards of twenty years ago.

N<sup>o</sup>. 198, Shippensburg, Cumb<sup>d</sup>. C<sup>y</sup>. 1826, May 26 @ 27<sup>th</sup>. The members of this lodge, although but few in number are

attentive and zealous. The location of the lodge does not admit of so rapid an increase of members as in the large towns round about it.

No. 143, Chambersburg, Franklin Cy., 1826, May 27. This lodge has been some years under the efficient superintending care of Bro. T. Hartley Crawford, R. W. District Deputy Grand Master for the 4<sup>th</sup> District, and appears to have flourished more than any other lodge in this State. In a brief period it has become the parent of numerous lodges in its vicinity and still retains a list of numerous members who do honour to the Craft by their zeal and attention in the performance of moral and masonic duties. A Hall of singular beauty has been recently completed at a considerable charge and does great credit to the spirit and enterprise of the members of this lodge.

No. 202, Green Castle, Franklin Cy., 1826, May 30. This is a new lodge composed of but few members in whom care and attention to the duties of the lodge are not so apparent as in other lodges of this masonic district. Their labours and proceedings called forth many observations.

No. 196, Mercersburg, Franklin Cy. 1826, May 31 @ June 1. This lodge, but recently established, appears to be increasing in members whom the lecturer found to be attentive and zealous.

No. 84, Somerset, Somerset Cy., 1826, June 7 @ 8<sup>th</sup>. This lodge has now revived from a state of depression; its list of members is extending and they possess zeal and enterprise. A Hall is about to be built for masonic purposes.

No. 64, Greensburg, Westmoreland Cy. 1826, June 10 @ 12. This lodge has many members, but a majority of them appear to be deficient in a due attendance at the stated meetings. It is in rather a declining state but requires only a little more attention of the members to enable it to flourish.

No. 176, Mt. Pleasant, Westmoreland Co. 1826, June 13 @ 14. The members of this lodge are few in number but careful, attentive and zealous in the performance of their masonic duties.

No. 60, Brownsville, Fayette Cy. 1826, June 15 @ 16.

This lodge meets in its own Hall and is in a prospering and thriving condition. Its members are zealous and attentive and it is a remarkable fact that they have no less than 19 times elected the same brother to be their Worshipful Master.

N<sup>o</sup>. 180, Jefferson, Greene County, 1826, June 19. The members of this lodge attend it with regularity and appear to have conducted their labours with care and zeal.

N<sup>o</sup>. 153, Waynesburg, Greene C<sup>y</sup>., 1826, June 21. The members of this lodge meet in the Court House. It is in rather a declining state and its proceedings do not appear to have been conducted with that care and attention to details which ought to characterize masonic bodies.

N<sup>o</sup>. 164, Washington, Wash<sup>g</sup>. C<sup>y</sup>., 1826, June 27 @ 28. This lodge meets in its own Hall and has a list of numerous and efficient members who appear to have been careful and zealous in the performance of their labours and in the fulfilment of the objects of the fraternity.

N<sup>o</sup>. 45, 113 and 165, Pittsburg.

N<sup>o</sup>. 173, Laurenceville, near Pittsburg, 1826, June 30 @ July 24. These lodges are in a thriving and flourishing condition and the lecturer has had much reason to be gratified with the attention that was paid to his instructions delivered and repeated in the course of seventeen meetings summoned for the purpose of receiving his official visits.

The plan of work followed in three of these lodges has been conformable to the antient land marks of the order. In the fourth modern innovations had gained admission, which, the lecturer has reason to believe, have been wholly expunged from the work of that lodge.

Zeal and attention to masonic duties, preëminently characterize the masons of Pittsburg and its vicinity.

N<sup>o</sup>. 182, Mercer, Mercer County, 1826, July 27. This lodge was visited three times. It appears to be in a declining state and its members to stand much in need of instruction. The Lodge being held in an unsafe place, the lecturer caused it to be removed and it is now held in the house of the respectable W. M.

N<sup>o</sup>. 146, Meadville, Crawford C<sup>y</sup>., 1826, August 1 @ 2<sup>d</sup>.

The lecturer hearing that the Warrant of this lodge had been revived since he left Philadelphia, visited it and delivered instructions at seven several meetings. The members evince much zeal since the revival of their Warrant, and the lodge bids fair to flourish once more.

Nº 184, Fairview, Erie County, 1826, August 4. This lodge stood in need of much instruction. It now appears to be in a prosperous way. A suspension of the meetings of the lodge was recommended until a safer and more suitable room could be provided than the one now occupied in the School House or until *that* could be put in proper order.

Nº 192, Bellefonte, Centre County, 1826, Sept. 8 @ 12. This lodge was congregated and instructed by the lecturer several times. It is in a thriving state and its members are numerous and zealous. Bro. T. Burnside, R. W. District Deputy Grand Master, has presided in this place over the Craft, since the lodge first was constituted. A building has been recently purchased for masonic purposes only.

Nº 178, Huntingdon, 1826, Sept. 18 @ 19. The members of this lodge are numerous and it appears to be thriving.

Nº 203, Mifflin, Mifflin County, 1826, Sept. 22 @ 23. This lodge meets in a room so very unsafe that the lecturer recommended a suspension of the meetings until another room could be procured. This lodge does not appear to have been prospering so much as other new lodges in its vicinity. There has been evidently a want of due attention and care in the admission of new members and its labours and proceedings in other respects do not appear to have been properly conducted.

Nº 208, Landisburg, Perry County, 1826, Sept. 25<sup>th</sup> @ 27<sup>th</sup>. This lodge had been constituted but two or three months before the lecturer's arrival. It bids fair to be prosperous; the members are full of zeal and have been so far very correct in their labours and proceedings.

Nº 141, Halifax, Dauphin County, 1826, Sept. 28<sup>th</sup> @ 29<sup>th</sup>. The labours of this lodge stand in need of much correction. Being located in a remote situation very few of the members appear to be sufficiently qualified to conduct the labours of the lodge as they ought to be. Here also it became necessary

to recommend a suspension of the meetings of the Lodge until a suitable room could be procured. The Lodge is now erecting a Hall for its own use.

N<sup>o</sup>. 21, Harrisburg, Dauphin Cy., 1826, Octo. 2<sup>d</sup> and 6. This lodge appears to be on the increase. Its labours have been correct yet some of the proceedings as spread on the minutes required notice. With proper attention of the members who appear to be very zealous, this lodge might thrive as much as any under the jurisdiction of the grand lodge.

N<sup>o</sup>. 172, Lebanon, Lebanon Co<sup>y</sup>, 1826, Oct. 6 @ 9<sup>th</sup>. The members of this lodge are numerous, zealous and attentive; their labours required considerable correction, and instruction was given to them at four several meetings which the lecturer attended.

N<sup>o</sup>. 46, Lititz, Lancaster County, 1826, Oct. 11 @ 13. The officer and members of this lodge stood in need of the instruction which was given to them at two meetings which the lecturer attended. The lodge had been many years in a very low state but since its recent removal to Lititz it has somewhat revived.

N<sup>o</sup>. 116, Marietta, Lancaster Co<sup>y</sup>, 1826, Oct. 14 @ 16. The lodge room and furniture were in good order, but in almost every other particular there was ground for complaint. The labours and proceedings of this lodge have been badly conducted and unless amended will require the direct interference of the grand lodge.

It became necessary to order that a fair transcript of the minutes should be made.

1826, Octo. 17 @ 18, N<sup>o</sup>. 169, Columbia, Lancaster Cy. The labours of this lodge appear to have been conducted in a loose, careless and improper manner judging from the minutes, which although in many parts scarcely legible, record a number of unmasonic proceedings.

N<sup>o</sup>. 43, Lancaster, Lancaster Cy. The Lecturer arrived in Lancaster on Thursday the 19 October. The W. M. of the Lodge refused to submit its minute book for inspection, alledging that the credentials exhibited to him by the lecturer did not authorize that proceeding and having in other respects

evinced a disposition to cavil and raise frivolous objections the lecturer determined not to visit the lodge in an other than his private capacity as a member of the lodge to which he has the honour to belong.

N<sup>o</sup>. 104, New Holland, Lancaster County, 1826, October 14. The members of this lodge were so circumstanced at the time of the lecturers visit as not to be able to assemble. The minutes were examined and such observations made thereon and instructions given to the master and a few of the members as appeared to be necessary.

N<sup>o</sup>. 132, Waynesburg, Chester Co<sup>y</sup> 1826, Octo. 28. This lodge appears to be in a declining state. There has been but one initiation since the visit of the lecturers predecessor.

N<sup>o</sup>. 66, Morgantown, Berks County, 1826, October 30. The labours and proceedings of this lodge have been generally well conducted. Its members appear to be zealous and attentive.

N<sup>o</sup>. 174, Downingston, Chester Cy., 1826, Novem. 7. This lodge meets in its own Hall. The members are very zealous and attentive and have conducted their labours and proceedings with great propriety.

N<sup>o</sup>. 142, Humphreysville, Chester Co<sup>y</sup> 1826, Novem. 9. The labours and proceedings of this lodge have been well conducted. The lodge is flourishing and its members are numerous.

N<sup>o</sup>. 69, Chester, Delaware Cy., 1826, December 9<sup>th</sup>. This was the last lodge visited by the lecturer and he feels much gratification in being enabled to state that it continues to conduct its labours with that zeal and correctness which have on former occasions elicited the remarks of the presiding officers of the grand lodge.

In presenting this concise view of the state of each lodge visited by the lecturer he may be permitted to remark that in the aggregate, the country lodges under this jurisdiction are highly prosperous and exhibit considerable improvement since the last visits of his predecessors. A strong desire to promote the great ends of the institution very generally prevailed and it may be added that the brethren and the lodges

almost without exception were well satisfied with the parental administration of the regulations of the grand lodge.

In various instances some practices were discovered to have existed which appeared to the lecturer to be at variance with the ancient land marks and customs of the order and the ordinances of the grand lodge. These and other apparent errors of minor importance he has embraced in the following connected view which he submits to your attention with the preliminary observation, that but very few of his remarks are applicable to any one lodge, and none to a large majority of the lodges, many of which are so well perfected in the masonic art as to be more capable of giving than of receiving instruction.

#### 1. Minutes and Records.

The minutes of a few lodges were very much scratched, blotted and otherwise defaced so as to be scarcely legible. They have been sometimes preserved on loose sheets of paper and at other times recorded with a pencil.

Secretaries frequently have omitted to sign their minutes; to state the time of opening and closing the lodge; the degree in which it had been opened; the nature of the meeting held, whether stated, adjourned or extra; the names of the officers, members and visitors present; the nature of a petition for membership, whether from a brother for admission or a candidate for initiation; the age, occupation and residence of the applicant; the names of the recommending brethren and the members of the committee of enquiry; the reasons assigned for the suspension or expulsion of a brother; the nature of reports received from Committees or of communications from the grand lodge and to copy the reports of the lecturers.

Degrees have been conferred on persons and members have been expelled whose names are omitted to be recorded.

The Tyler is often included in the list of officers present.

The installation of officers and the conferring of degrees have been sometimes noticed in a very improper manner.

In one instance a visit of the lecturers predecessor is noticed in a very contemptuous style which appears to have been approved by the lodge he visited.

### 2<sup>d</sup>. Election and Installation of Officers.

Officers have been elected and installed when no lodge was opened. Master Masons lodges have been opened for an election of officers thus depriving Fellow crafts and apprentices of their privileges.

Deacons and Stewards have been elected by ballot and such sub-officers have been installed.

Sometimes all the officers have retained their stations (through their term of office) without installation. In some instances one or more of the officers have been installed and an installation of the remainder omitted. Installation has been dispensed with by the resolution of a lodge.

A master has appointed a substitute who was thereupon installed in his place and stead.

Officers have been installed in an entered apprentices or Fellow Crafts lodge.

What is called a Past Master's lodge has been frequently opened for the installation of a master in which forms and ceremonies are employed wholly unknown to ancient masonry.

### 3<sup>d</sup>. Rejections of Candidates.

Votes of rejection at one meeting have been reconsidered and rescinded at the same or a succeeding meeting and the candidate thereupon initiated.

Two successive unfavourable ballots being had on a candidate at one meeting a third ballot was ordered to be had at the next meeting.

Candidates rejected have been allowed to withdraw their applications for initiation.

Members who have voted against an application for initiation have had their reasons therefor demanded by a resolution of the lodge.

### 4. Initiations and Admissions.

Applications for initiation and membership or for membership only have been received at an extra meeting, and have been acted on at such meeting. Sometimes they have been without any or a sufficient number of recommenders, or have been recommended by brethren not members of the lodge applied to.

The necessary averments as to age, &c., have been omitted.

Committees of inquiry have consisted of an insufficient number of members or have included recommending brethren.

A committee of inquiry has been sometimes altogether dispensed with. It has consisted of all the members and called a committee of the whole. It has reported in less time than one month from its appointment. It has reported immediately after its appointment. It has not reported at any time.

Candidates have been balloted for and initiated at the time of their application or within less than one month thereafter, without authority of a dispensation; they have been balloted for and initiated at extra meetings or have been initiated without ballot and without authority for the omission. A candidate has been initiated and then balloted for.

Brethren have been received as members of a lodge on the deposit of their Certificates from the lodges they previously belonged to, without any application in writing, recommendation, reference or report. They have been elected members Viva Voce on motion to admit them.

Members who had resigned have been re-elected without any of the required formalities.

Ballots for applicants to become members have been had in a Fellow Craft or Masters Lodge, thus depriving Entered apprentices and Fellow crafts of their votes.

Candidates have been initiated in a master's lodge and one degree has in other instances been conferred in a lodge opened in another degree.

A Fellow craft about to be raised has been examined as to his proficiency in the degrees he had received in an entered apprentices lodge.

Two or more brethren have been passed at one and the same time and two or more brethren have been raised at one and the same time; a practice utterly indefensible.

The three degrees have been conferred on one person at one meeting without dispensation and in frequent instances a degree has been conferred upon a brother at a less interval than one month from his reception of a previous degree, in violation of the regulations of the grand lodge.

Brethren have been passed to the Chair without dispensation or due election.

Degrees recognized by and under the exclusive supervision of the grand H. R. A. Chapter have been conferred under a master's Warrant since May, 1824.

#### 5<sup>th</sup>. Demissions and Expulsions.

Members have been expelled without any previous notice or copy of charges served on them and no reason assigned for such omission. Members liable to expulsion under the penal provisions of by-laws providing for the payment of dues have been expelled altogether, without even the mention of their names.

Expulsions have been published in Newspapers since the grand lodge has forbidden that practice.

Resignations have been received and accepted at special and extra meetings when no particular circumstance required such a proceeding.

An application for a certificate is by some lodges considered as equivalent to a resignation.

#### 6. By-Laws.

By-Laws have been suspended or dispensed with, on motion to that effect, to subserve temporary purposes. They have been amended, altered and abrogated and new laws have been made and acted on without the sanction of the grand lodge being obtained, for the old laws as amended, or the new laws substituted for them.

#### 7. Miscellaneous.

The ordinary business of meetings has been transacted in a Master's lodge to the exclusion of all apprentices and fellow crafts who were members. Lodges have been opened, business transacted and degrees conferred therein when the Warrants were suspended by the grand lodge.

Six months or more have elapsed without the reading of Minutes.

Lodges have been kept open at unseasonable hours and have been opened in several degrees at one meeting without being closed in any.

Officers of the grand lodge on official visits have been re-

ceived in an entered apprentices lodge and the customary honours paid to them in such lodge.

The furniture and paraphernalia of some lodges are inappropriate and the rooms of a few unsafe.

The lecturer visited every lodge as often as was conceived to be useful or necessary for the purposes of inquiry and instruction ; he made a report on the minutes of each, one copy whereof was directed to be entered on the book of each lodge, another he transcribed into a book which he now submits to your inspection. He also submits herewith an account of the dispensations he issued by virtue of your predecessors deputation and of the fees received therefore, amounting to \$245.

The performance of his duty occupied him nine months and obliged him to travel nearly 2,400 miles ; he was every where received by the fraternity with flattering attentions and his lectures appeared to be received with interest.

Respectfully submitted,

DAVID NATHANS,  
Lecturer.

Philad., 27 December, 1826.

The following report was received from the Committee appointed on the claim of William Christie for furniture supplied to the Committee of arrangement for the dinner to Bro. Gen<sup>l</sup> La Fayette in 1824, and on all similar demands.

On motion and seconded, the same was adopted.

To the Grand Lodge of Penn<sup>a</sup> :

The Comm<sup>e</sup> to which was referred the accounts of William Christie and others, against the Committee of arrangements appointed by the grand lodge on the occasion of General La Fayette's visit,

Report,

That it appears to the Committee that the following bills contracted by the Committee of arrangements remain unpaid, Viz :

William Christie, for Upholstery,	.	.	.	\$151.88
Clark, for Carpentry,	.	.	.	155.34

Myers and Jones, for Painting, . . . . .	\$40.
Russell, oil, . . . . .	4.87
Porterage and advertising, . . . . .	2.85
	<hr/>
Total, . . . . .	\$354.94
That there remains in the hands of said Committee an unexpended balance of, . . . . .	88.85
	<hr/>
Leaving a deficit of monies to amot. of, . . . . .	<u>\$266.09</u>

which deficit this committee is of opinion is justly and equitably chargeable upon the grand lodge.

To elucidate the opinion of the Committee, it is proper to recur to some of the circumstances which preceeded, as well as those which attended the reception of Gen<sup>l</sup> La Fayette. As soon as it was understood that this illustrious mason intended to visit the grand lodge, a committee was directed to devise measures worthy of the occasion and among the resolutions reported by them was one for the arrangement of a festival of welcome. It was proposed that the task of carrying this part of the arrangement into effect should be confided to a special committee and that the members of the fraternity should be generally invited; they further proposed that the price of tickets should be fixed at seven dollars. The grand lodge approved of the plan which its committee submitted, but probably not aware of the increased expenses attendant on all entertainments which were given at that season of general festivity, it reduced the price of tickets to the sum of five dollars, and in part compensation for this reduction, it determined that the grand saloon should be appropriated to the purposes of the festival.

It was not until the special committee, which was afterwards appointed, had made the more expensive part of their arrangements, that it was discovered that the grand lodge had no right to the saloon without the consent of the tenant in possession. To obtain that consent it was necessary to pay fifty dollars to dislodge an Italian artist from the banqueting room, and a further sum of sixty seven <sup>75</sup>/<sub>100</sub> Dollars to procure another room for a Concert which had been announced for the evening at the Saloon. The sum of \$117<sup>75</sup>/<sub>100</sub> was thus re-

quired to procure accommodation which the grand lodge had stipulated it would furnish gratuitously. The obligation of the grand lodge to reimburse this sum, if necessary, has not been at any time questioned and needs no remarks.

The great number of the brethren who came forward as subscribers, gratifying as the fact was to the Committee, had the effect of increasing disproportionately the expenses of the banquet. The furniture and decorations belonging to the grand lodge were found altogether insufficient for the suite of apartments which it became necessary to open. New furniture and additional decorations were purchased by the Committee and these have since been sold by the grand lodge and the proceeds carried into its treasury, or, they still remain in its possession.

The Committee of arrangements, while mindful that it was their duty to welcome their patriarchal guest in a style which might become the lodge of which "Franklin was the founder and Washington a member," yet anxiously avoided every application of the sinking fund to purposes not strictly within its specified objects.

All their proceedings were characterized by as much economy as was consistent with the occasion. All the expenses of making preliminary arrangements were borne by themselves individually and when the moneys which they had received were found to be inadequate, they at once with the aid of a few friends applied a considerable sum of their own to meet the deficiency.

The State of their accounts strictly audited, stands thus :

They received from subscribers in all, . . . \$1358.

and appropriated from the private funds exclusive

of the am<sup>t</sup> expended in preliminary arrange-

ments, . . . . . 80.

---

\$1438.50

They paid bills amounting to, . . . \$1349.65

They yet owe, . . . . . 354.94

---

1704.59

Balance due from Committee . . . . . \$266.09

On a full view of the circumstances which have occasioned this balance against the Committee of arrangements, first, that no discretion was permitted them in fixing the terms of subscription, the grand lodge itself having defined the price on views of the subject which the result has proved to be incorrect; second, that a large portion of the balance was applied to procure rooms, which the grand lodge had, from an erroneous idea of its rights, declared should be given without cost; third, that the grand lodge has received a full equivalent for the residue in the property which it has sold or still retains, and fourth, that the doings of the committee were wisely and satisfactorily ordered and that the deficiency has been entirely occasioned by causes over which they had no possible controul, the committee to which the accounts were referred have agreed to present the following resolution.

Resolved, that the R. W. G. M. be requested to draw his order on the grand treasurer for the sum of \$266<sup>92</sup> in favour of Br. James Mc Alpin, treasurer of the La Fayette Comm<sup>e</sup>. of arrangement.

All of which is respectfully submitted.

Philad., 5<sup>th</sup> March, 1827.

Signed.

SAM<sup>L</sup>. H. THOMAS.

A petition was received and read from a number of brethren praying for a Warrant to hold a lodge in Philadelphia, to be called the "Hand in Hand" and nominating for the first officers thereof.

The Committee solicit the aid and co-operation of the grand and subordinate lodges and conclude their report by offering the following Resolution which was adopted with the report, viz :

Resolved, that the grand secretary be directed to send a copy of the foregoing report to the respective lodges under the jurisdiction of the grand lodge of the state of Pennsylvania.

The following report was received from the Committee to which was referred the petitions to hold lodges in Phila<sup>a</sup> to be called "Equality" and "Hand in Hand" and the petition to hold a lodge in Kensington, to be called "Kensington."

"That the power inherent in the grand lodge to constitute subordinate lodges should ever be exercised with a steady regard to the welfare of the lodges already established.

This principle has hitherto governed the grand lodge of Pennsylvania in granting new Warrants and so essential has it been deemed to the harmony, utility and consequent prosperity of the order, that it has been incorporated with our rules and regulations, has become a permanent law of the administration of the masonic government.

By Section 28<sup>th</sup> of the rules and regulations by this grand lodge established, it is provided that no Warrant will be granted to any number of masons in the Country residing within five miles of the place mentioned in the Warrant of an established lodge, without the assent of such lodge, given under its Seal, unless under special circumstances. The density of the population of a vicinage, forms an obvious, operative and principal circumstance under which, adherence to this rule may be dispensed with. To this circumstance, it may be attributed, that no limitation has been fixed to the power of granting new Warrants in our Cities. But it is by no means to be inferred, because no such limitation has been made, that such power is to be liberally exercised. The welfare and harmony of established lodges must always be consulted in considering every application for a new Warrant.

The first, and great objects in the creation of subordinate lodges are, the diffusion of masonic light, and the establishment of ready means of intercommunion among the brethren

by which the masonic charities may be cherished and expanded. To effect these, harmony and strength are indispensable; lodges can subserve the ends of their creation only by unanimity and numerical strength. If the members of a lodge be reduced so as to render its pecuniary burdens intolerable, and a rotation of competent officers impracticable, there is no longer energy in the members to perform the customary work, nor power to obtain additional workmen. The lodge loses its respectability and ceases to have influence with the craft and with the profane.

The multiplication of lodges in the City of Philadelphia has inevitably the effect of diminishing the numerical strength of each lodge. And whether the number of lodges already established now mars the usefulness of each other, has appeared to your committee to be the first object of inquiry and one that must determine the character of their report. The number of lodges in the City is twenty five, the whole number of members 1022, making an average to each lodge of forty one members. To support a lodge from the ordinary annual dues, 38 members are necessary. Hence if the members of the City Lodges were equally distributed, the income of each would be barely adequate to its subsistence. None would possess the means to renovate their Jewels, to provide for extraordinary expenses or perform acts of beneficence.

But the distribution of members is not equal. Fourteen lodges only have the competent number, whilst the remaining eleven having less than that number are in a sinking condition. Of the first class, three lodges have less than forty members. Of the second class, two lodges have 25 members each. One lodge has 24 members, one lodge has twenty two members and one lodge has thirteen members only.

But the lodges have other pecuniary means besides annual contributions. True, they have resources in the voluntary donations of members and in initiation fees. These sources however are variable and uncertain. The first can be resorted to rarely and occasionally only; the efficiency of the second we proceed to examine.

The aggregate of initiations in the City Lodges during the

year 1826 was 140, averaging less than  $5\frac{1}{2}$  to each lodge, yielding at \$30 for each initiation, the grand lodge dues and tylers fees deducted the sum of 121<sup>50</sup>. If the number of initiations were the same in each lodge, each would have this sum to make up deficiencies from paucity of members. But the number of initiations is not equal in the several lodges. In several it does not exceed three per annum, yielding only the net sum of \$67<sup>50</sup>. It follows therefore, that several of the existing lodges have not funds from their ordinary nor extraordinary sources to maintain themselves, and that they are threatened with speedy extinction.

If the lodges of the City be divided into two classes, placing in the first the lodges existing in 1810, and in the second, such as have been constituted since that period, it will be found that the former class, though not so prosperous as before the increase of the lodges, are still in better circumstances and more efficient in their labours than the latter. The first class consists of 11, and the second of 14 lodges. In the past year the first had 522 members, exceeding the average of 47 members each, and initiated 80 masons, averaging more than 7 each. The second class had 500 members, averaging 35 members each, and initiating 60 masons, equal to little more than 4 each.

In order to determine what has been the effect upon the state of the craft in this city by the multiplication of lodges, your committee have instituted a comparison between the condition of masonry here in the years 1810 and 1826 from which it appears, that

In the former period there were 11 lodges, having 654 members, 176 Initiations, yielding a gross revenue of \$9204, subject to deductions for bad debts, half dues, &c., of \$2301, and to be expended necessarily \$1886, leaving a balance for extra expenditure and beneficence \$5017, equal to an average sum of \$456<sup>00</sup>/<sub>11</sub> to each lodge.

In the latter period there were 25 lodges having 1022 members, 140 initiations, yielding a gross revenue of \$10,332, subject to a deduction for bad debts, &c., of \$2583, and to an expenditure of \$5342, leaving for extra expenses and beneficence \$2407, equal to \$96<sup>28</sup> for each lodge.

It may be justly said that the difference in the pecuniary result from that comparison, does not furnish a true criterion of the state of the craft at the periods assumed, since the aggregate expense of the lodges has been increased by the enhanced dues and rents payable to the grand lodge. It is therefore proper to charge the incumbrances in 1836 at the rates of 1810; the surplus would then be \$4447 equal to \$178<sup>28</sup> for each lodge.

From this comparative view it appears that in 1810, eleven lodges had 36 more initiations than 25 lodges in 1826, received of gross revenue only \$1128 less, had actually \$2610 more to bestow in charity and would have had, if subject to the same dues and rents \$570 more.

From the foregoing facts your committee have been irresistably led to the conclusion that the masonic welfare has not been promoted by the increase of the number of the city lodges, and to the corollary that it is inexpedient to grant new Warrants in the city of Philadelphia.

Like convictions seem to have directed the policy of the grand lodge for a series of years. In February, 1818, a committee of five members, each of whom has been distinguished by masonic zeal and learning and masonic honours, reported that they were "decidedly of the opinion that applications for Warrants to hold lodges in the City of Philadelphia should not be encouraged, but on the contrary ought to be discountenanced unless under circumstances forming an exception to the general rule."

This principle, that special circumstances shall form an exception to the general rule, is though sound sufficiently latitudinarian and liable to perversion. But it has hitherto been applied by the grand lodge with great discretion. Since the year 1814, five warrants only have been granted to lodges in the City. In 1817 a warrant was granted to individuals for the purpose of putting an end to the illicit practice of masonic rites. In 1818 a lodge was constituted upon the report of the Committee which we have just mentioned, assigning as a reason that the policy which prohibited the granting of new Warrants not having been promulgated the

applicants had reason to believe their prayer would be granted and that the rule of exclusion would as to them operate retroactively. A Warrant was granted to lodge N<sup>o</sup> 160, that its labours being conducted in the french language might be servicable to french masons. The Warrants of N<sup>o</sup> 186 and 187 were granted in 1822, immediately before the meeting of the grand committee. There have been two other applications for Warrants in the City, one in 1819, the other in 1824; these were refused, not being attended by special circumstances.

It is difficult to state a priori what are the special circumstances under which new Warrants should be granted. It is the safe mode to determine each case on its own circumstances. But it is the duty of your Committee to examine whether the cases referred to them are accompanied with such special circumstances as justify the suspension of the general rule. Every view they have taken of the subject presupposes the applicants and their recommenders to be entitled to the greatest respect and attention; consequently the Committee are called to consider their petitions on general principles only.

Your Committee are of the opinion that the petition for the erection of a lodge in Kensington is attended with such special circumstances as to make it an exception to the rule above considered. These circumstances are

1. The locality assigned for the lodge can scarcely be considered in the City. It is three miles distant from the Hall, in the neighborhood of many masons willing to become members thereof and who are not members of any lodge.

2. Kensington is a populous district too distant to permit its inhabitants to participate in the duties and benefits of lodges held at the Hall without great inconvenience, which such inhabitants will not incur and the G. Lodge should not require. And the very distance which induces them to refuse to come to the Hall in the City, will assure the non-abduction of members from the City Lodges.

3. That the applicants, in order to remove every apprehension from the grand Lodge, that a Warrant if granted to them

will be abused by holding the lodge at a tavern and be making masons for inconsiderable sums, have pledged themselves that the lodge shall be holden at a private house, every way suitable for the purpose and that the fees for initiations shall be thirty dollars.

The applications for a lodge to be called "Hand in Hand," and a lodge to be called "Equality," do not appear to be attended by special or extraordinary circumstances. Some of the petitioners have been, and some are now, members of city lodges, others are from foreign jurisdictions. Those who have left or design to leave their lodges in the city, it is presumed are moved by disaffection, well or ill-founded, but your committee not having made inquiries upon that subject, have, as was their duty, presumed the former. Still, they are not of the opinion that the dissatisfaction of one or more individuals with the proceedings of their lodge is a justifiable reason for the erection of new lodges in the City, so manifestly injurious to the craft. For individuals thus aggrieved a ready and effectual remedy is at hand; if they be worthy, the doors of four and twenty lodges are open to them, and the doors are also widely expanded to receive all worthy brethren who come from foreign jurisdictions to reside among us. If the applicants cannot find contentment in any of these lodges, we fear they will seek it elsewhere in vain.

For these reasons your committee submit the following resolutions:

1. Resolved, that the prayer of the petitioners praying for a Warrant for a lodge to be holden at Kensington, to be called the "Kensington Lodge, N<sup>o</sup>. 211," be granted and that the grand Secretary make out a Warrant accordingly.

2. Resolved, that the petitioners praying for a Warrant to hold a lodge in Philadelphia, to be called the Hand in Hand Lodge, and the petitioners praying for a Warrant to hold a lodge in Philadelphia, to be called Equality lodge, have leave to withdraw their petitions.

All of which is respectfully submitted.

The grand Secretary informed the grand lodge that lodges  
N<sup>o</sup>. 45, 141, 147 and 202 respectively, had elected for Wor-  
shipful Master a member who had never served in the office  
of Warden, that he had written to the late officers of those  
lodges to state the reasons of the members for deviating from  
the regulations of the grand lodge and had received an  
answer from

Lodge N<sup>o</sup>. 45, in a letter from Charles Shaler, R. W. D. D.  
G. M., dated Pittsburg, 22 Feb<sup>y</sup>.

Lodge N<sup>o</sup>. 141, in a letter from H. B. Dorrance, dated  
Harrisburg, 26 February, and

Lodge N<sup>o</sup>. 202, in a letter from J. D. C. Artz, Greencastle,  
dated 15 January.

The said letters being read, on motion and seconded,

Resolved, that the grand secretary be directed to write to  
lodges Nos. 45, 141 and 202 respectively, and inform them  
that their proceedings in the election of a Master were  
irregular.

Resolved, that in consideration of the circumstances as-  
signed by lodges Nos. 45, 141 and 202, as the occasion of  
their deviation from the regulations of the grand lodge in the  
election of a master for the present year, such election be  
confirmed.

Resolved, that the annual return of Lodge N<sup>o</sup>. 147, for 1826,  
be referred to a committee of three to inquire into the circum-  
stances attending the election of Joseph Castle as Master of  
that lodge, he never having served as Warden of any lodge.

Brothers Tho<sup>s</sup>. M. Pettit, Henry Horn and Emmor T. Weaver were appointed on said Committee.

The following Resolution was offered by Bro. N. Fowle, viz :

“That visitors to the grand lodge and subordinate lodges be not required on their examination to adopt the term ‘York’ as a distinctive appellation.”

They do not consider that any blame is imputable to either party, and are well satisfied that if Brother Price is permitted to visit or join any lodge as a regular mason, the cause of masonry will receive no detriment thereby, but will be rather advantaged.

Lodges Nos. 2, 3, 9, 19, 52, 67, 71, 72, 91, 114, 115, 121, 126, 130, 131, 134, 155, 158, 160, 186, 187, 50, 123, 119, 138, 151, 195 and 201 represented.

Twenty eight lodges being represented, the Grand Lodge was opened in ample form at 6½ o'clock in the evening.

On motion and seconded, a number of visiting brethren were admitted.

The grand Officers to whom were referred the complaints of A. Bonaffon against the Hall Committee and sundry grievances under which he suffered, reported

That the principal point in contest with the Hall Committee was in relation to the Gas and its appendages of burners, &c. Sometimes the gas was bad and at other times there was none. The grand lodge having thus failed to supply gas, Mr. B. purchased a number of Argand Oil lamps for

which he claims to be allowed the cost unless permitted to use them altogether. He also claimed allowance on the foot of the Hall Committee's account for the occasional bad quality of the gas and also for expenses he incurred in procuring repairs to be done to the Chandeliers, burners, &c.

The Committee believing that some of his demands were founded in justice and that it was essential that the sale of gas should be put upon such a footing as would relieve Mr. Bonaffon and the grand lodge from vexatious disputes, they prepared an additional clause to the lease whereby it is provided that an instant settlement of all disputes about gas shall be made and that Mr. B. shall be allowed to resort to other means of lighting on those evenings only, in which the gas is not supplied or is decided to be unfit for burning. The Officers purchase on behalf of the grand lodge the lamps for \$100, for which Mr. B. paid \$130, and Mr. B. pays without deduction the sums charged to him by the Hall Committee for gas.

Every other item in dispute has been amicably adjusted, leaving a balance of \$40<sup>50</sup> in favour of the grand lodge, which Mr. B. is to pay with the rent for the ensuing quarter.

The Committee submit the following Resolution, Viz:

Resolved, that the account as settled by the Grand Officers with A. Bonaffon, be and is hereby confirmed.

On motion and seconded, the Report above and Resolution were adopted.

The Grand Secretary reported that the following Warrants of Lodges were suspended for non payment of dues, Viz:

N<sup>o</sup>. 153, Waynesburg, Greene Co.

“ 177, Burhkle P. O., Pike Co<sup>r</sup>.

On Motion of the Comm<sup>e</sup>. of Finance and seconded,

Resolved, that the sum of one hundred dollars be accepted from Lodge N<sup>o</sup>. 119, Gibson, Susquehanna Co., in communication of the annuity payable annually by that lodge until its debt should be discharged.

On motion and seconded,

Whereupon, the R. W. Grand Master was pleased to appoint Bros. Gobrecht, Robinson and Porter on said Committee.

A Report was received and read from the Committee appointed on the memorial of the R. A. Chapters for a reduction of rent, offering the following Resolutions and with the Report; they were adopted, Viz:

Resolved, that the following Sums be received in full of the debts due by the respective Chapters on the 27<sup>th</sup> inst., provided the same be paid within three months from St. John's day next, Viz:

Total	.	.	.	\$440	\$1431.

Resolved, that the Rent, including fuel and lighting of the Chapter Room, be reduced to \$40 from next St. John's day for twelve stated meetings to each Chapter, and for other meetings to the price of lighting as now established.

Resolved, that the Rent, &c., of the Chapters shall be paid semi-annually, and that any chapter in arrears for the rent of twelve mos. shall be notified thereof by the grand secretary, and if such arrears be not paid within three months from the date of the notice, the defaulting chapter shall be deprived of the privilege of meeting in the Hall until its arrears be paid.

Reports were received and read from the Comm<sup>e</sup> of Finance on the a/cs of the Grand Treasurer, Grand Secretary and Hall Committee for the 3<sup>d</sup> quarter of the present year; also, an abstract of receipts and payments for the same time; and being read they were severally ordered to be filed.
